

MOORPARK COLLEGE BOARD OF TRUSTEES REPORT MAY 2025

A SUCCESS STORY IN EVERY MC GRAD

This report celebrates the Moorpark College graduating Class of 2025. Every student who enrolls at Moorpark College has a unique story. The Moorpark College family celebrates our students' achievements, resilience, and the beginning of the next chapter in their journey to success.

Some of our graduates are the first in their family to attend. Some are fulfilling a commitment they made to get a credential so as to secure a better life for self and family. Some may have enrolled not fully believing in their excellence and yet-here they are: **Moorpark College Graduates.**

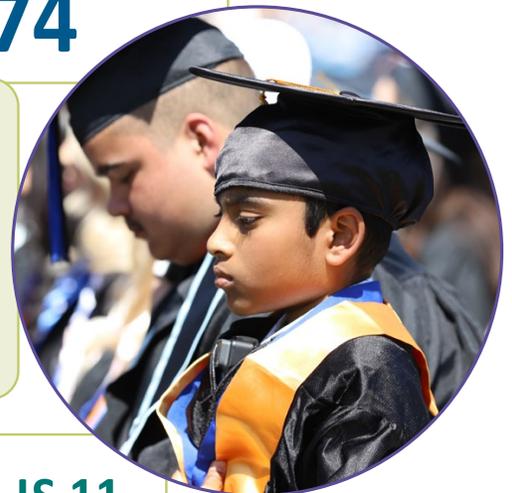

As evidenced in this report, our student body is a living, breathing collage of different backgrounds, dreams, and aspirations, reflecting the beauty of our diverse and ever-evolving community. Among our graduates are students from every walk of life.
