

CPR Requirements

Students' Prerequisite CPR class for RadTech, Nursing & Nuclear Medicine Programs may be met with an American Heart Association BLS CPR-Card, stating BLS Health Care Provider (Expiration period 2 years).

Call (877) 242-4277 or visit the [American Heart Association website](#) to search for classes scheduled in your area. "Blended Learning" classes with a hands-on skills session and testing are acceptable.

Note:

The following classes are NOT acceptable:

- American Red Cross BLS for Healthcare Provider
- CPR for Professional Rescuer
- Community CPR class for Adult, Child, and Infant
