

Associated Students of Moorpark College (ASMC)

Every registered student at Moorpark College constitutes the enrolled student body and is thereby a member of the Associated Students of Moorpark College, otherwise known as ASMC. Each spring semester the Moorpark College student body elects the ASMC Board of Directors.

What is the ASMC Board of Directors? The ASMC Board of Directors is comprised of Moorpark College students who volunteer their time to serve their campus community as the sole representative body of the students. The ASMC Board of Directors is the college's officially elected student government and exists to voice concerns and opinions on matters impacting Moorpark College students. The ASMC board of directors operate according to their governing documents, [the Constitution and Standing Rules \(https://www.moorparkcollege.edu/departments/student-services/student-activities/associated-students/asmc-governing-documents\)](https://www.moorparkcollege.edu/departments/student-services/student-activities/associated-students/asmc-governing-documents).

When does the ASMC Board of Directors meet? The weekly ASMC Board of Directors meetings are yet to be determined and this page will be updated when the date and time is finalized.

How do I know what they will discuss at their meetings?
