

Eva Ryan-Covarrubias (She/Her) President

As President, Eva serves as the official spokesperson for ASMC and the broader Moorpark College student body, liaising between college and district administration and students. The ASMC President presides over all of the ASMC Board of Directors meetings, preparing the weekly agendas and managing meeting operations. The President is also responsible for all of the executive functions of the Board, carrying out orders, sanctions, and resolutions as effectively as possible.

What is your major, and what year are you in at MC?

I'm a philosophy major currently in my second year of college, returning to school after taking a long break. My academic journey has been anything but traditional, but I am learning a lot, and I have a strong sense of purpose as I dive back into my studies.

What types of questions can students come to ask you about?

Students are always welcome to come to me with any questions, concerns, or ideas. ASMC values student input, and I'm here to listen and help however I can. My official office hours are Tuesdays and Thursdays from 10:00–11:30 a.m., but I spend much time in my office, so you'll often find me there outside of those hours, too. If I don't have the answer, I'll make sure to connect you with someone who does. I'm an open book, so don't hesitate to stop by!

What are you most looking forward to while serving on ASMC?

I'm especially passionate about exercising student voice both on and off campus. As part of my role, I serve on many committees and attend numerous meetings, and it's an honor to represent the perspectives of all students. I don't believe in limiting myself to one "type" of student or a narrow viewpoint—advocacy in its broadest, most inclusive sense is deeply important to me.

What is your favorite place or spot on campus?

The library basement, because it is quiet and I can escape the heat!

What do you love most about MC?

I love being at Moorpark because my voice is truly valued. Whenever I take part in participatory governance, faculty, staff, and administration actively listen and ask for my input. I often receive emails requesting a student representative for committees, seminars, or events, which shows how much the college values student engagement. Moorpark really lives its mission statement, and that kind of integrity continues to inspire me.

Are you involved in anything at MC?

Yes, I am honored to be very involved all over campus. I serve as the student rep for the Board of Trustees meetings (not to be confused with the Student Trustee). I chair the ASMC meetings once a week, and I sit on the MC Scholarship Committee! Outside of my administrative role, I am also the Vice President of the philosophy club! And getting involved across campus is the best way to ensure that you build a community around you of like-minded individuals.

Any fun facts or hobbies you would like students to know about you outside of your ASMC involvement?

I have a jungle of indoor plants at my house, and I love to study amongst them. I especially love hanging plants.
