

Free Tutoring for Moorpark College Students

The Tutoring and Learning Center (TLC) provides academic support (tutoring, workshops, etc.) through the Math and Science Center, the Writing Center, and the Course Embedded Tutor (CET) program in order to help students achieve academic success. TLC Services are free to all Moorpark College students. For Fall semester we will be open **Monday-Wednesday, 10AM-4PM**

Walk-ins welcome 3rd floor of the library.

Math and Science Center

Offers both online and on-campus tutoring on a drop-in basis no appointment is necessary.

The Moorpark College Tutoring Programs use **Cranium Cafe** (<https://support.conexed.com/students/>) for virtual drop-ins. For the best user experience, you may wish to **test your network speed** (<https://www.speedtest.net/>) and ensure you have the following:

- Supported Web Browsers:
 - ***Chrome** (<https://www.google.com/chrome/downloads/>) (Smartphones, Tablets, and other devices)
 - ***Firefox** (<https://www.mozilla.org/firefox/download/thanks/>) (Desktop PCs and Macs only)
- *Webcam
- *Headset with attached microphone

COL M05 "Supervised Tutoring Across the Curriculum"

Students who use TLC tutoring services will be enrolled in COL M05, "Supervised Tutoring across the Curriculum." COL M05 is a 0 unit course. It is not graded. It does not appear on transcripts. It is free to all currently registered Moorpark College students.

Learning Center Outcomes

Students who use the Tutoring and Learning Center (TLC) will be able to apply learning strategies to succeed in college. The TLC enables students to:

- Assess learning needs and identify individual strengths and learning needs in subject area
 - Improve understanding and competence in the subject area
 - Apply skills from tutoring sessions to other assignments or courses
 - Use strategies gained from tutoring to be a more confident, successful college student
-

Moorpark College Mission

Grounded in equity, social justice, and a students first philosophy, Moorpark College values diverse communities. We empower learners from local, national, and global backgrounds to complete their degree, certificate, transfer, and career education goals. Through innovation and customized student support, our programs are designed to achieve equitable outcomes.
