**Note**: Courses ACE V11 through ACE V43 were developed specifically for the Toyota T-TEN training certification and are therefore unlikely to be comparable to courses offered at the other VCCCD colleges. Auto repair courses offered at another college should **not** be substituted toward fulfillment of certificate or degree requirements in the ACE discipline unless that college also offers a Toyota certified T-TEN program. Only five post-secondary institutions in California offer T-TEN programs: four community colleges (Ventura, Citrus, Cypress, and San Diego Miramar) and one private college (Universal Technical Institute in Rancho Cucamonga).
