May I help you?

Hi there! I'm a chatbot here to answer your questions in English, Spanish, and Mandarin. What would you like to know?

Wednesday 9am - 12pm & 1:30pm - 5pm

Friday - 9:00am - 11am

Express drop-in counseling is designed to give students access to counseling services during normal business hours for quick, "express" type of questions. Unlike a counseling appointment, which may last up to 60 minutes, express drop-in counseling sessions are 5 to 10-minutes in length.

Use express drop-in counseling for:

- Class registration
- Adding or dropping classes
- Filing petitions (some petitions may require an appointment if it exceeds the time allotted for Express Drop-in)
- Checking progress toward your educational goal

Due to the limited time set aside for express drop-in sessions, only quick "express" counseling questions can be answered. For more thorough and comprehensive educational planning, a counseling appointment may be required.
