

# Board of Directors

The Moorpark College Foundation Board is a team of volunteer business professionals, alumni, faculty, and college senior leadership that raise funds for scholarships, student basic needs, The Rising Scholars Academy, and other programs where needed.

The Foundation's success is rooted in the commitment, guidance, support, and financial resources provided by each member of the Board. To accomplish its goals supporting students, the Board looks for community leaders like you who feel strongly that preparing the next generation of students for the workforce is a high priority.

It's inspiring to put your mark on an organization, moving it forward, establishing its impact, relevance, and importance in the community and in a changing society. If you are interested in becoming a Board member, please read through the **Moorpark College Foundation Prospectus** ([https://www.moorparkcollege.edu/sites/moorparkcollege/files/media/pdf\\_document/2021/MCF\\_Board\\_Prospectus.pdf](https://www.moorparkcollege.edu/sites/moorparkcollege/files/media/pdf_document/2021/MCF_Board_Prospectus.pdf)) email [mcfoundation@vcccd.edu](mailto:mcfoundation@vcccd.edu) (Mailto:mcfoundation@vcccd.edu) stating your interest ins serving.
