**Catalog Year:**

**Date:**

The Cal-GETC may be used to meet the lower division general education requirements for the University of California (UC), California State University (CSU), or to obtain an associate degree at Moorpark College. The Cal-GETC is not recommended for all majors and may not be appropriate for STEM majors. A course must have a minimum unit value of 3 semester or 4 quarter units and must be completed with a grade of "C" or better, Pass/Credit, or a minimum score on the AP/IB exam. A grade of "C-" is not acceptable. Coursework from California Community Colleges (CCC) must be approved for the GE area at the time the course was completed, as noted on assist.org. Non-CCC coursework may be applied if it meets the Cal-GETC standards and criteria. A course may be approved and appear in more than one area; however, it can only be used in one area.

**Full Cal-GETC** requires the completion of ALL Areas (1 – 6). **Partial Certification** is possible if there are no more than two courses missing. The missing course(s) cannot be from Area 1 or 2. Consult assist.org, Moorpark College catalog, and/or counselor for appropriate course placement, credit limitations, and other important information.
