The Board may adopt such policies as are authorized by law or determined by the Board to be necessary for the efficient operation of the District. Board policies are intended to be statements of intent by the Board on a specific issue within its subject matter jurisdiction.

The policies have been written to be consistent with provisions of law, but do not encompass all laws relating to District activities. All District employees are expected to know of and observe all provisions of law pertinent to their job responsibilities and are encouraged to read policies and procedures related to their employment and department operations.

Policies of the Board may be adopted, revised, added to, or amended at any regular Board meeting by a majority vote.

Board Policies are available online, through the Board Governance Paperless Meeting Software, <u>BoardDocs</u>.

Board Policies will be reviewed within a five-year period. For the period 2016-2021, an additional two years have been added (2016-2023) to the review cycle due to pandemic challenges.
