

Moorpark College

Studio Arts, Associate in Arts for Transfer (AA-T)

Program Goals and Objectives

The Associate in Arts degree in Studio Arts for Transfer (AA-T in Studio Arts) adheres to SB 1440 and is created to offer an additional transfer pathway for potential CSU transfer students as it will help students focus on lower division major preparation courses and supports them as they move toward their transfer goal. Students who complete this transfer degree will satisfy lower division general education and major requirements for transfer as Studio Arts, or a major deemed similar, at a CSU campus.

Program Student Learning Outcomes

Upon completion of this program a student will be able to:

- develop strong foundation level art skills in a variety of mediums and techniques.
- demonstrate creative problem-solving, conceptual thinking and critical analysis as learned through direct application and experience.
- demonstrate visual literacy, and an understanding of art both contemporary and historical, across cultures and throughout time.

Catalog Description

The Associate in Arts in Studio Arts Transfer (AA-T) Degree is intended to meet the lower division requirement for Studio Arts majors (or similar majors) at a CSU campus that offers a Studio Arts baccalaureate degree. The degree helps to develop a strong foundation level of art skills in a variety of mediums and techniques. Courses will stimulate conceptual thinking, problem-solving and critical analysis through direct application and experience, as well as foster an understanding of art within history and culture. Students who major in the field of art have a variety of opportunities open to them. Choices include careers in teaching, art criticism, historic preservation, museum/gallery practices, or work as practicing artists in ceramics, painting, sculpture, drawing, or applied art.

The Associate in Arts in Studio Arts for Transfer (AA-T in Studio Arts) is intended for students who plan to transfer and complete a bachelor's degree in Arts, Studio Arts, or a "similar" major at a CSU campus. Each CSU campus determines which of the degrees it offers are "similar" and can be completed with the preparation included in the AA-T in Studio Arts within 60 units once a student transfers, so which majors are "similar" varies from CSU to CSU. For a current list of what majors (and what options or areas of emphasis within that major) have been designated as "similar" to this degree at each CSU campus, please refer to the [CSU's Associate Degree for Transfer Major and Campus Search](#) website and seek guidance from a Moorpark College counselor. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major.

To earn an AA-T in Studio Arts degree, students must:

1. Complete a minimum of 60 semester or 90 quarter units that are eligible for transfer to California State University, including both of the following:
 - a. The California General Education Transfer Curriculum (Cal-GETC) requirements.
 - b. The required coursework for the AA-T in Studio Arts as listed in the Moorpark College catalog.
2. Complete all courses in the major and the Cal-GETC with a grade of “C” or better or “Pass/Credit” if the course is taken on a "pass-no-pass" basis. Even though a “Pass/Credit” grade is allowed, it is highly recommended that students complete their major courses with a letter grade (A, B, or C). **Note:** the UC system allows a maximum of 14 semester (21 quarter) units of courses graded "Pass/Credit" toward the 60 transferable semester units required for transfer admission.
3. Obtain a minimum grade point average (GPA) of 2.0 in all CSU-transferable coursework. While a minimum GPA of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
4. Complete a minimum of 12 semester units within the Ventura County Community College District.

Students transferring to a CSU campus that accepts the AA-T in Studio Arts will be required to complete no more than 60 units after transfer to earn a bachelor’s degree (unless the major is a designated “high-unit” major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor to obtain more information on university admission and transfer requirements.

Course ID	Title	Units/Hours
REQUIRED CORE: Complete the following		12
ART M20	Two-Dimensional Design	3
