

FACILITIES NEEDS FROM ANNUAL PLANNING RETREAT

BUILDING IMPROVEMENTS	STUDENT/STAFF AMENITIES	SUSTAINABILITY	NEW FACILITIES	CHALLENGES TO BE OVERCOME	IDEAS TO IMPLEMENT
Expand Student Health Center	Better food access	4B Provide support for students' basic daily needs p17-18	5A Improve campus physical infrastructure, with a focus on sustainability p18	5C Increase revenue generation p18	4B Provide support for students' basic daily needs? P16
Expand Tutoring Center	Napping spaces	4B Provide support for students' basic daily needs p17-18	4B Provide support for students' basic daily needs? p16	4B Provide support for students' basic daily needs? p16	Optimizing energy use
A place to eat and have healthy food	Basic Needs Center	4B Provide support for students' basic daily needs p17-18	Better signage explaining what can be recycled	4B Provide support for students' basic daily needs? p16	5a Improve campus physical infrastructure, with a focus on sustainability p18
Filtered water dispensing units in all buildings	Fitness Center	3B Improve and expand educational support programs for all students p13 4B Provide support for students' basic daily needs p16 3F Provide opportunities for student connection. P14	Decrease noise pollution Changing over to electric (battery powered equipment for facilities (no gas blowers) Better utilization of current spaces	5A Improve campus physical infrastructure, with a focus on sustainability p18 5C Increase revenue generation? p18	4B Provide support for students' basic daily needs? P16 5A Improve campus physical infrastructure, with a focus on sustainability p18 4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Make the campus center more inviting	Outside meeting spaces			5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Install light dimmers in classrooms				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Better communication system for student information dissemination				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Gender neutral bathrooms				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Non-student bathrooms				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Centralized student support services				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Private area for drop-in counseling Cluster faculty offices, classrooms, labs, and spaces in like disciplines				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Improved "key" system				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Wayfinding Signage				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Changing tables in bathrooms				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Fountain Hall- make it more centrally service minded				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Make more "Family Friendly"				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
Using child dev on weekends for events				5C Increase revenue generation p18	4A Increase campus safety p14 5A Improve campus physical infrastructure, with a focus on sustainability p18
