Plagiarism Prevention Services

[Plagiarism.org (http://www.plagiarism.org/)](http://www.plagiarism.org/)

- A site designed to help educators and students develop a better sense of what plagiarism means in the information age, and to teach the planning, organizational, and citation skills essential for producing quality writing and research.

TurnItIn

- [(http://www.turnitin.com/en_us/resources)](http://www.turnitin.com/en_us/resources) TurnItIn is a plagiarism prevention service for which VCCCD currently has a district-wide license. Any Moorpark College faculty member may use this service. For information on setting up a TurnItIn account, please contact the Instructional Technologist.
