

Articulation Agreement
between
Ventura County Community College District, Moorpark College
and
Pacific Oaks College

This Articulation Agreement ("Agreement") is made and entered into as of this Friday of October 16, 2020 by and between **Pacific Oaks College** ("POC") and Ventura County Community College District, **Moorpark College** ("MC") whereby active MC students shall be permitted to transfer to POC pursuant to the terms and conditions outlined below.

WHEREAS, MC is a regionally accredited community college that offers campus-based and/or online associate degrees, certificate of achievements and proficiency awards through an engaging educational experience that connects students with peers and expert faculty in various programs of study; and

WHEREAS, POC is a regionally accredited college that offers campus-based and online bachelor's degree completion programs in education, human development, community psychology, and advocacy and social change through an engaging educational experience comparable to that of MC, that connects students with peers and expert faculty; and

NOW THEREFORE, in consideration of the promises and of the mutual covenants herein contained, the parties hereto agree as follows:

I. General Provisions of the Agreement

The following terms and conditions outline this Agreement between MC and POC:

- A. Eligibility: All active and returning MC students are eligible to transfer to POC under the terms and conditions of this Agreement, as long as the student meets the qualifying criteria outlined below. "Active MC student" is defined as a student who has been identified as maintaining an active enrollment status, meaning those students who have completed at least one academic course within the past academic year as determined by MC. Returning would be students working to return to MC the nearest term.
- B. Term and Termination: The term of this Agreement shall begin October 16, 2020 and is valid until October 15, 2025. The term of this agreement may be extended only by the written Agreement of both parties. Either party may terminate this Agreement at any time for any reason without penalty or further obligation by giving the other party ninety (90) days written notice; however, both parties understand and agree that any written commitments made to MC transfer students hereunder shall survive termination of this agreement.

- C. Transfer Admission Guarantee: Active MC students who fulfill the criteria listed below (see III. Transfer Student Responsibilities) are guaranteed general admission to POC. All transfer of credit will be based on an individual evaluation of student transcripts, and may vary depending upon program of study and how credits are applied towards degree completion.
- D. Financial Aid: MC students will be encouraged to apply for financial aid designating the school of current attendance as their primary school. Should the student wish to take courses at both institutions simultaneously, the student will be responsible for notifying the Financial Aid Offices at both institutions.
- E. Statement of Non-Discrimination: Each institution warrants that it shall not discriminate against any program applicant or participant on the basis of race, color, national origin, religion, gender, sexual orientation, age, or disability.
- F. Promotion: The Parties consent to the mutual use of the Parties' names and logos in promoting this Agreement, including on each Party's website, social media, public relations, and in other marketing efforts. The Parties also agree to use their best efforts to mutually promote and market this agreement. The Parties agree to promote, advertise, and market the agreement in a manner consistent with which they promote other partnerships on their websites, social media, public relations, and in other marketing efforts. Such efforts shall include the use of: 1) campus images, 2) Parties' logos, 3) an outline of programs offered by POC on MC's website, 4) a description of POC's transfer process for MC students to have their Courses accepted toward a degree or certificate offered by POC and recognized for academic credit on MC's website, 5) links to POC's website, 6) links to POC's social media presence and/or 7) other such items as may be mutually agreed between POC and MC.
- G. FERPA: Both parties abide by and comply with the Federal Education Rights and Privacy Act, as amended (FERPA). Any additional information requested and/or provided by one party to the other under this agreement will be subject to FERPA and all applicable laws and regulations, as per California Education Code, Section 71091, California Education Code, Sections 76200 et seq., Civil Code Section 1798.85, Family Education Rights and Privacy Act (FERPA), Title 5, Sections 54600 et seq. and U.S. Patriot Act.

II. Pacific Oaks College Assurances

- A. Pacific Oaks College Admissions Department shall enter an attribute into a content management system (CMS) so that transfer students are identified as MC students, and therefore eligible for the terms and conditions outlined in this Agreement. POC agrees to appoint one or more individuals as a point-of-contact for all MC transfer students who shall serve as a liaison for admissions consultations, transfer evaluations, student management, and any other information about the transfer process and/or orientation to POC.
- B. Active MC students who transfer to POC will be awarded transfer of credit ("TOC") based on a pre-approved articulation guide, attached as **Appendixes A-H**, as long as they have met all other requirements of POC for transfer credit eligibility. Courses not listed

for transfer of credit in **Appendixes A-H** may be considered on a case-by-case basis upon review of the MC course outline. Courses meeting multiple general education areas may only be applied towards credit in one area.

- C. While only official MC transcripts are required for this general admission assurance, enrollment advisors may request official transcripts from other institutions attended by the student to review for additional TOC for coursework not completed at MC. In this instance, POC will require an official sealed transcript from all third party colleges prior to being accepted to be reviewed for TOC, in addition to MC TOC. No TOC shall be granted for courses where the student earned a grade of less than a "C." Any otherwise ineligible of credit (TOC) is subject to conditional approval by POC's subject matter expert on a case-by-case basis. The evaluation and transfer of earned college credit shall be in full compliance with institutional policies and all other state and Federal education policies pertaining to credit transfer.
- A. Bachelor of Arts students may be eligible for institutional scholarship opportunities at POC. More information on <https://www.pacificoaks.edu/admissions/cost-financial-aid/scholarships-and-grants/institutional-scholarships/>

III. Transfer Student Responsibilities

- A. To qualify for the Agreement, active MC students must submit an application for admission to POC by the published deadlines, and shall be subject to the admission requirements of the specific degree program for which they wish to transfer. Students must maintain GPA and unit requirements through the application year.

1. BACHELOR OF ARTS ADMISSION REQUIREMENTS

Pacific Oaks College is a proud participant of the Associate Degree for Transfer (ADT) pathway. The ADT, also known as the Degree with a Guarantee, is a guaranteed transfer pathway from the California Community Colleges (CCC) to California State Universities (CSU) and the Independent California Colleges & Universities (ICCU) sector. A PCC student, graduating with an Associate in Arts for Transfer or an Associate in Science for Transfer, is guaranteed admission into Pacific Oaks College, at junior standing, to finish their degree.

Bachelor's degree applicants fulfill the admissions requirement by meeting either of the following criteria:

- a. Complete a minimum of 60 transferable semester units, 37 of which must meet the specific General Education requirements detailed within this document (See Appendix A).
 - All transfer coursework must be completed with a grade of "C" or higher from a regionally accredited college or university.

- Credit must be college level and degree applicable
- Credit will be reviewed on a course by course basis
- Quarter Hour credits will be converted to Semester Hours
- Credit for Prior Learning Assessment (i.e.: Challenge Exams, Credit for Life Experience, etc.) awarded by other institutions will not be accepted for transfer

-OR-

- b. Possess a conferred Associate in Arts, Associate in Science (minimum of 60 degree-applicable semester units), Associate in Arts for Transfer, or the Associate in Science for Transfer degree (minimum of 60 transferable semester units) and a GPA of 2.0 or completion of an approved ADT from a regionally accredited institution in a traditional academic area of study (see Appendix B for a list of applicable areas of study).
 - Students with a conferred associate degree as described above satisfy all of the general education requirements for admission to Pacific Oaks College
 - All transfer coursework must be completed with a grade of “C” or higher from a regionally accredited college or university.
 - Quarter Hour credits will be converted to Semester Hours
 - If transfer credit from another institution is used as part of the completed associate degree, an official transcript will need to be sent from the institution(s) where the credit was awarded

2. TOEFL (Test of English as a Foreign Language)

All applicants for whom English is a second language, with the exception of applicants who have an associate’s degree, bachelor’s degree, or 60 transfer credits from a university in which the language of instruction is English, must take the international TOEFL and have the scores sent directly to the Admissions Office. A score of 550 or above on the paper-based exam—or 79 and above on the Internet-based exam—is required for admission. IELTS score of 6.5 or higher is also accepted. Scores may be no more than two years old.

3. RESIDENCY AND UPPER LEVEL TRANSFER CREDIT REQUIREMENTS BY PROGRAM

In addition to the Admission Requirements outlined above, students may be awarded additional transfer credit beyond the 60 semester units required for admission. All potential upper level credit will be reviewed by a subject matter expert to determine eligibility for upper level TOC. The residency requirements and upper level transfer credit policies are listed below by program:

BA Human Development

Students may be awarded up to 87 semester units of transfer credit in the Human Development program. All credit above the 60 semester unit admission requirement must be in the area of study per program. Any degree applicable coursework beyond the 60 needed for admittance to Pacific Oaks may be reviewed for potential transfer credit.

NOTE: Students must meet Residency Requirement.

BA Early Childhood Education (Non-Credential)

Students may be awarded up to 79 semester units of transfer credit in the BA Early Childhood Education Non-Credential program. All credit above the 61 credit admission requirement must be in the area of study per program. Any degree applicable coursework beyond the 60 needed for admittance to Pacific Oaks may be reviewed for potential transfer credit. See Appendix C for courses that will be accepted in substitution for upper level Early Childhood Education courses.

NOTE: Students must meet POC Residency Requirement.

BA Early Childhood Education: Elementary Education (Teacher Credential Program)

No upper level elective credit is awarded in the teaching credential programs for freshman and sophomore level coursework. Pacific Oaks requires all course-to-course transfer credit for 300 and 400 courses be upper division (junior/senior level), therefore no additional credit beyond the 55 units will be awarded from MC.

NOTE: Students must meet POC Residency Requirement.

BA Early Childhood Education: Elementary Education and Special Education (Dual Credential)

No upper level elective credit is awarded in the teaching credential programs for freshman and sophomore level coursework. Pacific Oaks requires all course-to-course transfer credit for 300 and 400 courses be upper division (junior/senior level), therefore no additional credit beyond the 46 units will be awarded from MC.

NOTE: Students must meet POC Residency Requirement.

BA Community Psychology

Students may be awarded up to 87 semester units of transfer credit in the Community Psychology program. All credit above the 60 semester unit admission requirement must be in the area of study per program. Any degree applicable coursework beyond the 60 needed for admittance to Pacific Oaks may be reviewed for potential transfer credit. See core program prerequisites for courses that will be accepted in substitution for upper level Community Psychology courses.

NOTE: Students must meet POC Residency Requirement.

BS Business Administration

Students may be awarded up to 87 semester units of transfer credit in the Business Administration program. All credit above the 60 semester unit admission requirement must be in the area of study per program. Any degree applicable coursework beyond the 60 needed for admittance to Pacific Oaks may be reviewed for potential transfer credit.

NOTE: Students must meet Residency Requirement.

Bachelor of Social Work

Students may be awarded up to 87 semester units of transfer credit in the Social Work program. All credit above the 60 semester unit admission requirement must be in the area of study per program. Any degree applicable coursework beyond the 60 needed for admittance to Pacific Oaks may be reviewed for potential transfer credit.

NOTE: Students must meet Residency Requirement.

- B. All MC students who transfer to POC shall be held to all academic policies as outlined in POC Student Handbook and POC Student Catalog. This includes, but is not limited to, completion of all graduation requirements for degree conferral.

IV. Amendments

The terms of this agreement shall not be waived, altered, modified, supplemented, or amended, in any manner whatsoever, except by written instrument signed by all the parties.

IN WITNESS WHEREOF, the parties have executed this Agreement pursuant to the terms and conditions outlined herein as of the date set forth below

Appendix A: Qualifying Associate Degrees

Pacific Oaks College is a proud participant of the Associate Degree for Transfer (ADT) pathway. The ADT, also known as the Degree with a Guarantee, is a guaranteed transfer pathway from the California Community Colleges (CCC) to California State Universities (CSU) and the Independent California Colleges & Universities (ICCU) sector. A Moorpark College student, graduating with an Associate in Arts for Transfer (AA-T) or an Associate in Science for Transfer (AS-T), is guaranteed admission into Pacific Oaks College, at junior standing, to finish their degree.

An Associate of Arts (AA) or an Associate of Science (AS) degree, with a minimum of 60 semester units from a regionally accredited college in a traditional academic area of study which includes completion of General Education Requirements (including but not limited to IGETC, CSU GE-Breadth and/or Moorpark's GE Requirements) will be accepted as fulfilling the general education requirement for admission to Pacific Oaks College.

All AA-T and AS-T degrees from Moorpark College will be accepted for a minimum of 60 semester units and all general education requirements will be fulfilled for courses completed with a "C" grade or better.

Any AA and AS degree from Moorpark College with completion of IGETC, CSU GE-Breadth, or Moorpark's General Education Pattern, will be accepted for a minimum of 60 semester units and all general education requirements will be fulfilled for courses completed with a "C" grade or better.
