STUDENT PLANNER

LAND ACKNOWLEDGEMENT

We acknowledge Moorpark College occupies the unceded traditional land of the Chumash people who have stewarded it throughout generations. As we honor the Chumash people with gratitude, we commit to learning how we may be better stewards of this land we inhabit as well. We seek to build relationships with the Chumash community through academic pursuits, partnerships, historical recognitions and community service as these relationships are foundational for inclusive and equitable education and community engagement.

Academic COUNSELING

Planning ahead is critical to scheduling a counseling appointment! Here are some helpful tips regarding the academic counseling office:

Least busy times for the counseling office (aka great times to make appointments):
September, October, February, & March

Appointments are not available during the first two weeks of each term; however, drop-in counseling is available during those weeks (meaning, no appointment needed).

Counseling appointments open up at 8 am each day to book one week in advance. Schedule an appointment with a counselor through the Starfish Connect scheduling System available through your student VCCCD portal. Scan the QR code for instructions on how to schedule an appointment.

We have a textline for the academic counseling office: 805-378-1428. Scan the QR code to view details on textline services available to you! Visit bit.ly/MC_Counseling

NEW FOR FALL 2025

Cal-GETC

New for ALL students starting Fall 2025 planning to transfer to a UC or a CSU:

Cal-GETC is a new general education pattern **launching Fall 2025**. Cal-GETC is for students planning on transferring to a CSU (California State University) or UC (University of California).

The entire purpose of Cal-GETC is to make things easier on you, the student!

Students who complete the full Cal-GETC GE pattern will have met the lower-division general education requirements for the CSU **and** UC.

Upon transfer, students who complete the Cal-GETC requirements will only have to complete upper-division general education & major requirements that the university requires.

Note: Students planning on applying to a UC campus should check with a counselor to determine if Cal-GETC is recommended for their intended UC major.

If you have any questions about Cal-GETC, your class schedule, or future courses you need to take for your chosen program of study, please reach out to the MC Academic Counseling office.

For students who started at MC prior to Fall 2025, check with your counselor to see if CalGETC is an option for you!
