*Recipients of the CARES Act Student Aid Portion and Institutional Aid Portion are required to publicly post certain information on their website for each calendar quarter no later than ten days after the end of each calendar quarter. The quarter ended December 31, 2020 institutional portion report for Moorpark College and Oxnard College and the quarter ended December 31, 2020 student aid portion report for Moorpark College and Oxnard College were made available one day after the tenth and therefore, the United States Department of Education considered these reports late. The external auditors noted a significant deficiency related to this requirement. These four reports were due on January 10, 2020. This date fell on a Sunday and the District made the reports available on Monday, January 11. Subsequent to this report, the District was made aware that the United States Department of Education does not adjust the deadline when the tenth calendar day falls on a weekend. The District has implemented procedures to monitor, review, and communicate changes and updates made by the Department of Education to help ensure compliance with reporting requirements.

Copies of audit reports and related audit communications with the audit firm, Eide Bailly LLP, are available for review in the office of the Vice Chancellor, Business and Administrative Services.

Representatives from Eide Bailly will be present to comment and respond to questions concerning the annual audit.
