

Bouchra Alioua

Director of Student Organizations

What is your major, and what year are you in at MC?

Economics, first year.

What types of questions can students come to ask you about?

Students can come ask me any questions regarding the dozens of clubs and student organizations we have on campus. This can range from starting your own club to communicating any questions, comments, and/or concerns about student clubs/organizations when seeking additional support from the ASMC.

What are you most looking forward to while serving on ASMC?

I'm looking forward to working closely with the ambitious students who seek to further enhance Moorpark College's campus life through our student-led clubs/orgs and offering my support to ensure that these pursuits are as productive as they can be.

What is your favorite place or spot on campus?

My favorite spot on campus is ASMC Way!

What do you love most about MC?

Yet to find out :)

Are you involved in anything at MC?

I'm only an incoming first-year, so hopefully very soon!

Any fun facts or hobbies you would like students to know about you outside of your ASMC involvement?

I love cooking, I find that it comes very naturally which helps when I'm trying to develop and execute my own difficult recipes.
