Detailed Schedule

January 6

Time	Session Info
9:00-10:15	Preview: Spring Curriculum Audit Please join us for a cross-disciplinary discussion and demonstration of work faculty are doing and plan to implement in the spring with the goal of equitizing the curriculum in our classrooms. We will discuss practical applications, outcomes, and future plans!

	<p>Facilitators: Katie Booth, Tamarra Coleman, Diane Scrofano</p> <p>Zoom link: https://vcccd-edu.zoom.us/j/95259548720</p>
--	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

10:30-11:45	<p>Understanding Intersectionality: 101</p> <p>All faculty and staff are warmly invited to join us for an important conversation about the concept of intersectionality. Being mindful of the ways that we are all impacted by varied interconnected social categories offers faculty and staff opportunities to grow in empathy and connection with our students and co-workers, both in the classroom and in our workspaces.</p> <p>Facilitators: Tamarra Coleman, Kelly Little</p> <p>Zoom link: https://vcccd-edu.zoom.us/j/98394095330</p>
--------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

10:30-11:45	<p>Chrome River Training</p> <p>Please join representatives from the Ventura County Community College District office for a training session about Chrome River, our new system for inputting all types of fiscal data from P-cards, to travel reimbursements, and more!</p> <p>Facilitators: Terry Cobos, Elizabeth Thompson</p> <p>Zoom link: https://vcccd-edu.zoom.us/j/92089224811</p>
--------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

11:45-12:30	Lunch Break
--------------------	--------------------

12:30-1:45	<p>Delta Alpha Pi</p> <p>Students with disabilities from the Delta Alpha Pi Honor Society/Moorpark College Club aim to share their narratives about how navigating college while using accommodations offers a unique perspective that can only be developed through experience. Questions and interaction will be encouraged!</p> <p>Facilitators: Student representatives from Delta Alpha Pi</p> <p>Zoom link: https://vcccd-edu.zoom.us/j/95338148481</p>
-------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

12:30-1:45	<p>ZTC & OER: Frequently Asked Questions</p> <p>Participants are invited to learn more about the Zero Textbook Cost program and its advantages for students and faculty. The session will include an overview of Creative Commons licenses, reference attributions, where to find high-quality open education resources (OER), and examples of how OER/ZTC materials are shared with students in Canvas. We will review Fair Use and Copyright guidelines and demonstrate the Library’s Leganto tool for curating course resources. The session will include information on funding opportunities for faculty to develop ZTC courses.</p> <p>Facilitators: Cynthia Sheaks-McGowan and Jeff Benedetti-Coomber</p> <p>Zoom link: https://vcccd-edu.zoom.us/j/92530258510</p>
-------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

12:30-1:45	<p>Mindfulness and Crafting</p> <p>As we seek to balance between our professional commitments and our mental health, engaging in a hands-on crafting activity is one method to practice mindfulness. In this in-person session, participants are welcomed to come and practice or share their own crafting! Supplies will be available to practice with.</p> <p>Facilitators: Beth Gillis-Smith and Emmanuel Guerrero</p> <p>Zoom link:</p>
-------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

2:00-3:15	<p>Grading for Equity</p> <p>Facilitators: Daniela Guevara, Farisa Morales, and Michael Nava</p> <p>All MC Faculty are invited! In this session, CHESS faculty will share lessons learned by implementing improved, equity-focused grading for impact, from the book <i>Grading for Equity</i> by Joe Feldman. The book invites faculty to adopt grading practices that are accurate, bias-resistant, and motivational to improve learning, minimize grade inflation, reduce failure rates, and become a lever for creating stronger teacher-student relationships and more caring classrooms.</p> <p>HyFlex Format</p> <p>Location: CCCR</p> <p>Zoom link:</p>
------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

	https://vcccd-edu.zoom.us/j/98217161048
--	-----------------------------------------------------------------------------------------------

2:00-3:15	<p>HyFlex Training</p> <p>Faculty and staff are invited to this in-person training for our HyFlex equipment and teaching modality in order to increase the flexibility in our instructional offerings. Note that this session will also be held on Friday, Jan 7 at 12:30-1:45. Faculty and staff are welcome to either session, or both!</p> <p>Facilitator: Michael Ashton</p> <p>In-Person Format</p> <p>Location: T-114</p> <p>Zoom link: Coming soon!</p>
------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

January 7

Time	Session Info
-------------	---------------------

9:00-10:15	<p>Instructional Design- Canvas for On-Ground Classes</p> <p>Please join instructional designer Tracie Bosket for a practical, hands-on workshop to discuss approaches for utilizing Canvas for your on-ground classes.</p> <p>Facilitator: Tracie Bosket</p> <p>Zoom link: https://vcccd-edu.zoom.us/my/traciebosket</p>
-------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

10:30-11:45	<p>Student Services Information Session</p> <p>All faculty and staff are invited to learn more about some of the excellent services we offer to students. These services are often overlooked by students, so faculty and staff members have an opportunity to help our students by informing about these services.</p> <p>This session will include information regarding:</p> <ul style="list-style-type: none"> • The Student Health Center • Extended Opportunity Programs and Services (EOPS)
--------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

	<ul style="list-style-type: none"> • Raiders Central <p>Facilitators: Allison Barton, Tim Lumas, Marine Melendez</p> <p>Zoom link: https://vcccd-edu.zoom.us/j/91301932077</p>
--	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

10:30-11:45	<p>Microsoft Teams Training</p> <p>Our campus is migrating to Microsoft Teams as a primary communication and connection tool. Don't panic! Please join us for an informative session about how to best utilize the software to connect with fellow faculty and staff.</p> <p>Facilitator: Michael Ashton</p> <p>Zoom link: https://vcccd-edu.zoom.us/my/mashton.vcccd</p>
--------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

11:45-12:30	Lunch Break
--------------------	--------------------

12:30-1:45	<p>Hyflex Training</p> <p>Faculty and staff are invited to this in-person training for our HyFlex equipment and teaching modality in order to increase the flexibility in our instructional offerings. Note this session is also offered on Thursday, Jan 6 at 2:00-3:15. Faculty and staff are welcome to either session, or both!</p> <p>Facilitator: Michael Ashton</p> <p>Zoom link: https://vcccd-edu.zoom.us/my/mashton.vcccd</p>
-------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

12:30-1:45	<p>Makerspace Tour and Curriculum Discussion</p> <p>All faculty and staff are invited to learn more about our campus MakerSpace. The MakerSpace is a collaborative space for our entire campus community. This session will provide you an overview of our equipment and resources and you will have the opportunity to brainstorm ways you can include this resource as part of your curriculum or workflow.</p> <p>Facilitator: Clare Sadnik</p> <p>Zoom link:</p>

2:00-3:15

TWMOCAs (Teaching Women and Men of Color Advocates)

Please join our us as we work to close the equity gap and increase the campus' efforts in support of students of color at Moorpark College.

The TWMOCAs, Teaching Women and Men of Color Advocates, aim to help Moorpark become more culturally competent. During the Spring 2022 flex meeting we will discuss how you can stay engaged in the fight. Learn about Moorpark's discrimination & harassment reporting procedures and how this helps aid students, staff and faculty.

We have made great strides this past year and we are seeking further involvement from all Moorpark College faculty and staff to join the TWMOCAs. We believe everyone should be a TWMOCA and look forward to seeing you there!

Facilitators: TWMOCAs Core Members

2:00-3:15

MC Writes: Reimagining our Campus

In this generative workshop, we will use poetry to imagine the campus to which we wish to return. Don't be scared-- today's definition of 'poem' is flexible and generous. :)

Please visit our webpage at: <https://mcwrites2021.wordpress.com/>

Facilitators: Tracy Tennenhouse, Crystal Salas
