Moorpark College	7 - CAMPUS CENTER	Floor 1	146 - Cafeteria	14210-139405	<p>Hello! We would like to request some assistance with arranging furniture (chairs, tables, trash cans & podium) in CC 146 (cafeteria space) on Friday April 29th for our Mock Interviews event. Please see attached facility request approval & diagram. Thank you! (2022-04-06 19:55)</p> <p>Perfect, thank you for that information I have reached out to IT for the podium. For the tables, we would prefer square tables since the students will need to sit across from their interviewer (2 students & 2 interviewers per table) but if all that is available is round tables we will make it work. We would need extra tables set up against the wall for the grab and go breakfast (see diagram) and a half table for check in (preferably paced at the entrance to the cafeteria, but inside is fine also). This event would be taking place in the dining room. Feel free to reach me directly at 805-378-6300 ext. 7293 if you need any additional information between now and the day of the event. This number rings on an app on my cell so I can be reached from virtually anywhere. Moorpark College	6 - PHYSICAL SCIENCE	Floor 2	208 - Lab	14209-147681	<p>Room PS-208 (Engineering Materials Lab) requires return of about 8-16 lab chairs. These chairs are swivel-type chairs that have wheels and black upholstery – the same type that are already in the Lab Room. The reason there is a shortage is because two chairs per row were removed and put in storage to support social distancing among seated students during the pandemic. But for the Fall 2022 Semester, the classes are back to full on-campus attendance (up to 40 students per class in Room PS-208, or more). There are 8 rows of built-in lab tables, and each row formerly had 6 of these chairs. But due to chair removal during the pandemic, each row of lab desk currently has only 4 chairs.</p>		warehouse
