

# Associate Degree in General Studies Pattern I

## Associate in Arts Degree in General Studies Pattern I, with an Area of Emphasis

### About the Associate in Arts (AA) Degree in General Studies Pattern I

This pattern provides an opportunity to earn an Associate in Arts (AA) in General Studies with an area of emphasis. This degree covers a broad area of study and is intended for students who may not be planning to transfer to a four-year university or who may need to explore possibilities before committing themselves to a major.

### Requirements for the Associate in Arts (AA) Degree in General Studies Pattern I

1. Choose an area of emphasis from one of four Moorpark College area-of-emphasis lists below and complete the courses required for that area of emphasis (a minimum of 18 semester units of degree-applicable college credit coursework). Courses for the area of emphasis must be completed with a grade of "C" or better or "P" if the course is taken on a "pass-no pass" basis ([Title 5 § 55063](#)). Even though a "P" is allowed, it is recommended that students complete all coursework in the area of emphasis for a letter grade ("A," "B," or "C"). At least 6 units of the 18 units required for the area of emphasis must be completed within a single discipline.

**Note:** Universities have limitations on the number of units that may be taken on a "pass-no pass" basis and therefore it is strongly recommended that students take all coursework in the area of emphasis for a letter grade. Most universities also have limitations on the number of general education units that may be completed on a "pass/no pass" basis.

2. Complete Moorpark College's General Education requirements (areas A through F)

4. Demonstrate competency in reading, written expression, and mathematics as defined in [Title 5 § 55063](#) for the appropriate catalog year.
5. Achieve a cumulative grade point average (GPA) of 2.0 or better in degree-applicable college credit coursework.
6. Complete a minimum of 12 semester units in residence at the college granting the degree. Exceptions to the residency requirement can be made by the VCCCD Board of Trustees when injustice or undue hardship would result.
7. Apply for the Associate Degree in the Counseling Office by the published deadline dates. All of the student's official transcripts and test scores (such as AP, IB, or CLEP) must be on file with the Admissions and Records office.

**Note:** *Students planning to transfer to a four-year university are advised that this curriculum may not adequately prepare them for transfer. General Studies Patterns II and III degrees are designed for transfer students.*
