What is your major, and what year are you in at MC?

I am majoring in International Business, and I am currently in my second year at Moorpark College.

What types of questions can students come to ask you about?

Students can come to me with questions about leadership opportunities, student involvement, and navigating the transition into college life, especially cultural adjustment, since I understand what it feels like to start fresh in a new environment, as I'm originally from the Ivory Coast.

What are you most looking forward to while serving on ASMC?

I'm looking forward to connecting with students, supporting their needs, contributing to meaningful projects that strengthen our campus community, and making sure resources are allocated fairly through the budgeting process.

What is your favorite place or spot on campus?

My favorite place on campus is the library, because it has a gorgeous view and it's the perfect place to focus and recharge.

What do you love most about MC?

I love the welcoming atmosphere and the sense of opportunity here. Moorpark College gives students the chance to grow academically, professionally, and personally.

Are you involved in anything at MC?

Yes, besides my role in ASMC, I am involved in the Black Student Union (BSU), A2MEND, and several committees, including Programming, ICC, and FT-CAP.

Any fun facts or hobbies you would like students to know about you outside of your ASMC involvement?

A fun fact about me is that I play the drums, and I'm entirely self-taught. Music has always been one of my creative outlets, and I'm bilingual in French and English.
