What is your major, and what year are you in at MC?

I am a second year at Moorpark, and I major in Art History! I have changed my majors several times, but Art History has always been a passion of mine throughout my life so it's my main reason as to why I am pursuing it.

What types of questions can students come to ask you about?

Students can talk to me about any issues they may be facing, if they are interested in supporting any sort of advocacy work, etc

What are you most looking forward to while serving on ASMC?

I am looking forward to meeting new people and getting to learn about their experiences. Here at Moorpark we are surrounded by so many different people, cultures, etc and it really is amazing getting to meet people from all different walks of life.

What is your favorite place or spot on campus?

My favorite spot I like to chill around is the student garden!

What do you love most about MC?

I love all the opportunities I never thought I would have until being here. My advice for everyone attending Moorpark is to really branch out and see what the school can offer you!

Are you involved in anything at MC?

I am involved with Nature's Finest Club. Come garden with us!

Any fun facts or hobbies you would like students to know about you outside of your ASMC involvement?

I love arts and crafts, I'm always getting into a new medium to work with each month!
