

# ADMINISTRATION OF JUSTICE, ASSOCIATE IN SCIENCE FOR TRANSFER (AS-T)

## Program Student Learning Outcomes

apply and follow criminal justice system policies and procedures, including but not limited to arrest, search, seizure, investigation, and court and corrections processes.

demonstrate the academic skills necessary to transfer and complete a four year university degree in Criminal Justice and related fields.

## Catalog Description

Includes course requirements and sequencing that reflect program goals.

To earn an AA-T in Administration of Justice, students must:

- Complete 60 semester units that are eligible for transfer to the California State University, including both of the following:
  - Complete the Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth (CSU GE-Breadth) requirements.
  - Complete the required coursework for the Administration of Justice major as listed in the Moorpark College catalog.
- Obtain a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
- Obtain a grade of "C" or better or "P" in all courses required in the major. Even though a "pass-no-pass" is allowed (Title 5 §55063), it is highly recommended that students complete their major courses with a letter grade (A, B, or C).
- Meet the residency requirement. For students in the Ventura County Community College District, a minimum of 12 units must be completed in residence at the college granting the degree.

Students transferring to a CSU campus that accepts the AA-T in Administration of Justice will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor to obtain more information on university admission and transfer requirements.
