Hi Priscilla,

Confidential are also excluded. MC only has 1 though.

Part time ,60 FTE and below = 9

Full time greater than .60 = 142

Hi Nubia,

Everyone represented by SEIU, so I assume that excludes managers and supervisors but not confidential employees, is that right?

Hi Priscilla,

Are you looking at classified represented classification headcount or all classified including managers, supervisors and confidential?

Subject: Number of Classified Staff at Moorpark

Hi Nubia,

Would it be possible to get the current number of Classified employees (not provisional) employed at Moorpark?

I realize the number may change, but having a close current number would be very helpful. This is for our accreditation report.

Also, if it's possible to separate out the numbers by full-time classified vs. part-time classified (less than 40 hours per week), that would be great. (We don't need 12-month vs. 10-month, etc., though.)

Thank you!

Priscilla
