What is your major, and what year are you in at MC?

I'm a 3rd year at Moorpark College studying Communications and Psychology.

What types of questions can students come to ask you about?

Students can come ask me anything club related - how to start a club, what clubs they can join, anything.

What are you most looking forward to while serving on ASMC?

I'm excited to meet new people, not just in ASMC but students and staff on campus. I've gotten to know so many kind and well-rounded friends, so I'm curious about what types of people I will meet this year. I'm also looking forward to planning Club Rush! It's my favorite event.

What is your favorite place or spot on campus?

My favorite spot on campus is definitely the Office of Student Life. It's super cozy and chill in there. It's perfect if you ever need time to wind down and take a break. Plus, you can even spend time in the Zen Den for maximum relaxation.

What do you love most about MC?

I love that Moorpark College offers so many ways to be engaged and get involved on campus. From clubs, working with student services, and being interactive with the many departments (theatre, engineering, forensics, etc). There's something for everyone.

Are you involved in anything at MC?

Besides ASMC, I'm not involved in anything else at the moment. I do plan on being more involved with clubs once my workload dies down.

Any fun facts or hobbies you would like students to know about you outside of your ASMC involvement?

Some fun facts that are important to know about me are that I have a pet bird who can dance and talk, and I like to play video games on my free time.
