Nathan Bowen, PhD  
Honors Coordinator  
Moorpark College

Dear Dr. Bowen,

It is my pleasure to attest to the good standing of the Moorpark College Honors Program as a member of UCLA's Transfer Alliance Program (TAP). Your program is in full compliance with UCLA TAP's guidelines, and it has been a pleasure working with you to identify exceptionally well-prepared and diverse transfer applicants to UCLA.

Your program exemplifies what we at UCLA TAP consider to be important aspects of preparation for students transferring to UCLA. Specific features of your program are worthy of mention, including: 1) your requirement for scheduled appointments with a counselor each term; 2) your expectation that students participate in extracurricular activities and co-curricular learning experiences; and 3) your curriculum's breadth, which represents a range of disciplines among the Moorpark Honors courses.

We are grateful for the enrichment that your program offers transfer applicants from Moorpark College, and we look forward to the many years of success and continued partnership that are ahead.

Sincerely,

A handwritten signature in blue ink that reads "Kelly E. Wahl".

Kelly E. Wahl  
Director, UCLA Transfer Alliance Program
