STUDENT COMMENCEMENT SPEAKER BIOGRAPHY

This year's student Commencement speaker is Marianne Viñas-Rogers.

Marianne is a proud U.S. Navy veteran, dedicated student leader, and aspiring physician. Born and raised in the Philippines, she immigrated to the United States at a young age, where she quickly learned the importance of adaptability and resilience—qualities that have defined her personal and academic journey.

After graduating from North Hollywood High School's School for Advanced Studies in 2017, Marianne enlisted in the U.S. Navy. Motivated by a desire to support her family and avoid the financial burden of student debt, she saw military service as a pathway to stability and opportunity. Her time in the Navy shaped her leadership skills, strengthened her discipline, and reinforced her commitment to service.

Following her honorable discharge, Marianne began her academic journey at Moorpark College in 2023, initially majoring in Biology with the intention of pursuing medicine. However, after taking several philosophy courses, she discovered a deep passion for critical thinking and ethical inquiry, leading her to change her major to Philosophy while continuing on the pre-med track.

Marianne's desire to uplift her peers and advocate for student needs led her to run for Vice President of the Associated Students of Moorpark College (ASMC) in Spring 2024. She was elected to the position and later became ASMC President the following spring. In her time as a student leader, she supported a team of ten student government leaders in organizing impactful campus events such as Boo Bash, De-Stress Fest, and Earth Day. She proudly credits the ASMC team for turning ideas into action and creating inclusive, meaningful experiences for students. Marianne also represented student interests through participation in shared governance committees, helping shape institutional policies and campus life.

In Fall 2025, Marianne will transfer to the University of California, Los Angeles (UCLA), where she aims to continue fostering supportive communities while preparing for medical school. Beyond the classroom and leadership roles, Marianne is a devoted wife and mother of two. She enjoys running with her two dogs, playing volleyball, and cherishing quality time with her family.

MOORPARK COLLEGE
FOUNDATION

MOORPARK COLLEGE MISSION

Moorpark College's student-first philosophy embraces equity, social justice, anti-racism, and intersectionality. We empower learners from local, national, and global backgrounds to achieve their certificate, associate and baccalaureate degree, and transfer and career education goals. Through the integration of innovative instruction and holistic student support, our programs are designed to foster equitable student outcomes. [Mission/Vision/Values link](#)

MOORPARK COLLEGE VISION

Moorpark College will transform lives by creating a caring, safe, and equitable environment that fosters a love for learning and encourages the college community to realize their academic and career goals.

MOORPARK COLLEGE VALUE STATEMENT

Moorpark College faculty, staff, and administration value students, above all else, and are committed to making decisions and taking actions in alignment with the following core values:

Excellence: We provide access to an exceptional education and all-encompassing support to enable students to better identify and achieve their educational and career goals. We are committed to continuous improvement to help our college community reach its full potential.

Community: We empower all students to feel included and connected within our college community through civic engagement and local and industry partnerships.

Creativity: We encourage and support new ideas, creative expression, and innovative problem solving.

Integrity: We commit ourselves to act ethically and honestly in all our college and community interactions.

Collegiality: We thrive on an inclusive and respectful caring college culture that engages in civil discourse, celebrates diversity, and is built upon a foundation of shared governance.

Social Justice & Equity: We embrace and value the varied experiences that each member of our community brings to the college and respect the intersecting identity of each individual. We actively work to ensure that all learners can access and participate in a safe, meaningful, engaging, and challenging learning environment.

Anti-racism: We affirm our commitment to recognizing, addressing, and eradicating all forms of institutional and systemic racism and ethnic oppression. We are committed to creating and maintaining an environment of anti-racism and identifying resources and opportunities to advance this work.

MOORPARK COLLEGE LAND ACKNOWLEDGMENT

We acknowledge Moorpark College occupies the unceded traditional land of the Chumash people who have stewarded it throughout the generations.

As we honor the Chumash people with gratitude, we commit to learning how we may be better stewards of this land we inhabit as well. We seek to build relationships with the Chumash community through academic pursuits, partnerships, historical recognitions and community service as these relationships are foundational for inclusive and equitable education and community engagement.
