What are you most looking forward to while serving on ASMC?

What I am most looking forward while serving on ASMC, is the ability to be an integral part of Moorpark College's esteemed student body, and assisting our college's students with meeting their academic and extracurricular goals. I am excited to be a member of such a motivated and unified organization, that supports a diverse range of events and activities both on-campus, and off-campus.

What is your favorite place or spot on campus?

My favorite place on campus is the walkway between the Library (LL building) and the Technology & Business building-the view from the top of the hill is always pristine!

What do you love most about MC?

What I love most about Moorpark College is that it helped realize me that I have the capability to succeed as a student, as long as I was willing to make the effort. I also love the diversity, forward thinking, and enthusiasm for academia shared by my classmates.

Are you involved in anything at MC?

Outside of the ASMC, I am currently involved in the Honors Club and the Jewish Club.

Any fun facts or hobbies you would like students to know about you outside of your ASMC involvement?

Some fun facts about me are: I love to spend time at the beach whenever possible-whether that be for surfing, swimming or just hanging out. I also love to play piano and produce music in my free time!
