

EARLY CHILDHOOD EDUCATION, ASSOCIATE IN SCIENCE FOR TRANSFER (AS-T)

Program Requirements: Includes course requirements and sequencing that reflect program goals.

To earn an AS-T in Early Childhood Education, students must complete the following

- Complete 60 semester or 90 quarter units that are eligible for transfer to California State University, including both of the following:
 - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth (CSU GE-Breadth) requirements
 - The required coursework in the Early Childhood Education major as listed in the Moorpark College catalog.
- Obtain a minimum grade point average (GPA) of at least 2.0. While a minimum of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
- Obtain a grade of "C" or better or "P" in all courses required in the major. Even though a "pass-no-pass" is allowed (Title 5 §55063), it is highly recommended that students complete their major courses with a letter grade (A, B, or C).
- Complete requirements in residency. For students in the Ventura County Community College District, a minimum of 12 units must be completed in residence at the college granting the degree.

Students transferring to a CSU campus that accepts the AS-T in Early Childhood Education will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor to obtain more information on university admission and transfer requirements.

Course ID	Title	Units/Hours
Required Courses		
CD M02	Human Development: Infancy through Adolescence	3
CD M03 or CD M03H	Child, Family, and Community Honors: Child, Family, and Community	3
CD M04	Observation and Assessment	2
