

Fall 2021 Professional Development Week August 10-13

Moving Forward Together: Rebuilding and Reimagining Our Community

MOORPARK COLLEGE

Welcome and notes:

On behalf of the Professional Development Committee, welcome to all Moorpark College faculty and staff to our Fall, 2021 Professional Development Week.

This year's event will be a bit different, but we are committed to delivering the same high-level of professional development activities to address a variety of needs for our faculty and staff.

HyFlex Format: The most significant change is all PD sessions Tuesday 8/10 through Thursday 8/12 will be offered in HyFlex format, which is to say that all these sessions will be available simultaneously in-person and on Zoom. The booklet below will include Zoom links for each individual session; there will be no need to sign up individually for sessions. **[Please check <https://www.moorparkcollege.edu/faculty-and-staff/professional-development> for updates]**

Convocation: Please note that Convocation on Friday 8/13 will be held entirely in-person as a celebration of our opportunity to come back together as community. However, in order that we can feel both welcome and safer, this year's Convocation will be held outdoors in our Solar Village area, between the A and B parking lots. Please see the map below for location as indicated by the solar panel icon.

Coming to Campus: Faculty and staff entering the campus will still be required to check in first. As usual, you can use the MyVCCCD app to answer the pre-screening check-in questions and then check in at any of the designed check-in stations around campus. This will include the Convocation event. Please see the map below for station locations as indicated with the heart icon. Please allow for extra time for the check-in process, especially for Convocation since we will have quite a few people going to the same place. For Convocation, please allow up to 20-30 minutes.

Please note as well, in compliance with health guidelines, everyone will be required to wear a facemask while indoors, regardless of vaccination status, unless you are in a private office with the door closed.

Meals: In order to maximize everyone's safety and comfort, all meals will be held outdoors. Breakfasts and lunches Tues-Thurs will be held in the Campus Center Patio area, right outside the cafeteria. Breakfast and lunch for Convocation will be held in the Solar Village.

However, what happens when a student is faced with the decision of paying for expensive software (even with a student discount) or buying groceries? This session will introduce other office productivity suites and demonstrate how to provide alternative pathways for course work that is normally completed using Microsoft Office programs.
