STUDENT COMMENCEMENT SPEAKER BIOGRAPHY

This year's student Commencement speaker is Sean Rosskopf. Sean came to Moorpark College from Chaminade College Preparatory High School, where his strong academic performance led to participation in the campus's National Honor Society chapter and the California Scholarship Federation.

As a Political Science major, Sean's focus on service and community engagement continued during his time at Moorpark College. Last spring, he was elected as President of the Associated Student body for the 2023-2024 academic year. As ASMC President, Sean led a team of ten fellow officers as they represented student perspectives and innovated ways to engage classmates in on- and off-campus activities to build community and connections. Sean also led personal projects, including the conversion of an underutilized meeting space into a meditation, prayer, and relaxation space for students, and he served on several faculty and administrator hiring committees.

Sean's involvement in student representation and civic engagement expands beyond Moorpark College. Last summer, he completed a Congressional internship with the U.S. House of Representatives, and he has spent the past nine months working for the Student Senate for California Community Colleges (SSCCC), which represents roughly two million students across 116 CCC campuses. Sean works alongside other student leaders to identify statewide legislative priorities for the SSCCC, analyzes bills related to education to inform and advance policy initiatives, and develops new methods for garnering constituent feedback.

When Sean is not working or preparing to transfer to a four-year institution to complete his Bachelor's degree, he can be found volunteering as a docent at a local community garden, kicking around a soccer ball, or planning his next trip.

CLASS OF 2024 HONORS PROGRAM GRADUATES

The Moorpark College Honors Program provides novel learning experiences for high-achieving students who are committed to excellence. Graduates of the Honors Program complete a minimum of 15 Honors-level classes that involve more depth and rigor in addition to a final project or presentation.

Moorpark College Honors Program graduates wear a gold and blue medallion with a gold ribbon to denote their academic achievement.

MOORPARK COLLEGE MISSION

Moorpark College's student-first philosophy embraces equity, social justice, anti-racism, and intersectionality. We empower learners from local, national, and global backgrounds to achieve their certificate, associate and baccalaureate degree, and transfer and career education goals. Through the integration of innovative instruction and holistic student support, our programs are designed to foster equitable student outcomes. [Mission/Vision/Values link](#)

MOORPARK COLLEGE LAND ACKNOWLEDGMENT

We acknowledge Moorpark College occupies the unceded traditional land of the Chumash people who have stewarded it throughout the generations.

As we honor the Chumash people with gratitude, we commit to learning how we may be better stewards of this land we inhabit as well. We seek to build relationships with the Chumash community through academic pursuits, partnerships, historical recognitions and community service as these relationships are foundational for inclusive and equitable education and community engagement.
