

Jaycee Alipio

Vice President

What is your major, and what year are you in at MC?

Electrical/Computer Engineering and currently a sophomore at Moorpark!

What types of questions can students come to ask you about?

My experiences with my engineering projects since I spend a lot of time working on microcontrollers and programming. Questions about math since math is my favorite subject. Help with UC transfers and planning because transferring to colleges is a tedious process.

What are you most looking forward to while serving on ASMC?

Fulfilling a position on the student board as Vice President, making new friends while on the Board, and being more involved with Moorpark College.

What is your favorite place or spot on campus?

The moorpark library, especially the study rooms.

What do you love most about MC?

How diverse the campus and people are.

Are you involved in anything at MC?

Student clubs, such as Engineering Club, SPACE Club, Circle K International (CKI), and Honors Club.

Any fun facts or hobbies you would like students to know about you outside of your ASMC involvement?

1. play video games competitively such as League of Legends or Valorant
2. I used to be part of an Acapella in my high school
3. I practice playing music in my free time
4. I have one of the highest ranks in a competitive Tetris multiplayer game
5. I build engineering projects to focus on my major
