

GETTING CALCULUS READY

Starting Fall 2026, Math M24 (4 units) + M24S (2 units)
replaces the traditional 6-unit Precalculus course (Math M07).

CONNECTED LEARNING

This new precalculus course pairing is designed to give you the preparation needed to transition successfully into Calculus I.

Math M24 Calculus I Readiness for STEM + M24S Support for Calculus I Readiness

PRECALCULUS

Everything you need
to excel—built in!

DEDICATED TUTOR SUPPORT
ready to help when you need it

2 HOURS EACH WEEK
of guided practice, activities, and
games that reinforce key ideas

ZERO TEXTBOOK COSTS (ZTC)
Including online lecture videos and notes

MULTIPLE OPPORTUNITIES
to master concepts and
improve understanding

SMALLER CLASS SIZES
that support participation
and collaboration
