

MOORPARK COLLEGE HONORS PROGRAM COUNSELOR VISIT FORM

Students in the Honors Program are required to meet with any Moorpark College Counselor once each semester while in the Honors Program. Counselors will assist you in setting goals and/or preparing for a smooth transition to a four-year institution. They will also evaluate your current status and determine what needs to be completed for successful transfer. When you call for an appointment, be sure to identify yourself as an Honors Program student. Express/Drop-In counseling does NOT meet this requirement. Please use this form to obtain signatures throughout your duration in the Honors Program.
