¹ - The Cal State Apply application open October 1st and close November 30th. Students are encouraged to complete this application first, and send their official transcripts to Admissions and Records at CSUN. This application deadline is steadfast and if missed, students would not be able to continue their application for the Collaborative. Students are strongly encouraged to complete all transferrable requirements when they apply and send their transcripts; GE certification would be the most beneficial.

ADN – to - BSN and MSN Partnerships

The Department of Nursing Supplemental Application open October 1st and close January 31st. Students must go to our department website for the link to the Survey Monkey application.
