AWARDS AND RECOGNITIONS

Excellence in Transfer

Moorpark College is the **#1** community college in California for student completion. Completion in this case means that MC is the top college in the state for helping students set and achieve their educational and career goals. This can come in the form of completing Certificates and Degrees, UC/CSU transfers, attaining good paying jobs in the careers of their choice.

November 19th Campaign for College Opportunity as a 2020 Champion of Higher Education for the 5th consecutive year.

Excellence Acknowledged

Moorpark College is the best community college in California according to **BestColleges.com**.

Moorpark College is the **#1** community college in California for students successful completion of their transfer-level English requirements.

Moorpark College has been identified by the **Aspen Institute** as one of 150 top community colleges in the nation, making us eligible for its prestigious Aspen Prize for Community College Excellence.
