**NOTE:**

1. Additional requirements for the Elementary Teacher Education major vary at each CSU campus. It is highly recommended that counselors at community colleges discuss other possible courses that are part of the major preparation at a local CSU campus and encourage students to take some of these additional courses prior to transfer.
2. This TMC has been designed to meet the introductory content area subject matter requirements for teaching at the elementary school level. Careful consideration was given to identify a specific match to CSU general education requirements for transfer.
3. Due to considerable overlap between the major requirements and general education (GE), this TMC presumes that all courses in the TMC do fill the indicated CSU-GE requirement. If the courses at a given college do not currently fill all the indicated GE requirements, colleges may want to pursue further CSU-GE approval, or a TMC-aligned degree may not be possible within the SB 1440-mandated 60 unit maximum for the total degree.
