

# WHAT'S NEW WITH REGISTRATION?

- **EARLIER REGISTRATION DATES**
- **MULTI-TERM REGISTRATION** — register for summer & fall at the same time
- **WAIT LISTS FOR CLOSED CLASSES FOR FALL**

## LATE REGISTRATION PROGRAM ADJUSTMENT DROP DEADLINES

*Available on WebSTAR and in person.*

Students may register into any open classes without instructor approval until the **open enrollment** deadline. For Summer classes, the deadline is just a few days and is determined by the length of the class.

For semester-length Fall classes, the deadline is August 25. For short-term Fall classes, the deadline is determined by the length of the class.

The **enrollment, refund and drop deadline** for every class offered by Moorpark College can be found on-line at:

[www.moorparkcollege.edu/schedule](http://www.moorparkcollege.edu/schedule)

Click on course reference number to view deadlines.

## REGISTRATION & RECORDS OFFICE HOURS

[www.moorparkcollege.edu/webstar](http://www.moorparkcollege.edu/webstar)

WebSTAR on-line registration is available 24 hours a day including weekends and holidays except during systems maintenance/upgrades.

WALK-IN registration is held in the Records Office, Administration Building

Monday – Thursday	8:00 a.m. – 6:30 p.m.
Friday	8:00 a.m. – 4:00 p.m.
Weekends & Holidays	Closed

# CALENDAR

## REGISTRATION DATES

- April 17 ..... Continuing students on-line registration Summer **AND** Fall
- April 27 ..... New and returning students application deadline for May 1st on-line registration
- May 1 ..... New & Returning students on-line registration Summer **AND** Fall
- May 8 ..... Open on-line registration Summer **AND** Fall
- May 9 ..... Special Admission in-person registration Summer **AND** Fall, 11th & 12th grade only
- May 15 ..... Open in-person Summer registration
- May 22 ..... May registration for Special Admission students, 10th grade and below
- May 24 ..... Registration deadline for May classes
- June 19 ..... June registration for Special Admission students, 10th grade and below
- June 22 ..... Registration deadline for June classes
- August 14 .... Open in-person Fall registration
- August 21 ... Fall registration for Special Admission students, 10th grade and below
- August 25 ... Open enrollment deadline
- Sept. 1 ..... Fall registration ends for semester length classes
- Sept. 5 ..... Fall registration continues for late start classes

## SEMESTER DATES

- May 22 ..... May classes begin
- June 19 ..... June classes begin
- August 19 .... Fall Saturday classes begin
- August 21 .... Fall semester classes begin
- Dec. 14-20 ... Final exams
- Dec. 20 ..... Semester ends

## DEADLINE DATES

- June 29 ..... Deadline to apply for Summer 2006 degree or certificate
- Sept. 1 ..... Deadline to apply for refund/credit for Fall semester classes
- Sept. 15 ..... Deadline to drop Fall class WITHOUT a "W". Semester length only
- Sept. 22 ..... Deadline for Cr/NC grading option. Semester length only
- Nov. 2 ..... Deadline to apply for Fall 2006 degree or certificate
- Nov. 22 ..... Deadline to drop Fall class WITH a "W". Semester length only

## HOLIDAYS - NO CLASSES

- May 29 ..... Memorial Day. Campus closed
- July 4 ..... Independence Day. Campus closed
- Sept. 24 ..... Labor Day. Campus closed
- Nov. 10 ..... Veteran's Day. Campus closed
- Nov. 23-26 ... Thanksgiving. Campus closed

# Students Save Thousands

by beginning a University Degree at

# Moorpark College

**University of California tuition - \$8,000/yr**  
**California State University tuition - \$4,000/yr**

**Moorpark College tuition - \$900/yr**

-  • Moorpark College has transfer guarantees with many UC/CSUs and ranks high for the number of students who transfer there.
-  • UC/CSU studies show that transfer students get better grades than those who enter universities as freshmen.
-  • Community college is a great place for academic exploration, allowing students to select the transfer university that best suits their major.
-  • High School students attend Moorpark College tuition free\* as Special Admission students.

\* The \$26/unit fee is waived for high school students. Once graduated, fee waiver no longer applies.  
 Download Recommendation for Special Admission at [www.moorparkcollege.edu/forms](http://www.moorparkcollege.edu/forms)

## TRANSFER CENTER

Questions about transferring to a university? **WHEN** to start the transfer process?  
**HOW** to fill out the application? The Transfer Center is the place to go when  
 you start considering transfer to a four-year school.

The Transfer Center is located in the Administration Building next to the Counseling Department.  
 Activities and resources available include:

- College catalogs/resources
- Transfer Admission Agreements
- Articulation Agreements
- Individual Appointments with Four Year University Reps
- Campus tours of local universities
- Application Workshops
- Information on the Honors Program
- Individual Counseling Appointments

Contact Candace Peyton  
 378-1551 or [cpeyton@vcccd.net](mailto:cpeyton@vcccd.net).

Hours: M,T,Th,F 9:00 am – 4:00 pm  
 W 9:00 am – 6:45 pm

## STUDY ABROAD

<b>MUS M60T</b>	<b>Masterworks Abroad</b> .....				<b>2.00 Units</b>
54466	06/21/2006	07/04/2006	STEMEN J		ABROAD

**NOTE: CRN 54466:** This is a short term Study Abroad Program consisting of a 13-day Concert Tour to Sweden, Finland, Estonia and Russia. Tour dates are June 21 to July 4. Tour choir music preparation begins mid-April and extends to the bon-voyage concert on June 17. Tour members are welcome to travel as singers or non-singers. Activities include four concerts, guided tours of cultural and historical sites such as cathedrals, palaces, museums, local concerts and festivals. Interested students should contact Professor James Stemen immediately.

# Fall 2006 Learning Options

COURSE#	START DATE	END DATE	INSTRUCTOR	CLASS TIME	CLASS DAYS	LOCATION
---------	------------	----------	------------	------------	------------	----------

## LEARNING COMMUNITIES

### American Connection: Freedom, Dissent, and Equality

This course will explore the creation and development of American society to 1865. Join us as we discover firsthand the voices of American visionaries, rebels, slaves and soldiers. This collaborative course examines American literature and history from our colonial beginnings to the dramatic and passionate struggles of the Civil War. As we study the American past, we will reflect on our own experiences and what it means to be an American today. Please enroll in both the following CRNs:

<b>HIST M07A Social and Political History of the United States</b> .....	<b>3.00 Units</b>
72224 08/21/2006 12/20/2006 BENNION SF 10:00am-11:20am TTh HS-111A	
<b>ENGL M01A English Composition</b> .....	<b>4.00 Units</b>

**PREREQUISITE:** ENGL M02 or completion of the assessment process.

71389 08/21/2006 12/20/2006 GILLIS-SMITH ED 11:30am-01:20pm TTh HS-111A
---

### Journey Through Space and Mind

"Journey Through Space & Mind," combining Philosophy and Astronomy. Have you ever looked at the world around you and wondered what it is and how it works? Have you ever lookin within and wondered who you are and how your mind works?

Investigate inner space and physical space and make connections between the two. Please enroll in both the following CRNs:

<b>PHIL M01 Introduction to Philosophy</b> .....	<b>3.00 Units</b>
72361 08/21/2006 12/20/2006 FONTAINE VF 08:30am-09:50am MW PS-207	
<b>AST M01 An Introduction to Astronomy</b> .....	<b>3.00 Units</b>
71259 08/21/2006 12/20/2006 HARPER CD 10:00am-11:20am MW PS-207	

### Based on The Book

In this film and literature learning community, we will view films and read the novels, short stories, and plays that inspired them. How did Jane Austen's novel Emma become Clueless, and how is Memento different from the short story "Memento Mori"? We'll talk and write about the differences in vision between authors and filmmakers, and how the literary word becomes the cinematographic image. Please enroll in both the following CRNs:

<b>HUM M08 Introduction to Cinema</b> .....	<b>3.00 Units</b>
71861 08/21/2006 12/20/2006 DWYER RJ 06:00pm-09:50pm M FORUM	

<b>ENGL M01B Literature: Critical Thinking and Composition</b> .....	<b>3.00 Units</b>
--	-------------------

**PREREQUISITE:** ENGL M01A or ENGL M01AH

71614 08/21/2006 12/20/2006 SIMS SL 07:00pm-09:50pm W HSS-121

COURSE#	START DATE	END DATE	INSTRUCTOR	CLASS TIME	CLASS DAYS	LOCATION
---------	------------	----------	------------	------------	------------	----------

## ANATOMY

<b>ANAT M01</b>	<b>General Human Anatomy</b> .....					<b>4.00 Units</b>
<i>PREREQUISITE: BIOL M01 or BIOL M02A</i>						
53695	05/22/2006	06/22/2006	SHARGO ES	08:00am-03:20pm	MTWTh	LMC-228
53864	06/26/2006	07/27/2006	SHARGO ES	08:00am-03:20pm	MTWTh	LMC-228

## ANATOMY/PHYSIOLOGY

<b>ANPH M01</b>	<b>Human Anatomy and Physiology</b> .....					<b>5.00 Units</b>
<i>PREREQUISITE: BIOL M01 or BIOL M02A</i>						
54451	05/22/2006	07/25/2006	CORNISH MJ	05:30pm-09:50pm	MTWTh	LMC-228

## ANIMAL SCIENCE

<b>ANSC M60BL</b>	<b>Primate Behavior Lab</b> .....					<b>1.00 Unit</b>
52999	05/25/2006	07/07/2006	WILSON CH	09:00am-12:50pm	ThF	ZOO-1

## ANTHROPOLOGY

<b>ANTH M01</b>	<b>Physical Anthropology</b> .....					<b>3.00 Units</b>
54029	05/22/2006	06/15/2006	FREIER M	08:00am-11:20am	MTWTh	PS-115
52859	06/19/2006	07/25/2006	LIPMAN K	10:30am-12:50pm	MTWTh	PS-222
52858	06/19/2006	07/31/2006	RALEIGH M	06:00pm-09:50pm	MW	PS-115
50791	06/20/2006	08/08/2006	FREIER M	01:00pm-04:20pm	TTh	PS-222
50792	07/03/2006	07/27/2006	ROMANIUK TA	08:00am-11:20am	MTWTh	PS-115

<b>ANTH M01L</b>	<b>Physical Anthropology Lab</b> .....					<b>1.00 Unit</b>
------------------	--	--	--	--	--	------------------

<i>PREREQUISITE: Completion of or concurrent enrollment in ANTH M01</i>						
54024	05/22/2006	06/15/2006	FREIER M	NOON-03:20pm	MTWTh	LMC-219
53188	06/19/2006	07/25/2006	MATTSON P	01:00pm-03:20pm	MTWTh	LMC-219
53691	06/19/2006	08/03/2006	RALEIGH M	06:00pm-09:50pm	TTh	LMC-219
<b>ANTH M02</b>	<b>Cultural Anthropology</b> .....					<b>3.00 Units</b>
51037	06/19/2006	07/25/2006	LIPMAN K	01:00pm-03:20pm	MTWTh	LMC-227
52997	07/03/2006	07/27/2006	ROMANIUK TA	NOON-03:20pm	MTWTh	PS-115
<b>ANTH M03</b>	<b>Archaeology</b> .....					<b>3.00 Units</b>
53818	06/19/2006	07/25/2006	MATTSON P	10:30am-12:50pm	MTWTh	LMC-219
<b>ANTH M04</b>	<b>Chicano Culture</b> .....					<b>3.00 Units</b>
54454	06/19/2006	07/25/2006	STAFF	01:00pm-03:20pm	MTWTh	HSS-239
53912	05/22/2006	06/15/2006	ROMERO-MOTLAGH O	08:00am-11:20am	MTWTh	HSS-203
<b>ANTH M11</b>	<b>The Anthropology of Magic, Witchcraft and Religion</b> .....					<b>3.00 Units</b>
53187	06/19/2006	07/25/2006	MATTSON P	04:00pm-06:20pm	MTWTh	PS-202

## ART

<b>ART M10</b>	<b>Art Appreciation</b> .....					<b>3.00 Units</b>
54299	05/22/2006	06/26/2006	MONEZIS GC	08:00am-10:20am	MTWTh	T-108
<i>NOTE: CRN 54299 IS DESIGNED FOR EOPS ELIGIBLE STUDENTS. SEE AN EOPS COUNSELOR TO REGISTER FOR THIS CLASS.</i>						
54300	06/19/2006	08/07/2006	PHELPS M	06:00pm-09:50pm	TTh	T-108
<b>ART M11</b>	<b>History of Art: Prehistoric through Gothic</b> .....					<b>3.00 Units</b>
54298	06/19/2006	07/25/2006	STAFF	11:00am-01:20pm	MTWTh	T-108
<b>ART M20</b>	<b>2D Design</b> .....					<b>3.00 Units</b>
54301	06/19/2006	07/25/2006	NELL S	08:00am-11:50am	MTWTh	T-119
<b>ART M30</b>	<b>Drawing and Composition I</b> .....					<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: ART M20</i>						
54314	06/19/2006	08/07/2006	SWIGGER GR	08:00am-11:50am	MTWTh	T-105
<b>ART M31</b>	<b>Drawing and Composition II</b> .....					<b>3.00 Units</b>
<i>PREREQUISITE: ART M30</i>						
54315	06/19/2006	08/07/2006	SWIGGER GR	08:00am-11:50am	MTWTh	T-105
<b>ART M70</b>	<b>Beginning Ceramics I</b> .....					<b>3.00 Units</b>
54302	05/22/2006	06/29/2006	SCOTT DJ	08:00am-01:00pm	MTWTh	T-114
<b>ART M71</b>	<b>Beginning Ceramics II</b> .....					<b>3.00 Units</b>
<i>PREREQUISITE: ART M70 RECOMMENDED PREPARATION: ART M77</i>						
54303	05/22/2006	06/29/2006	SCOTT DJ	08:00am-01:00pm	MTWTh	T-114
<b>ART M72</b>	<b>Ceramic Design I</b> .....					<b>3.00 Units</b>
<i>PREREQUISITE: ART M20 and ART M71</i>						
54304	05/22/2006	06/29/2006	SCOTT DJ	08:00am-01:00pm	MTWTh	T-114
<b>ART M73</b>	<b>Ceramic Design II</b> .....					<b>3.00 Units</b>
<i>PREREQUISITE: ART M72 RECOMMENDED PREPARATION: ART M77</i>

51833	06/19/2006	07/25/2006	GRAY JM	6.00 HRS/WK	ARR	HSS-129

NOTE: Class will meet 6/20/2005 at 2:00 p.m. in HSS-129.

## PHYSICAL EDUCATION

### 2006 Fitness Lab Days & Hours of Operation

Orientation & Pre-Testing Days/Times - Mon.-Sat. - 7am, 8:30am, 10am, 11:30am, 1 pm, 4pm, 5:30pm & 7pm.

1. Fitness Lab Orientation (1st week of school)
2. Pre-Testing (2nd week of school)
3. Make-Ups for Orientation & Pre-testing (3rd week of school)

<b>PE M01A Walking for Fitness.....</b>						<b>1.00 Unit</b>
52690	05/22/2006	06/14/2006	KEPHART TA	08:30am-10:50am	MTWTh	G-TRACK
54208	05/22/2006	06/14/2006	KEPHART TA	9.00 HRS/WK	MTWTh	G-TRACK

<b>PE M02A Body Conditioning/Fitness Lab.....</b>						<b>.50 Unit</b>
53628	05/22/2006	06/15/2006	PARKER DM	4.00 HRS/WK	ARR	G-227
52511	06/19/2006	08/05/2006	PARKER DM	2.00 HRS/WK	ARR	G-227

<b>PE M02A Body Conditioning/Fitness Lab.....</b>						<b>1.00 Unit</b>
53627	05/22/2006	06/15/2006	PARKER DM	6.50 HRS/WK	ARR	G-227
53031	05/22/2006	06/14/2006	ROESEL KD	03:30pm-05:50pm	MTWTh	G-227
			BURKHART SM			

NOTE: CRN 53031 does not allow for individual scheduling to meet required lab hours. Emphasis on cardiovascular fitness muscle endurance, and flexibility will be taught in the Fitness lab. The volleyball portion of this section will be taught on the gym floor. This class is newly co-listed with PE M30C CRN 53703 and PE M30D CRN 53705. For additional information, Mr. Burkhart can be reached at sburkhart@vcccd.net.

<b>PE M02A Body Conditioning/Fitness Lab.....</b>						<b>1.50 Units</b>
52510	06/19/2006	08/05/2006	PARKER DM	5.00 HRS/WK	ARR	G-227

For additional information log onto the Fitness Lab web address: [www.moorparkcollege.edu/~fitness/](http://www.moorparkcollege.edu/~fitness/). See page 124

<b>PE M02B Body Conditioning/Free Weights.....</b>						<b>1.00 Unit</b>

## ASTRONOMY

<b>AST M01</b>	<b>An Introduction to Astronomy.....</b>					<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: MATH M01 or equivalent college course, or high school equivalent.</i>						
71871	08/21/2006	12/20/2006	WALLINGFORD R	08:30am-09:50am	MW	PA-149
71259	08/21/2006	12/20/2006	HARPER CD	10:00am-11:20am	MW	PS-207
<i>NOTE: CRN 71259 is part of the Learning Community "Journey Through Space &amp; Mind," combining Philosophy and Astronomy. Have you ever looked at the world around you and wondered what it is and how it works? Have you ever looked within and wondered who you are and how your mind works? Investigate inner space and physical space and make connections between the two. Students must enroll in both AST M01, CRN 71259 and PHIL M01, CRN 72361.</i>						
71866	08/21/2006	12/20/2006	HARPER CD	08:30am-09:50am	TTh	PA-149
71135	08/21/2006	12/20/2006	BECHT B	3.00 HRS/WK	ARR	Internet
<i>NOTE: CRN 71135 is an online class. To take this class you must have access to a computer and be comfortable using it. You must also have basic skills in word processing, email, and in navigating the Internet. Contact the instructor before the class starts at profbecht@hotmail.com for additional information and instructions.</i>

## COUNSELING

### COUN M60C Self-Paced Career Assessment ..... .50 Unit

71949	08/21/2006	12/20/2006	STAFF	.50 HRS/WK	ARR	TBA
-------	------------	------------	-------	------------	-----	-----

Note: CRN 71949 You may register until 9/11/06. You are required to attend an Orientation on 8/29/06 or 9/12/06 from 1:00-2:50 p.m. You must also attend the debriefing meeting on 11/21/06 or 12/5/06 from 1:00-2:50 p.m.

### COUN M60D Self-Paced Career Research ..... .50 Unit

RECOMMENDED PREPARATION: COUN M60C

71965	08/21/2006	12/20/2006	STAFF	.50 HRS/WK	ARR	TBA
-------	------------	------------	-------	------------	-----	-----

NOTE: CRN 71965 You may register until 9/11/06. You are required to attend an orientation on 8/30/06 or 9/6/06 from 1:00-2:50 p.m. You must also attend the debriefing meeting on 11/22/06 or 11/29/06.

## CRIMINAL JUSTICE

### CJ M01 Introduction to Criminal Justice ..... 3.00 Units

76796	08/21/2006	12/20/2006	HARRINGTON G	08:00am-09:20am	MW	AA-109
70762	08/21/2006	12/20/2006	HARRINGTON G	11:30am-12:50pm	TTh	AA-109
70054	08/21/2006	12/20/2006	MULVILLE LM	3.00 HRS/WK	S	Internet

NOTE: CRN 70054 is an online course taken via the Internet and a personal computer. The Moorpark College Open Access Computer Lab is available to students who need access to a computer and the Internet. To take this course, you must be comfortable using a computer, have basic word processing, email and Internet navigation skills, and be familiar with discussion rooms. Go online at [www.moorparkcollege.edu](http://www.moorparkcollege.edu). Click "online courses" from the pull down menu for more information. The Orientation will be conducted on campus, Saturday, 8/26/06, 10 am - 11:50 am in Rm. T-118. Although this is an online course, in addition to the Orientation, there is a requirement that students attend four hours of court observation at their own scheduling. For additional information, contact the instructor at [lmulville@vcccd.net](mailto:lmulville@vcccd.net).

**NOTE:** CRN 71389 is part of the Learning Community AMERICAN CONNECTION: Freedom, Dissent, and Equality. This course will explore the creation and development of American society to 1865. Join us as we discover firsthand the voices of American visionaries, rebels, slaves and soldiers. This collaborative course examines American literature and history from our colonial beginnings to the dramatic and passionate struggles of the Civil War. As we study the American past, we will reflect on our own experiences and what it means to be an American today. Students MUST enroll in both English M01A (CRN 71389) and History M07A (CRN 72224).

<b>NOTE: CRN 71614 BASED ON THE BOOK. In this film and literature learning community, we will view films and read the novels, short stories, and plays that inspired them. How did Jane Austen's novel Emma become Clueless, and how is Memento different from the short story "Memento Mori"? We'll talk and write about the differences in vision between authors and filmmakers, and how the literary word becomes the cinematographic image. Students must enroll in BOTH English M01B (CRN 71614) and Humanities M08 (CRN 71861).</b>

*NOTE: CRN 72224 is part of the Learning Community AMERICAN CONNECTION: Freedom, Dissent, and Equality. This course will explore the creation and development of American society to 1865. Join us as we discover firsthand the voices of American visionaries, rebels, slaves and soldiers. This collaborative course examines American literature and history from our colonial beginnings to the dramatic and passionate struggles of the Civil War. As we study the American past, we will reflect on our own experiences and what it means to be an American today. Students MUST enroll in both History M07A (CRN 72224) and English M01A (CRN 71389).*

<i>NOTE: CRN 7161 BASED ON THE BOOK. In this film and literature learning community, we will view films and read the novels, short stories, and plays that inspired them: how did Jane Austen's novel Emma become Clueless, and how is Memento different from the short story "Memento Mori"? We'll talk and write about the differences in vision between authors and filmmakers, and how the literary word becomes the cinematographic image. Students must enroll in BOTH English M01B (CRN 71614) and Humanities M08 (CRN 71861).</i>

## PREREQUISITES, COREQUISITES & OTHER CONDITIONS

Prerequisites for Mathematics and English will be enforced prior to registration. Students who have completed courses at another college or at the high school level that could be equivalent to the prerequisites needed to register for courses at Moorpark College should have official transcripts sent to the Counseling Office to expedite the review process. Students may also hand carry official (unopened) transcripts to the Counseling Office prior to registration. Transcripts must be reviewed by a counselor to verify college course equivalencies and to determine how high school courses meet the stated prerequisites. Additional documentation may also be required such as a course outline of a previously completed course. After review by a counselor a Prerequisite for Course Equivalency Form can be completed and signed and submitted to the Admissions and Records Office at the time of registration for the desired course. Students who believe they have met the prerequisite in ways other than through completing an equivalent course may file a Petition to Challenge. The petition outlines the specific reasons students may give for challenging a prerequisite or corequisite. Petition to Challenge forms and instructions are available from a counselor in the Administration Building.

### IMPORTANT DEFINITIONS

**PREREQUISITE:** Courses that must be completed with a grade of "C" or better prior to registration in a specific course.

**COREQUISITE:** A course a student is required to take simultaneously in order to enroll in another specific course.

**RECOMMENDED PREPARATION:** Courses that should be completed prior to or in conjunction with a specific course.

**CONDITIONS FOR ENROLLMENT:** Other restrictions such as "Proof of negative TB clearance" (Child Development Course).

# MOORPARK COLLEGE

## COURSE DESCRIPTIONS

### ANATOMY

**ANAT M01 General Human Anatomy** \_\_\_\_\_ **4.00 Units**

*PREREQUISITE: BIOL M01 or BIOL M02A*

Examines the anatomy of human organs and organ systems from a functional perspective that focuses on an understanding of the design of the human body. In laboratory students learn to distinguish tissue types through histological specimens, and study the three-dimensional relationship of body structures through required non-human mammalian dissection. Demonstrations on human cadavers will afford students a working knowledge of the gross anatomy of the human body. Applies to Associate Degree. Transfer credit: CSU; UC (ANAT M01 combined with ANPH M01/L: maximum credit, one course)

### ANATOMY/PHYSIOLOGY

**ANPH M01 Human Anatomy and Physiology** \_\_\_\_\_ **5.00 Units**

*PREREQUISITE: BIOL M01 or BIOL M02A*

Introduces the structures and the relationships of human body parts and explores how the functioning of the parts is related to their structure. The combined study of anatomy and physiology allows students to effectively integrate the study of structure with functioning of the system. The themes of hierarchal structural organization and maintenance of homeostasis form the framework for the study of the human system at both macroscopic and microscopic levels. In laboratory, students will examine the structure/function relationship through the required dissection of a cat. A human cadaver will be used to demonstrate the principles in the human body. A variety of instruments and techniques will be introduced to assess functioning in the living body. The emphasis in both lecture and lab is on student understanding of systems integration and co-dependence. Applies to Associate Degree. Transfer credit: CSU; UC maximum credit allowed one course if combined with ANAT M01 or PHSO M01. IGETC AREA 5B

### ANIMAL SCIENCE

**ANSC M02 Animal Health and Safety** \_\_\_\_\_ **2.00 Units**

Introduces the health and safety issues associated with keeping animals in captivity. Presents the essentials of a preventative medicine program, emphasizing procedures for proper hygiene, quarantine, vaccinations, and safety. Addresses the safety of the animal keeper/handler with a consideration of zoonosis. Formerly EATM M02. Applies to Associate Degree.

**ANSC M04 Animal Behavior** \_\_\_\_\_ **3.00 Units**

Introduces the study of animal behavior, emphasizing learning theory. Focuses on classical and operant conditioning. Applies concepts of ethology and behavior modification to the maintenance and training of animals in captivity. (Same course as PSY M12.) Formerly EATM M04. Applies to Associate Degree. Transfer credit: CSU.

**ANSC M04L Animal Behavior Lab** \_\_\_\_\_ **.50 Unit**

*COREQUISITE: ANSC M04 or PSY M12*

This course consists of laboratory activities giving the student opportunities to develop skills in behavior modification and observational research. Each student will be required to train a rat and conduct an observational research project on captive animals.

**ANSC M06 Animal Anatomy/Physiology** \_\_\_\_\_ **3.00 Units**

An introduction to the science of veterinary medicine as it applies to mammals, birds and reptiles. The course presents a practical system-by-system approach to the basic structure (anatomy) and function (physiology) of the previously mentioned groups. Formerly EATM M06. Applies to Associate Degree. Transfer credit: CSU.

**ANSC M07 Animal Diversity** \_\_\_\_\_ **3.00 Units**

*COREQUISITE: ANSC M07L*

Introduces survey of invertebrate and vertebrate animals, both terrestrial and marine. Includes classification, general characteristics, adaptations, animal recognition, evolutionary history, and basic concepts of ecology and conversation. Formerly EATM M01. Applies to Association Degree. Transfer credit: CSU.

**ANSC M07L Animal Diversity Lab** \_\_\_\_\_ **.50 Unit**

*COREQUISITE: ANSC M07*

This introductory laboratory course surveys the invertebrate and vertebrate animals, both terrestrial and marine. The focus will be on animal recognition, general characteristics and behavior through animal observations. Observations will be made of live animals in America's Teaching Zoo, as well as on video. Additional species will be presented in photographic slides.

**ANSC M08 Wildlife Conservation** \_\_\_\_\_ **3.00 Units**

This course is designed to assist students in developing awareness, knowledge, skills, and commitment that will result in informed decisions, responsible behavior and constructive actions concerning wildlife and the environment. Topics will include awareness and appreciation of wildlife, human values and wildlife, wildlife conservation, cultural and social interaction with wildlife, wildlife issues and responsible human actions. (Formerly EATM M07). Applies to Associate Degree.

**ANSC M60A Avian & Reptilian Care** \_\_\_\_\_ **1.00 Unit**

*RECOMMENDED PREPARATION: ZOO M01 or BIOL M01*

Introduces systematic approach to the anatomy, physiology, husbandry, and veterinary first aid care of avian and reptilian species. May be taken one (1) time for credit. Formerly EATM M24. Applies to Associate Degree. Transfer Credit: determined by transfer institution.

**ANSC M60BL Primate Behavior Lab** \_\_\_\_\_ **1.00 Unit**

Observation and analysis of primate behavior at America's Teaching Zoo. Activities include the application and evaluation of operant conditioning and environmental enrichment techniques specific to primates. Applies to Associate Degree.

### ANTHROPOLOGY

**ANTH M01 Biological Anthropology** \_\_\_\_\_ **3.00 Units**

Introduces the scientific method as used in the study of humans as biological organisms. Focuses on human evolution and diversity, including genetics, evolution, primatology, paleoanthropology, human variation, and biocultural adaptation. Students completing this course will understand how humans relate to other living organisms, and how the tools of science are used to reconstruct the past history of our species. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ANTH 2. IGETC AREA 5B

**ANTH M01L Physical Anthropology Lab** \_\_\_\_\_ **1.00 Unit**

*PREREQUISITE: Completion of or concurrent enrollment in ANTH M01*

Provides hands-on understanding of principles of evolution and genetics. Covers comparative vertebrate anatomy, modern and fossil hominids, primatology, variation in modern human populations, medical genetics and adaptability. Introduces molecular biological methods. Applies to Associate Degree. Transfer credit: CSU, UC. IGETC AREA 5B

**ANTH M02 Cultural Anthropology 3.00 Units**

Focuses on basic concepts and methods for analyzing cultural systems, illustrated with examples drawn largely from non-Western societies. Emphasis will be on the structure and evolution of human behavior in all major aspects of culture. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ANTH 4. IGETC AREA 4

**ANTH M03 Archaeology 3.00 Units**

Introduces the history and goals of archaeology, emphasizing methods of interpreting and dating the prehistoric past through the rise of complex societies as seen both in the New World and in Ventura County. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ANTH 6. IGETC AREA 4

**ANTH M04 Chicano Culture 3.00 Units**

Focuses on the social and cultural heritage of the Middle American Chicano civilizations from the Spanish conquest to the present, emphasizing contributions in the fine arts, literature, and oral history. (Same course as CHST M02.) Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**ANTH M05 Archaeological Field Methods 3.00 Units****PREREQUISITE: ANTH M03**

This is a course in practical hands-on archaeology that is intended for students who desire to extend their existing knowledge of archaeological inquiry. The emphasis of this course will be on actual site excavation and primary sorting of artifactual materials. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC (maximum credit: one course)

**ANTH M07 Peoples and Cultures of the World 3.00 Units**

Considers the differences between and the commonalities among several human sociocultural groups. A variety of theoretical orientations and topical foci will be utilized. Case studies of individual cultures will be used to discuss these cultures and understand ethnographic methodologies, while comparison of these cultures will provide an introduction to the cross-cultural perspective. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**ANTH M11 The Anthropology of Magic, Witchcraft and Religion 3.00 Units**

Provides an introduction to human belief systems around the world and the manners in which anthropology investigates these. Topics include functions and structures of religions, cross-cultural classification of religions, shamanism, religious change, and religious systems in global perspective. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**ANTH M60K Mysteries of the Ancient Maya 3.00 Units**

Introduction for majors and non-majors to the world of the Ancient Maya. We will explore Maya origins, agriculture, art, religion, hieroglyphic writing, material culture, and the history of archaeology in the area. The unexplained collapse of the civilization will be highlighted. Woven throughout the course are the possibilities of what the Ancient Maya collapse may mean to our own society. Applies to Associate Degree. Transfer credit: CSU, UC (pending).

**ART****ART M10 Art Appreciation 3.00 Units**

A study of the major principles and techniques used to create visual art objects in diverse media, this course helps students to develop informed perceptions and evaluations of works of art and to understand them in their historical and cultural contexts. (Formerly ART M02). Applies to Associate Degree. Transfer credit: CSU, UC. IGETC AREA 3A.

**ART M11 History of Art: Prehistoric through Gothic 3.00 Units**

The history of art from prehistoric times through the middle ages, ranging from ancient to Gothic art, with an emphasis on the western world. Examines key styles and movements in art history and introduces techniques for producing art. This course is required for art majors. (Formerly ART M01A). Applies to Associate Degree. Transfer credit: CSU, UC. CAN: ART 2; Art Seq. A(ART M11 + ART M12). IGETC AREA 3A.

**ART M12 History of Art: Renaissance through Modern 3.00 Units**

The history of art from the early Renaissance to modern times with an emphasis on the Western world. Continues to examine key figures and movements in art history and to introduce new techniques of producing art. This course is required for art majors. (Formerly ART M01B) Applies to Associate Degree. Transfer credit: CSU, UC. CAN: ART 4. Art Seq. A (ART M11 + ART M12). IGETC AREA 3A.

**ART M13 History of Art: Modern through Contemporary 3.00 Units**

Investigates the theory and practice of the visual arts from about 1850 to the present by examining the various movements and how they reflect social and technological changes in the modern era. (Formerly ART M01C)

**ART M20 2D Design 3.00 Units**

Provides background in the use of design principles, color theory and its practical applications through specific weekly projects in line, shape, texture, form and the principles of abstraction. (Formerly ART M04A) Applies to Associate Degree. Transfer credit: CSU, UC. CAN: ART 14.

**ART M23 3D Design 3.00 Units****PREREQUISITE: ART M20**

Explores 3D design through the application of 2D design principles, emphasizing the creation of form via interaction with various materials, techniques and construction methods. Field trips will be required. (Formerly ART M04B). Applies to Associate Degree. Transfer credit: CSU, UC. CAN: ART 16

**ART M30 Drawing and Composition I 3.00 Units****RECOMMENDED PREPARATION: ART M20**

Stresses graphic representation of objects through a variety of media and techniques, emphasizing pictorial composition, depth perception, perspective and rendering. (Formerly ART M12A) Applies to Associate Degree. Transfer credit: CSU, UC. CAN: ART 8.

**ART M31 Drawing and Composition II 3.00 Units****PREREQUISITE: ART M30**

Expands exploration of pen and ink and watercolor washes through a study of illustrative drawing, analytic abstraction concepts and advanced problems in rendering. (Formerly ART M12B) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M32 Beginning Life Drawing I 3.00 Units****PREREQUISITE: ART M30**

Draws the human figure from live models. Emphasizes structure, proportion, form and composition through an introduction of linear and tonal concepts. Different media will be explored, including charcoal, conte crayon, pencil, pen and ink. (Formerly ART M13A) Applies to Associate Degree. Transfer credit: CSU, UC. CAN: ART 24

**ART M33 Beginning Life Drawing II 3.00 Units****PREREQUISITE: ART M32**

Expands drawing the human figure from a live model. Emphasizes freedom of expression as well as structure, proportion, form and composition. (Formerly ART M13B) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M34      Advanced Life Drawing I      3.00 Units***PREREQUISITE: ART M33*

Further expands the human figure, beginning with a skeletal structure. Uses many media; emphasizing structure, proportion, form and composition; and continues practice of linear and tonal concepts. (Formerly ART M13C). Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M35      Advanced Life Drawing II      3.00 Units***PREREQUISITE: ART M34*

Further expands the human figure and skeletal structure. Uses many media; emphasizing structure, proportion, form and composition; and increasing practices of linear and tonal concepts. (Formerly ART M13D). Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M40      Beginning Illustration      3.00 Units***PREREQUISITE: ART M30 or concurrent enrollment*

Introduces pen and ink, watercolor, collage, and colored pencil techniques as principle means of self-expression. Analyzes topical themes and individual story lines as potential subject matter for weekly drawings. (Same course as GR M40). Transfer credit: CSU.

**ART M41      Intermediate Illustration      3.00 Units***PREREQUISITE: ART M40 or GR M40*

Introduces advanced studies in pen and ink, watercolor washes and mixed media, exploring individual style appropriate to magazine, newspaper and book illustration. (Same course as GR M41). Transfer credit: CSU.

**ART M42      Advanced Illustration      3.00 Units***PREREQUISITE: ART M41 or GR M41*

Emphasizes development of individual style through advanced illustration techniques. Requires Individual projects. (Same course as GR M42). May be taken a maximum of two (2) times for credit. Transfer credit: CSU.

**ART M43      Beginning Painting I      3.00 Units***PREREQUISITE: ART M30 or ART M20*

Introduces the nature of structural and expressive values in contemporary painting, emphasizing form, control or pictorial order, and the uses of color and light as fundamental skills necessary to mastery of basic painting techniques. (Formerly ART M16A). Applies to Associate Degree. Transfer credit: CSU, UC. CAN: ART 10.

**ART M44      Beginning Painting II      3.00 Units***PREREQUISITE: ART M43*

Continues the developments of fundamental painting skills and concepts. Emphasizing technical competence and individual concepts using both traditional and modern materials. (Formerly ART M16B). Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M45      Advanced Painting I      3.00 Units***PREREQUISITE: ART M44*

One-on-one student/teacher relationship explores advanced painting concepts and techniques. Encourages personal and unique self-expression through experimentation with and interpretation of subject matter. (Formerly ART M16C). Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M46      Advanced Painting II      3.00 Units***PREREQUISITE: ART M45*

Allows more advanced work with painting concepts and techniques aimed at developing more extensive self-expression. (Formerly ART M16D) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M47      Landscape Painting      3.00 Units***PREREQUISITE: ART M20 or ART M30*

Introduces painting skills and concepts applicable to landscape (both indoor and outdoor). Focuses on painting nature out of doors in various mediums, such as acrylics, oils, watercolor, and pastels. (Formerly ART M17A) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M48      Landscape Painting II      3.00 Units***PREREQUISITE: ART M47*

Expands the skills and concepts of painting applicable to landscape, emphasizing a more personal, creative approach. (Formerly ART M17B) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M49      Water Color I      3.00 Units***PREREQUISITE: ART M20 or ART M30*

Introduces a thorough understanding of the watercolor media, building from simple exercises to more complex problems solved in personal and creative ways. (Formerly ART M18A) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M50      Water Color II      3.00 Units***PREREQUISITE: ART M49*

Offers advanced watercolor techniques, encouraging the use of the multiple images in both landscapes and still life. (Formerly ART M18B) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M70      Beginning Ceramics I      3.00 Units**

Introduces the potter's wheel and provides practice in elementary clay construction methods as well as glazing and firing techniques.

Teaches basic ceramic design concepts, form, color, texture, decoration and craftsmanship. (Formerly ART M08A) Applies to Associate Degree. Transfer credit: CSU, UC. CAN: ART 6

**ART M71      Beginning Ceramics II      3.00 Units***PREREQUISITE: ART M70 RECOMMENDED PREPARATION: ART M77*

Practices the techniques of elementary clay construction through exploration of sculptural forms and the development of glazes, decoration and firing methods. (Formerly ART M08B) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M72      Ceramic Design I      3.00 Units***PREREQUISITE: ART M20 and ART M71*

Explores clay bodies, glaze materials and calculations, and firing techniques through independent projects. Develops individual growth and creative expression. (Formerly ART M09A) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M73      Ceramic Design II      3.00 Units***PREREQUISITE: ART M72 RECOMMENDED PREPARATION: ART M77*

Offers in-depth study of ceramics through independent projects designed to enhance artistic mastery. (Formerly ART M09B) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M77      Beginning Sculpture I      3.00 Units***RECOMMENDED PREPARATION: Any ceramics course*

Develop awareness for historical and contemporary concerns regarding three-dimensional design concepts. Encourages personal expression through materials such as paper, cardboard, plaster, wood, wire, and clay. (Formerly ART M19A) Applies to Associate Degree. Transfer credit: CSU, UC. CAN: ART 12

**ART M78 Beginning Sculpture II** \_\_\_\_\_ **3.00 Units**

Expand technical and conceptual skills while developing self-expression and personal style in sculpture. Emphasis on discovering the medium that best relates to individual expression. May be taken twice for credit. Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M90 Beginning Printmaking I** \_\_\_\_\_ **3.00 Units**

**PREREQUISITE:** ART M20

Introduces print making media, including intaglio (etching, engraving, etc.) but emphasizing relief, collograph and embossed print. (Formerly ART M15A) Applies to Associate Degree. Transfer credit: CSU, UC. CAN: ART 20

**ART M91 Beginning Printmaking II** \_\_\_\_\_ **3.00 Units**

**PREREQUISITE:** ART M90

Fully explores intaglio techniques, including line etching, aquatint, sugar lift and experimental techniques. (Formerly ART M15B) Applies to Associate Degree. Transfer credit: CSU, UC.

**ART M92 Advanced Printmaking I** \_\_\_\_\_ **3.00 Units**

Course description not available.

**ART M93 Advanced Printmaking II** \_\_\_\_\_ **3.00 Units**

Course description not available.

**ART M96 Airbrush Techniques I** \_\_\_\_\_ **3.00 Units**

This basic course covers the use of the airbrush including the basics of illustration and photo retouching for advertising, commercial and industrial applications. Emphasis is placed upon masking, paints, tip selections, air controls and care and preventative maintenance of equipment. (Same course as GR M50.) May be taken three (3) times for credit. Does not apply to Associate Degree.

**ART M98 Silk Screen Serigraph I** \_\_\_\_\_ **2.00 Units**

Introduces screen printing and its artistic and commercial application. Includes preparation of various screen printing stencil methods, preparation and care of screens, and use of transparent and opaque inks. (Formerly ART M14A) Applies to Associate Degree. Transfer credit: CSU

**ART M99 Silk Screen Serigraph II** \_\_\_\_\_ **2.00 Units**

**PREREQUISITE:** ART M98

Introduces advanced techniques for utilizing photo screen-printing singly or in combination with other stencil methods. Includes instruction and practice of the process camera and its application to screen-printing; basic line photography and contact printing; and single and multi-color printing and posterization techniques. Explores special printing on various surfaces. (Formerly ART M15B) Applies to Associate Degree. Transfer credit: CSU.

## ASTRONOMY

**AST M01 An Introduction to Astronomy** \_\_\_\_\_ **3.00 Units**

**RECOMMENDED PREPARATION:** MATH M01 or equivalent college course, or high school equivalent.

Surveys the origins, history, and accomplishments of the science of astronomy. Covers observational astronomy, light, telescopes, the solar system, stars, galaxies, and cosmology. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

**AST M01L An Introduction to Astronomy Laboratory** \_\_\_\_\_ **1.00 Unit**

**PREREQUISITE:** Completion of or concurrent enrollment in AST M01 or AST M02

Reinforces principles and techniques of astronomy through hands-on experience with telescopes, star charts, and other common devices used to observe and measure the moon, the planets, and the stars. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

**AST M02 Our Solar System: The Next Frontier** \_\_\_\_\_ **3.00 Units**

Introduces both observational and historical Astronomy, reviewing the planets, satellites, asteroids, comets, and the sun. Discusses the laws of motion and gravitation, especially in connection with space travel - past, present and future. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

## BIOLOGY

**BIOL M01 Introduction to Biology** \_\_\_\_\_ **4.00 Units**

Introduces non-majors to science and scientific methodology through a study of the basic principles of biology. Course focuses on student understanding of the unity and diversity of life through discussions of topics that include biological chemistry, metabolism, cell biology, molecular biology, genetics, evolution of living systems, and ecology. Woven throughout the course are the implications of the science of biology on human affairs. Majors in biology, health science (pre-nursing), or related areas enroll in BIOL M02A. Applies to Associate Degree. Transfer credit: CSU; UC (no credit if taken after BIOL M02A) IGETC AREA 5B

**BIOL M02A General Biology I** \_\_\_\_\_ **5.00 Units**

**PREREQUISITE:** MATH M03 or equivalent, and CHEM M12 or equivalent

First semester of general biology for majors. Introduces students to major biological themes and principles that are fundamental to an understanding of life processes in any field of biology today. Topics covered include the scientific process, biological chemistry, cellular biology, metabolism, life cycles, genetics, molecular biology, DNA technology, developmental genetics, and evolutionary processes. Students completing this course are prepared for the more advanced courses offered by the department. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: BIOL 2, CAN: BIOL SEQ A (BIOL M2A & M2B) . IGETC AREA 5B

**BIOL M02B General Biology II** \_\_\_\_\_ **5.00 Units**

**PREREQUISITE:** BIOL M02A

Second semester of general biology for majors. This course covers the diversity and functioning of living systems. Topics covered include origins of life, biological diversity, animal form and function, and ecology. Students completing this course will have an appreciation of the broad diversity of life forms on the planet, a basic understanding of physiological processes in animals, and an introduction to how organisms interact with their environment and each other in ecosystems. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: BIOL SEQ A (BIOL M2A + M2B) . IGETC AREA 5B

**BIOL M02C Genetics and Molecular Biology** \_\_\_\_\_ **5.00 Units**

**PREREQUISITE:** BIOL M02A and CHEM M07A (chem may be taken concurrently)

An extension of the genetics, molecular and cell biology introduced in BIOL M02A. Inheritance and macromolecular functioning are the focus of the course. Course emphasizes data analysis and problem-solving skills. Topics include analysis of inheritance patterns, structure and expression of DNA in viruses, bacteria, and eukaryotes, regulation of gene expression, RNA and protein functioning , and examination of current DNA analysis technologies and their applications. Applies to Associate Degree. Transfer credit: CSU; UC.

**BIOL M03 Marine Life and Its Environment** \_\_\_\_\_ **3.00 Units**

Introduces the basic principles of oceanography and marine biology. An examination of marine life includes: the microbial bacteria, algae and protozoans, and macroscopic plants and animals, both invertebrate and vertebrate. Inshore and offshore ecosystems are studied with an emphasis on the integration of the biotic communities with the abiotic environment. The impact of humans on the ocean environment is assessed. Field trips will be required to visit tidepool, beach, mudflat, and fouling communities and other venues as determined by the instructor. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B

COURSE DESCRIPTION

**BIOL M10 DNA Biology: Genetic Engineering & Society** **3.00 Units**

Introduces the revolution associated with genetic engineering that has resulted in the ability to manipulate the genetic traits of any organism. Explores the complex and rapidly expanding field of DNA recombinant technology and its application and implications in today's world. Provides review of biological concepts and then builds on this knowledge through an exploration of issues, such as stem cell research, cloning, recombinant DNA technology, gene therapy, the human genome project, crop engineering, and bioethics. Intended for students in any major. Transfer credit: CSU, UC (pending). Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B

**BIOL M10L DNA Biology Laboratory** **1.00 Unit**

Laboratory course for BIOL M10. Introduces a variety of techniques and processes used in the field of DNA biology and genetic engineering. Includes internet-based exercises in bioinformatics; laboratory skills in the manipulation and analysis of DNA using equipment appropriate to microanalyses; and experiments such as bacterial transformation, DNA fingerprinting, PCR, hybridization, and cloning. Transfer credit: CSU, UC (pending). Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B

**BIOL M11 Introduction to Biotechnology & Molecular Biology** **5.00 Units**

**PREREQUISITE:** CHEM M13 or CHEM M01B, BIOL M02A and MATH 15

Builds on concepts and principles of cell biology and introduces many modern molecular and biochemical techniques. The focus will include documentation, safety, solution and buffer preparation, spectrophotometry, nucleic acid isolation, recombinant DNA techniques, cell transformation, recombinant DNA analysis, agarose and SDS cell electrophoreses, nucleic acid hybridization, DNA sequence analysis, immunochemistry, principles, techniques and uses of chromatography, protein purification and bioassays, and the application of these techniques in biotechnology. (Same course as BIOT M01). Applies to Associate Degree. Transfer credit: CSU.

**BIOL M16 Human Biology** **3.00 Units**

Introduces the biology of humans covering basic cell structure, organ systems, inheritance, reproduction, development and aging, disease process, and human evolution and ecology. The course examines biology as a scientific endeavor and analyzes the functioning of the human body both as an integrated system and as a part of the ecosystem with special attention to physiological structure and function. Students will acquire the knowledge to make intelligent decisions on bioethical issues that face society. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B

**BIOL M17 Heredity, Evolution and Society** **3.00 Units**

Introduces principles of modern genetics and evolutionary theory with specific reference to the human species. Examines scientific method, biological laws governing heredity in individuals and populations, biological factors that influence health and disease, and the interplay between the human population and the environment. Analyzes the world's economic, demographic, and political problems from a biological perspective and discusses possible solutions. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B

**BOTANY****BOT M01 Introduction to Botany** **5.00 Units**

Introduces the anatomy and physiology of plants. Emphasizes the physical and Chemical aspects of life as related to plants, including cellular organization, metabolism, reproduction, heredity, ecology, evolution, and plant kingdom survey. In lab students develop skill with the scientific method as they examine the anatomy and physiology of representative plants in each of the major plant groupings. Applies to Associate Degree. Transfer credit: CSU; UC. CAN BIOL 6. IGETC AREA 5B

**BUSINESS****BUS M01A Accounting Procedures I** **3.00 Units**

**RECOMMENDED PREPARATION:** MATH M09 and BUS M28 or ENGL M02 or ESL M33

Covers fundamentals of double entry bookkeeping and the debit/credit method of recording transactions. Includes the full bookkeeping cycle from recording transactions to preparing financial statements. Emphasizes service and merchandising concerns operated as sole proprietorships. Applies to Associate Degree.

**BUS M02A Financial Accounting I** **3.00 Units**

**RECOMMENDED PREPARATION:** BUS M01A and BUS/ECON M30 and MATH M09 and BUS M28 or ENGL M02.

Examines financial accounting from both user and preparer perspectives, emphasizing public corporations. Explores what accounting is, why it is important, how it is used in making business decisions, and how to record and present information. Focuses on operating activities. Covers the accounting cycle, classified financial statements, information systems, internal control, and ethical issues. Complies with the California IMPAC (Intersegmental Major Preparation Articulated Curriculum) Project Accounting Committee recommendations. Applies to Associate Degree. Transfer credit: CSU; UC (BUS M02A combined with BUS M02B: maximum credit, one course) CAN: BUS 2, CAN: BUS SEQ. A (BUS M02A+M02B+M02C)

**BUS M02B Financial Accounting II** **3.00 Units**

**PREREQUISITE:** BUS M02A

Continues examining financial accounting related primarily to public corporations. Focuses on investing and financing activities. Explores long-term asset acquisition/use, short and long-term debt, stockholders' equity, intercompany investments, preparation and use of the Statement of Cash Flows, and financial statement analysis. Complies with the California IMPAC (Intersegmental Major Preparation Articulated Curriculum) Project Accounting Committee Recommendations. Applies to Associate Degree. Transfer credit: CSU; UC (BUS M02B combined with BUS M02A: maximum credit, one course) CAN: BUS 2 (BUS M02A+M02B). CAN: BUS Seq. A (BUS M02A + M02B + M02C)

**BUS M02C Managerial Accounting** **3.00 Units**

**PREREQUISITE:** BUS M02B

Examines how managers use accounting information in making decisions. Focuses on cost terms and concepts, methods of accounting for manufacturing costs, cost behavior and estimation, cost analysis (including cost-volume-profit analysis), cost control, budgeting, variance analysis, and responsibility accounting. Complies with the California Core Competency Model for the First Course in Accounting developed by the California Society of Certified Public Accountants Committee on Accounting Education. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: BUS 4 CAN: BUS SEQ A, (BUS M02A+M02B+M02C).

**BUS M04 Personal Finance** **3.00 Units**

Covers the personal decision-making tools related to spending, saving, borrowing, and investing decisions that individuals make during their life. The course includes investing in stocks, bonds, real estate, money management, career planning, consumer credit, banking services, housing, insurance, income taxes, retirement and estate planning. The course provides the information and decision-making tools needed to plan, and implement successful personal financial planning activities. Applies to Associate Degree. Transfer credit: CSU.

**BUS M08 Accounting with QuickBooks** **3.00 Units**

**PREREQUISITE:** BUS M01A

Introduces the use of QuickBooks in a computerized accounting system. Reinforces basic accounting concepts and procedures and their relationship to QuickBooks. Provides extensive hands-on experience including setting up a new company. (Same course as CIS M18.) Applies to Associate Degree.

**BUS M28 Business English** **3.00 Units**

Develops fundamentals and mechanics of business English usage, reviewing grammar, sentence structure, punctuation, proof reading and written expression. Provides background for writing business letters and reports. Applies to Associate Degree. Transfer credit: CSU

**BUS M30 Introduction to Business and Economics** **3.00 Units**

Examines basic concepts of business and the application of economic principles to the operation of business. Explores supply and demand, global markets, ethics, entrepreneurship, management, human resources, marketing, accounting, finance, securities markets, and information technology through practical applications. (Same course as ECON M30.) Applies to the Associate Degree. Transfer credit: CSU; UC

**BUS M31 Introduction to Management** **3.00 Units**

**RECOMMENDED PREPARATION:** BUS M30

Examines the fundamental concepts of management as applied to the performance of organizations, teams, and individuals. Addresses topics such as strategic planning, organizational design, the evolving role of management, leadership, and business ethics in the context of a changing and multi-cultural/international environment. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU

**BUS M32 Small Business Management** **3.00 Units**

**RECOMMENDED PREPARATION:** BUS M30

Focuses on establishing and managing a small business, with emphasis on planning, financing, staffing, marketing, site selection, budgeting, legal concerns, and regulatory issues. Considers the rewards and perils of owning a business. The Child Development Permit of Title 5 ECE/CD programs requires this course for Site Supervisors (Option 1) and Program Directors. (Same course as CD M25 - Administration in ECE 2.) Applies to Associate Degree. Transfer credit: CSU

**BUS M33 Business Law** **3.00 Units**

**RECOMMENDED PREPARATION:** BUS M28 or ENGL M02

Examines the fundamental legal principles pertaining to business transactions. Focuses on contract law. Explores the origins of legal systems and procedures, including torts, basics of criminal law, sales and leases, agency, and ethics. Applies to Associate Degree. Transfer credit: CSU; UC (BUS M33 and BUS M34 combined: maximum credit, one) CAN: BUS 8

**BUS M35 Sales Techniques** **3.00 Units**

**RECOMMENDED PREPARATION:** BUS M30

Introduces principles of personal selling, including strategies for long-term selling relationships. Focuses on adaptive selling techniques, prospecting, handling objections, gaining commitment, negotiation, and closing the sale. Applies to Associate Degree. Transfer credit: CSU

**BUS M37 Marketing** **3.00 Units**

**RECOMMENDED PREPARATION:** BUS M30

Introduces basic concepts and practices of modern marketing, including strategic planning, market research, buyer behavior, target marketing, new product development, pricing, channels of distribution, and advertising. Applies to Associate Degree. Transfer credit: CSU

**BUS M38 Advertising** **3.00 Units**

**RECOMMENDED PREPARATION:** BUS M30

Examines the role of advertising in business and introduces an integrated approach to market communications, including print, TV, radio, direct mail and Internet. Explores consumer analysis, ad media, budgeting, market research, layout, copy writing and advertising agencies. Applies to Associate Degree. Transfer credit: CSU

**BUS M39 Business Communications** **3.00 Units**

**PREREQUISITE:** ENGL M01A **RECOMMENDED PREPARATION:** Word processing skill

Introduces effective business communication skills by preparing and analyzing business letters, reports and oral presentations. Emphasizes gathering, organizing, analyzing, and presenting information for decision making, interviewing and negotiating in a multicultural arena. Applies to Associate Degree. Transfer credit: CSU

**BUS M51 Human Resources Management** **3.00 Units**

Examines how to obtain and develop an efficient work force. Includes human resource planning, recruitment, selection, placement, training, development, evaluation, termination, benefits and safety. Applies to Associate Degree. Transfer credit: CSU

## CHEMISTRY

**CHEM M01A General Chemistry I** **6.00 Units**

**PREREQUISITE:** CHEM M12 or one year of high school chemistry and MATH M03

Introduces atomic theory and stoichiometry; thermochemistry; quantum theory and electronic structure of atoms; chemical bonding and molecular structure; physical behavior of gases; states of matter and phase equilibria; solutions; titrations and qualitative analysis. Lab provides use of analytical balance; spectroscopy; gravimetric and volumetric analysis; stoichiometry; thermochemistry; solutions; titrations; qualitative analysis; colligative properties and distillations. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: CHEM 2, CAN CHEM SEQ A (CHEM M01A+M01B). IGETC AREA 5A

**CHEM M01B General Chemistry II** **6.00 Units**

**PREREQUISITE:** CHEM M01A and MATH M05

Introduces phase equilibria; equilibria in gases and solutions; thermodynamics; chemical kinetics; precipitation reactions; acids and bases; complex ions; oxidation reduction and electrochemistry; quantitative and qualitative analysis; and nuclear chemistry. Lab reviews equilibria; thermodynamics; chemical kinetics; electrochemistry; titrations and qualitative analysis. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: CHEM 4, CAN CHEM SEQ A (CHEM M01A+M01B). IGETC AREA 5A

**CHEM M07A General Organic Chemistry I** **5.00 Units**

**PREREQUISITE:** CHEM M01B

Focuses on molecular structure, chemical and physical properties, and the preparation and reactivity of organic molecules with an emphasis on reaction mechanisms, synthesis, structure determination and applications. Laboratory experience involves using the appropriate methods, techniques, and instrumentation for the synthesis, purification and identification of organic compounds discussed in the lecture portion. (This is the first semester of a one-year course to fulfill the organic chemistry requirements of those majors requiring a full year of organic chemistry.) Applies to Associate Degree. Transfer credit: CSU; UC (CHEM M07A and CHEM M08/M08L combined: maximum credit, six (6) units) IGETC AREA 5A

**CHEM M12 Introductory Chemistry I** **5.00 Units**

**PREREQUISITE:** MATH M01

Introduces basic principles of inorganic chemistry with reference to measurement, chemical nature of matter and energy, atomic theory, elements and compounds, periodic table, bonding, molecular structure, nomenclature, chemical reactions, equations, and calculations. Course fulfills prerequisites for CHEM M01A and CHEM M13. Applies to Associate Degree. Transfer credit: CSU; UC (no credit if taken after CHEM M01A) CAN: CHEM 6, CHEM SEQ B (CHEM M12+M13). IGETC AREA 5A

## CHICANO STUDIES

**CHST M02 Chicano Culture** **3.00 Units**

Focuses on the social and cultural heritage of Middle American Chicano civilizations from the Spanish conquest to the present, emphasizing contributions in the fine arts, literature, and oral history. (Same course as ANTH M04.) Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**CHST M03 Chicana Issues / La Mujer 3.00 Units**

Explores race, class, and gender issues for Chicanas and other Latina women within a sociological framework. Focuses on class distinctions, ethnic/racial and gender identities, division of labor in various areas, and social conditioning regarding education, health, and religion. Applies to Associate Degree. Transfer credit: CSU, UC. IGETC AREA 4

**CHST M04 History of Mexican Americans in the United States 3.00 Units**

A survey of the American experience from colonial beginnings to the present, emphasizing the history of Mexican Americans. Examines the changing roles and contributions of Mexican Americans in the context of the social, political, and economic history of the United States. (Same course as HIST M04.) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

## CHILD DEVELOPMENT

**CD M01 Intro to Careers in ECE 1.00 Unit**

Focuses on the vast array of career options that are available to the Child Development major. Career information and educational requirements, educational services, the child development permit matrix and exploration of the early childhood career lattice will be reviewed. Applies to Associate Degree. Transfer credit: CSU

**CD M02 Human Development 3.00 Units**

This course presents a study of child growth and development from conception through adolescence within the family and cultural context. It includes focus on physical, cognitive and psychosocial development, both typical and atypical. Students will be introduced to theories, theorists, research and applications through discussion, observation and writing assignments. Applies to Associate Degree. Transfer credit: CSU; UC (CD M02 combined with PSY M07: maximum credit, one course) IGETC AREA 4

**CD M03 Child, Family & Community 3.00 Units**

Study of environmental influences on children and families. The core components will include socialization over the lifespan; status of children in society; diverse family structures; family interpersonal relationships; schools and other educational opportunities and mass media influences. It will also include influences of age, gender and ability, race, culture, ethnic and socio-economic factors; parenting styles and social challenges related to children and families. Students will explore the impact of violence and abuse on children and the family and public policy issues relating to children and families. Formerly CD M40. Applies to Associate Degree. Transfer credit: CSU.

**CD M04 Practicum 1 - Observation 1.50 Units**

*COREQUISITE: CD M04L RECOMMENDED PREPARATION: CD M02*

Introduces child observation techniques appropriate for infants through school age, which are based on the study of the theories of Human Development. Requires use of specific observation tools to observe children's development, activities, and use of classroom materials, environment and teaching techniques in the campus Child Development Center. Additional observation experiences are gained in community based programs. Applies to Associate Degree. Transfer credit: CSU.

**CD M04L Practicum 1 Lab .50 Unit**

*COREQUISITE: CD M04 RECOMMENDED PREPARATION: CD M02*

Clarifies observation techniques presented in CD M04. Requires use of specific observation tools to observe children's development and their interactions with adults, children, materials, and activities leading to completion of a variety of observation formats and a child case study. Observations must be done in the campus Child Development Center. Applies to Associate Degree. Transfer credit: CSU.

**CD M05 Equity Issues in ECE 3.00 Units**

Explore personal prejudices and biases through the examination of the principles of equity in the areas of family lifestyles, economics, gender, special needs and culture/ethnicity. Formerly CD M36. Applies to Associate Degree. Transfer credit: CSU.

**CD M06 Reading & Writing in ECE 3.00 Units**

*RECOMMENDED PREPARATION: CD M02*

Transforms practice in classrooms to reflect the most current knowledge about how young children learn to read and write. Includes the developmental continuum and assessment of reading, writing, talking, playing and learning the code. (Formerly CD M29A and CD M29B). Applies to Associate Degree. Transfer: CSU

**CD M09 Science and Math in ECE 3.00 Units**

Introduces theoretically sound and developmentally appropriate science and math curriculum. Emphasizes the facilitation of the inquiry approach to experiencing science and math as well as the development and evaluation of curricular materials. Formerly CD M53. Applies to Associate Degree. Transfer credit: CSU.

**CD M10 Language Arts in ECE 3.00 Units**

Introduces current research in children's literature and language arts and demonstrates theoretical classroom applications. Emphasizes evaluation of developmentally appropriate experiences and materials that support language as a tool allowing communication, creativity, and logical thinking. Formerly CD M54. Applies to Associate Degree. Transfer credit: CSU.

**CD M11 Programs in ECE 3.00 Units**

*RECOMMENDED PREPARATION: CD M01, CD M02*

Reviews history and philosophies of preschool education, introducing developmentally appropriate practices, teacher's role, learning theories, assessment, classroom environment and management, curriculum development and lesson plans. Applies to Associate Degree. Transfer: CSU

**CD M12 Practicum 2 - Participation 2.00 Units**

*PREREQUISITE: CD M04 and CD M04L (may be concurrent) COREQUISITE: CD M12L*

*RECOMMENDED PREPARATION: CD M02, CD M11*

Further expands procedures and practices for teaching young children in a range of settings: family day-care, preschool, center-based childcare or Head Start Centers. Offers practical experience applying theories of human development while teaching in the Child Development Center. Requires proof of negative TB clearance. Applies to Associate Degree. Transfer credit: CSU.

**CD M12L Practicum 2 - Lab 1.00 Unit**

*PREREQUISITE: CD M04 and CD M04L (may be concurrent) COREQUISITE: CD M12*

*RECOMMENDED PREPARATION: CD M02, CD M11*

Application of procedures and practices presented in CD M12. Stresses specific teaching techniques leading to the completion of student teaching assignments in the Child Development Center. Requires proof of negative TB Clearance. Applies to Associate Degree. Transfer credit: CSU.

**CD M13 Practicum 3 - Preschool 3.00 Units**

*PREREQUISITE: CD M02, CD M04, and CD M12*

Expands knowledge of human development, emphasizing Piaget's cognitive theories, observation techniques, and assessment tools. Includes guided student teaching. Requires three hours a week student teaching in a community program, allowing further application of theory to practical situations. Requires proof of negative TB clearance. Formerly CD M39B. Applies to Associate Degree. Transfer credit: CSU.

**CD M16 Behavior Management 3.00 Units**

*RECOMMENDED PREPARATION: CD M02*

Introduces characteristics of children with behavioral challenges and behavior management techniques. Difficult behaviors encountered by those working with children as well as techniques to cope and solve these behavior difficulties will be included. Applies to Associate Degree. Transfer credit: CSU

- CD M17      Practicum 4 Infant/Toddler** \_\_\_\_\_ **3.00 Units**  
**PREREQUISITE:** CD M02, CD M04, CD M15  
 Expands knowledge of procedures and practices for providing care and assessing infants and toddlers through guided student teaching in a Title 22 or Title 5 licensed childcare or family daycare center. Requires 48 hours per semester of student teaching in a community program. Requires proof of negative TB clearance. Applies to Associate Degree. Transfer credit: CSU
- CD M19      Programs: School Age** \_\_\_\_\_ **3.00 Units**  
 Introduces students to the concept of school-age child care through study of theories of child development, activities for grades K - 6; behavior management techniques; and information on ensuring school-age program quality. Includes information pertaining to family and school coordination and community resources. Applies to Associate Degree. Transfer credit: CSU.
- CD M20      Practicum 5 - School Age** \_\_\_\_\_ **3.00 Units**  
**PREREQUISITE:** CD M02, CD M04, and CD M19  
 Expands knowledge of procedures and practices for teaching and assessing young children through guided student teaching in a school age childcare center. Requires 56 hours of student teaching in a community program. Requires proof of negative TB clearance. Applies to Associate Degree. Transfer credit: CSU
- CD M23      Child Nutrition, Health & Safety** \_\_\_\_\_ **2.00 Units**  
 Explores health protection and resources provided by the home, school, and community, emphasizing prevention of infectious disease, preventative health practices, prevention policies, injury prevention, disaster preparedness, nutrition, child abuse identification and prevention, children with special needs, and care of the mildly ill child. Complies with legal statutes. Requires taking pediatric first aid and pediatric CPR to fully met statute. Applies to Associate Degree. Transfer credit: CSU
- CD M24      Administration in ECE 1** \_\_\_\_\_ **3.00 Units**  
**PREREQUISITE:** CD M02, CD M03, CD M11, and one of the following: CD M06, M07, M08, M09, or M10  
 Introduces principles and practices of administering a child development program, emphasizing administrative needs; personnel and staffing parameters; parent/teacher relations and education; licensing requirements; professional development; grant and proposal writing; specific personnel management skills; and communication. Course required by the Child Development Permit for Site Supervisors (Option 1) and Program Directors. Applies to Associate Degree. Transfer credit: CSU
- CD M25      Administration in ECE 2** \_\_\_\_\_ **3.00 Units**  
**PREREQUISITE:** CD M02, CD M03, CD M11, and one of the following: CD M07, CD M08, CD M09, or CD M10  
 Focuses on establishing and managing a small business, with emphasis on planning, financing, staffing, marketing, site selection, budgeting, legal concerns, and regulatory issues. Considers the rewards and perils of owning a business. The Child Development Permit of Title 5 ECE/CD programs requires this course for Site Supervisors (Option 1) and Program Directors. (Same course as BUS M32 - Small Business Management.) Applies to Associate Degree. Transfer credit: CSU
- CD M28      The Exceptional Child** \_\_\_\_\_ **3.00 Units**  
**PREREQUISITE:** CD M02  
 Introduces various types of developmental disabilities experienced by young children. Study includes curriculum designs for inclusion, the referral process, community resources, parent-provider coordination, psychological implications of being an exceptional child, and special laws. Applies to Associate Degree. Transfer credit: CSU
- CD M60A      Toddlers Program** \_\_\_\_\_ **1.50 Units**  
 Provides an environment to study and observe toddlers in a naturalistic setting. Focuses on adult-toddler relationships, developmental stages, issues, concerns, and developmentally appropriate practices. Registration of children for this class is done through the Child Development Center. All children must meet California immunization guidelines. May be taken four (4) times for credit. Applies to Associate Degree. Transfer Credit: CSU
- CD M60C      Developing Cognitive Grouptimes in ECE** \_\_\_\_\_ **1.00 Unit**  
 This short-term course is designed for child development majors and employees of preschools, elementary schools, family daycare facilities, state and federal programs. The course will provide the students with the opportunity to create a developmental sequence for a variety of cognitive experiences introduced at grouptimes to children in early childhood programs.
- CD M60N      Parent Conferencing** \_\_\_\_\_ **1.00 Unit**  
**RECOMMENDED PREPARATION:** CD M02  
 An introduction to effective conferencing techniques between parents, teachers or caregivers. The course includes the impact of significant adults in the lives of children and developing a positive working relationship. Applies to Associate Degree. Transfer credit: CSU
- CD M89A      Movement and Rhythm for Early Childhood** \_\_\_\_\_ **.50 Unit**  
 Introduces music, movement and rhythm theories and activities for the children - birth through age eight. Explores age appropriate activities for the physical, cognitive, and psychosocial domains of development. Applies to Associate Degree. Transfer credit: CSU

## COLLEGE

- COL M01      College Strategies** \_\_\_\_\_ **3.00 Units**  
 Develops each student's comprehensive learning profile, applying it to the construction and implementation of educational, career and life goals. Emphasizes independent critical thinking skills, appropriate use of available resources and effective strategies for academic success. Applies to Associate Degree. Transfer credit: CSU;UC.

## COMPUTER INFORMATION SYSTEMS

- CIS M11      Basic Computer Keyboarding** \_\_\_\_\_ **1.00 Unit**  
**MATERIAL FEES:** A \$1.00 materials fee will be required at registration.  
 Introduces basic keyboarding techniques, emphasizing speed and accuracy to 20 words per minute. Works in a custom-designed program in Microsoft Word. No previous computer/typewriter experience required. Not recommended for those who have taken a previous typing/ keyboarding class. Can receive credit in CIS M10 or CIS M11, not both. May be taken two (2) times for credit. Applies to Associate Degree.
- CIS M12      Intermediate Computer Keyboarding** \_\_\_\_\_ **1.00 Unit**  
**PREREQUISITE:** CIS M10 or CIS M11 or ability to type 20 wpm  
**MATERIAL FEES:** A \$1.00 materials fee will be required at registration.  
 Introduces students to figure and symbol skills and develops speed and accuracy through a custom-designed program in Microsoft Word. Applies to Associate Degree.
- CIS M13      Computer Keyboarding / Speed Building** \_\_\_\_\_ **1.00 Unit**  
**PREREQUISITE:** CIS M12 or the ability to type 35 wpm  
**MATERIAL FEES:** A \$1.00 materials fee will be required at registration.  
 Emphasizes continued development of speed and accuracy through a programmed series of timings and drills customized to individual needs. Grade based on improvement. May be taken two (2) times for credit. Applies to Associate Degree.
- CIS M14      10-Key Mastery on the Computer** \_\_\_\_\_ **1.00 Unit**  
**MATERIAL FEES:** A \$1.00 materials fee will be required at registration.  
 Builds mastery of the numeric keyboard and develops speed and accuracy for data entry as well as spreadsheet and database applications in a work environment. Applies to Associate Degree.

- CIS M15 Introduction to the Personal Computer** **1.50 Units**  
**PREREQUISITE:** CIS M11 **MATERIAL FEES:** A \$2.00 materials fee will be required at registration.  
 Introduces computer terminology and concepts, emphasizing software installation, computer system expansion, computer purchase, and e-mail/Internet use. May be taken three (3) times for credit. Only offered credit/no-credit. Applies to Associate Degree.
- CIS M16 Introduction to Information Systems** **4.00 Units**  
**RECOMMENDED PREPARATION:** CIS M11 **MATERIAL FEES:** A \$1.00 materials fee will be required at registration.  
 Covers history, development and application of information processing systems with emphasis on the microcomputer. It includes an overview of applications of computer programs in solving business programs. Includes hands-on experience in solving problems, design of program logic, and the writing and execution of programs using the Visual Basic language. Also provides hands-on experience with the major microcomputer business applications; word-processing, spreadsheets, and computerized database management. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU, UC (CIS M16 combined with CS M01 or CS M10A: maximum credit, 4 units).
- CIS M17 Introduction to Windows** **1.50 Units**  
**RECOMMENDED PREPARATION:** CIS M15 **MATERIAL FEES:** A \$2.00 materials fee will be required at registration.  
 Introduces the Windows operating system, emphasizing running programs, entering/moving data, and performing DOS-related tasks. Includes program and file management using Explorer, Paint and WordPad. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU
- CIS M18 Accounting with QuickBooks** **3.00 Units**  
**PREREQUISITE:** BUS M01A  
 Introduces the use of QuickBooks in a computerized accounting system. Reinforces basic accounting concepts and procedures and their relationship to QuickBooks. Provides extensive hands-on experience including setting up a new company. (Same course as BUS M08.) Applies to Associate Degree.
- CIS M20 Microsoft Word Part 1** **1.50 Units**  
**MATERIAL FEES:** A \$2.00 materials fee will be required at registration.  
 Introduces Microsoft Word. Topics include creating and editing, fonts and symbols, formatting newspaper columns, spelling and grammar, headers and footers, page numbering, and searching on the Internet. Prepares student for the Microsoft Office User Specialist (MOUS) exam (Core Level). May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU
- CIS M21 Microsoft Word Part 2** **1.50 Units**  
**PREREQUISITE:** CIS M20 **MATERIAL FEES:** A \$2.00 materials fee will be required at registration.  
 Introduces advanced topics in Microsoft Word, including borders and shading; merging documents; sorting text; table and indexes; macros; fill-in forms; and working with clip art. Prepares students for the Microsoft Office User Specialist (MOUS) exam (Expert Level) . May be taken three (3) times for credit. Applies to Associate Degree. Transfer Credit: CSU.
- CIS M24 Microsoft Excel Part 1** **1.50 Units**  
**PREREQUISITE:** CIS M17 **MATERIAL FEES:** A \$2.00 materials fee will be required at registration.  
 Introduces basics of an electronic spreadsheet, working with Excels desktop environment. Emphasizes how to enter data, select commands, move the cell cursor around the worksheet, get help, save a worksheet in a workbook file, and print a range of data. Prepares student for the Microsoft Office user Specialist (MOUS) exam (Core Level). May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU
- CIS M25 Microsoft Excel Part 2** **1.50 Units**  
**PREREQUISITE:** CIS M24  
 Develops advanced spreadsheet tools for managing data and making financial decisions. Emphasizes using macros, database functions, data tables, PivotTable reports, and Report Manage. Prepares student for the advanced level of the Microsoft Office User Specialist (MOUS) exam. May be taken three (3) times for credit. Applies to Associate Degree. Transfer Credit: CSU.
- CIS M26A Microsoft Access I** **1.50 Units**  
**PREREQUISITE:** CIS M17 **MATERIAL FEES:** A \$2.00 materials fee will be required at registration.  
 Introduces designing and building an Access database, using Microsoft Windows. May be taken three (3) times for credit. Applies to Associate Degree.
- CIS M26B Microsoft Access II** **1.50 Units**  
**PREREQUISITE:** CIS M26A  
 Introduces advanced topics in working with Access, including creating advanced queries and custom forms, customizing reports, integrating Access with other programs, working with HTML documents and data access pages, applying Macros, and writing Visual Basic for applications code. Prepares student to pass the Microsoft Office User Specialist Expert-Level Examination. Applies to Associate Degree.
- CIS M27 Microsoft PowerPoint** **1.50 Units**  
**PREREQUISITE:** CIS M17  
 Introduces presentation preparation, using animation, charts, clip art, pictures, shapes and sounds. May be taken three (3) times for credit. Applies to Associate Degree.
- CIS M28 Microsoft Office** **3.00 Units**  
**MATERIAL FEES:** A \$2.00 materials fee will be required at registration.  
 Introduces Microsoft Windows, Word, Excel, and PowerPoint, emphasizing integration features and advanced OLE technology. May be taken three (3) times for credit. Applies to Associate Degree.
- CIS M30 Web Page Design I** **1.50 Units**  
**RECOMMENDED PREPARATION:** CIS M17  
 Provides the fundamentals of HTML (HyperText Markup Language) programming to design Web pages, exploring personal Internet and business Intranet environments. Applies to Associate Degree. Transfer credit: CSU.
- CIS M31 Web Page Design II** **1.50 Units**  
**PREREQUISITE:** CIS M30  
 Introduces intermediate concepts of web design using H TML (Hyper Text Markup Language) programming, XML (Extended Markup Language), and CGI (Common Gateway Interface) Scripting. Requires creation of custom Web pages for personal Internet and business Intranet environments. Applies to Associate Degree. Transfer Credit: CSU.
- CIS M40 Visual BASIC I** **4.00 Units**  
**PREREQUISITE:** CIS M16 **RECOMMENDED PREPARATION:** CIS M16  
 Windows programming environment using Visual Basic. Includes an overview of Windows and provides an introduction to Object Oriented, Event driven programming. Topics include forms, controls, event procedures, properties, methods, files and graphics, the user interface, managing projects, proper program design and structure and flow control. Provides some basic understanding of and experience in the development and use of error handling and debugging procedures. Applies to Associate Degree. Transfer credit: CSU: UC: CAN: CSCI 6

**CIS M41 Visual BASIC II 4.00 Units****PREREQUISITE:** CIS M40 **RECOMMENDED PREPARATION:** CIS M16

Second in a two-course sequence of instruction in programming in a Windows environment using Microsoft Visual Basic. Builds on the understanding of syntax and procedures learned in the first course, requiring the student to develop more complex and advanced programs. Concentrates on more advanced aspects of Visual Basic programming, including: accessing databases with Visual basic, Object Linking and embedding (OLE), creating ActiveX applications, creating custom Visual Basic user controls, etc. Applies to Associate Degree. Transfer credit: CSU, UC.

**CIS M60C Internet and WWW I 1.00 Unit****RECOMMENDED PREPARATION:** CIS M17

Provides a window into the World Wide Web and its abundance of resources. Provides hands-on experience using popular search engines, selecting an Internet provider and using e-mail and File Transfer Protocol. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU, UC.

**COMPUTER NETWORK SYSTEM ENGINEERING PROGRAM****CNSE M04A Networking Aspects of Multiplayer Gaming 1.50 Units**

Introduces the networking elements of the Massively Multiplayer Games (MMGs). Included topics are network protocol stacks, gateway servers, game servers, Internetworking hardware, end-user operating system platforms, distributed computing architectures (client-server, peer-to-peer, and grid), game database management, game security and integrity, and daemon controllers for non-player characters (NPCs). Prepares the students for vendor-based networking courses or game programming. Applies to Associate Degree.

**CNSE M04B Advanced Networking Aspects of Multiplayer Gaming 1.50 Units****PREREQUISITE:** CNSE M04A

Focuses on advanced topics related to Massively Multiplayer Games (MMGs). Topics include building gaming servers on various operating system platforms, building database driven network games, types and roles of network gaming hardware, and building an environment to support multiplayer gaming over a LAN network or the Internet. Prepares students for entry into vendor-based networking courses and introduces programming languages used in game development. Applies to Associate Degree.

**CNSE M05 Fundamentals of Computer Networking 4.00 Units****PREREQUISITE:** CNSE M01

This course offers two of the 8 networking fundamental courses in 3Com NetPrep program; and provides an introduction to Local Area Networks (LANs) and Wide Area Networks (WANs). It covers the concepts, technologies, components and protocols inherent in today's local area networks and wide area networks. Cannot receive credit for CNSE M05A/B sequence and CNSE M05. Applies to Associate Degree. Transfer credit: CSU.

**CNSE M06 Fundamentals of IT Essentials: PC Hardware and Software 4.00 Units**

Provides an in-depth introduction of the computer hardware and operating systems. The functionality of hardware and software components as well as suggested best practices in maintenance, and safety issues are covered. Through hands on activities and labs, students learn how to assemble and configure a computer, install operating systems and software, and troubleshoot hardware and software problems. In addition, an introduction to networking is included. Helps students prepare for CompTIA's A+ certification and Cisco Certified Network Associate program. Applied to the Associate Degree. Transfer credit: CSU.

**CNSE M13 Internetworking and TCP/IP 4.00 Units****PREREQUISITE:** CNSE M05

This course offers two of the 8 networking fundamental courses in 3Com NetPrep program. It is an introduction to TCP/IP (Transport Control Protocol/Internet Protocol) networking architectures and an introduction to internetworking devices such as bridges, switches, and routers. Topics include the use of internetworking components as well as concepts in network management and component selection. Applies to Associate Degree. Transfer credit: CSU

**CNSE M18 Cisco System Computer Networking 1 and 2 4.00 Units****RECOMMENDED PREPARATION:** CNSE M05 and CNSE M06

This course provides intermediate level instruction in computer basics, Local Area Networks, the 7-layer OSI (Open System Interconnection) model, signaling and structures cabling; and design and documentation. It will also cover WANs (Wide Area Networks), Router configuration, Cisco IOS (Inter-network Operating System) images, TCP/IP (Transmission Control Protocol/Internet Protocol), IP (Internet Protocol) addressing, and routing protocols. First semester course in a series to provide Cisco System Network Associate (CCNA) certificate training and covers the first half of CCNA preparation. (Formerly CNSE M11 and CNSE M15).

**CNSE M19 Cisco System Computer Networking 3 and 4 4.00 Units****PREREQUISITE:** CNSE M18 or CNSE M15

This course provides intermediate level instruction in the OSI (Open System Interconnection) reference model and routing, LAN (local area network) switching, VLANs (virtual local area networks), Routing Protocols: IGRP (Interior Gateway Routing Protocol), access control lists (ACLs), and network management. It will also cover WANs (wide area networks), WANs design, point-to-point protocol (PPP), integrated services digital network (ISDN), frame relay, and network management. Second semester course in a series to provide Cisco System Network Associate (CCNA) certificate training and covers the second half of CCNA preparation. (Formerly CNSE M16 and CNSE M17).

**CNSE M30 MS Windows Administration 3.00 Units****RECOMMENDED PREPARATION:** CNSE M05

Provides in-depth, hands-on introduction to Microsoft Windows XP operating system administration, including creating and administering user and group accounts, network resources security, network printer server set-up and administration, resources and events auditing, and backup procedures. One of the four core required courses of Microsoft Windows Certified Systems Engineer (MCSE) and prepares student for related Microsoft exam. Applies to Associate Degree. Transfer credit: CSU.

**CNSE M31 MS Windows Network Server 2003 3.00 Units****RECOMMENDED PREPARATION:** CNSE M30

Provides an in-depth, hands-on introduction to Microsoft Windows Server 2003 technical support. Covers server installation; server environment configuration; and management on system policies, file system, partition, and fault tolerance. Also covers protocols configuration, remote access services implementation, internetworking and intranetworking, and troubleshooting. Applies to Associate Degree. Transfer credit: CSU.

**CNSE M42 Windows Server 2003 Active Directory Services 3.00 Units****PREREQUISITE:** CNSE M31 or CNSE M71

Prepares students to plan configure, and administer Active Directory infrastructure. Students learn how to configure Domain Name System (DNS) to manage name resolution, schema, and replication; to use Active Directory to centrally manage users, groups, shared folders, and network resources, and to administer the user environment and software with group policy; and to implement and troubleshoot security in a directory services infrastructure and monitor and optimize Active Directory performance. One of the core required courses for the Windows Server 2003 Microsoft Certified Systems Engineer (MCSE) and Microsoft Certified Systems Administrator (MCSA) and prepares students for Microsoft exam 70-294. Applies to Associate Degree. Transfer credit: CSU.

**CNSE M46      Designing Windows Network Security \_\_\_\_\_ 3.00 Units****PREREQUISITE:** CNSE M44 or CNSE M74 and CNSE M45 or CNSE M75

Prepares students to analyze an organizations business and technical requirements and design security for a Windows network, and design security for all aspects of Windows, from authentication strategies to Demilitarized Zones to protecting Internet-accessible resources. Supports the Microsoft Windows Certified Systems Engineer (MCSE) program. One of the four core required courses of Microsoft Windows Certified Systems Engineer (MCSE) and prepares student for related Microsoft exam. Applies to Associate Degree. Transfer credit: CSU.

**CNSE M55      Linux Networking and System Administration \_\_\_\_\_ 2.00 Units****RECOMMENDED PREPARATION:** *User level experience with any computer system, including use of mouse, use of menus and use of an graphical user interface.*

Teaches the knowledge and skills needed to install, configure, operate, and manage the Linux operating system. It covers topics in (1) Linux system and network administration, (2) Linux network services, (3) Linux Internet services, (4) Linux system maintenance, and (5) security and problem solving. Prepare students for CompTia Linux+ certification examination. Applied to the Associate Degree. Transfer credit: CSU.

**CNSE M81      Introduction to Cyberspace Law \_\_\_\_\_ 1.50 Units**

Provides a framework about the law and cyberspace, examining the extent to which the Internet is currently under control and the extent to which it can or should be controlled. Regulation strategies are identified and discussed including legislation, policy changes, administrative agency activity, international cooperation, architectural changes, private ordering, and self-regulation. Also applies major regulatory models to some of the most volatile Internet issues, including cyber-security, consumer fraud, free speech rights, intellectual property rights, and file-sharing programs.

**COMPUTER SCIENCE****CS M10A      Introduction to Computer Programming Using Structured C++ \_\_\_\_\_ 4.00 Units****PREREQUISITE:** MATH M06 or MATH M07    **RECOMMENDED PREPARATION:** CS M01

Introduction to computer programming languages. The basic components, syntax, and semantics of the C++ programming language are covered. Introduces basic programming concepts such as algorithms, data and control structures, debugging, documentation, and structured programming. Applies to Associate Degree. Transfer credit: CSU; UC (CS M10A combines with CIS M16 or CS M01: maximum credit, 4 units). CAN: CSCI 16.

**CS M10B      Object-Oriented Programming Using C++ \_\_\_\_\_ 4.00 Units****PREREQUISITE:** CS M10A

In-depth understanding of the fundamentals of object-oriented programming methodology. Included are such concepts as encapsulation, classes, inheritance, parameterized classes, operator overloading, data hiding, polymorphism, and message passing. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: CSCI 18.

**CS M10J      Java Fundamentals \_\_\_\_\_ 4.00 Units****PREREQUISITE:** MATH M06 or MATH M07    **RECOMMENDED PREPARATION:** CS M01

An introduction to computer programming. The basic components, syntax, and semantics of the Java programming language are covered. Uses the Java computer language to introduce basic programming concepts such as algorithms, data and control structures, debugging, documentation, and object-oriented programming. Applies to Associate Degree. Transfer credit: CSU; UC.

**CS M10S      Java Servlets Programming \_\_\_\_\_ 3.00 Units****PREREQUISITE:** CS M10J

This course provides an in-depth study on server-side programming. Topics include HTTP Servlets basics. Servlet lifecycle, sending HTML (Hypertext Markup Language) information, sending multimedia content, session tracking, security, database connectivity, applet-servlet collaboration, enterprise servlets and J2EE (Java 2 Enterprise Edition), Internationalization, the tea framework, XMLC (Extensible Markup Language Compiler), and JavaServer Pages. Applies to Associate Degree. Transfer credit: CSU, UC

**CS M20      Object-Oriented Data Structures and Algorithm Design \_\_\_\_\_ 4.00 Units****PREREQUISITE:** CS M10B

Applies object-oriented programming methods to abstract data types such as stacks, queues, trees, and graphs. Introduces concepts of pointer variables, linked lists, list processing, recursion, simulation, algorithm analysis and verification as well as more advanced algorithm designs such as greedy algorithms and dynamic programming. Applies to Associate Degree. Transfer credit: CSU, UC. CAN: CSCI 24

**CS M30      Introduction to Computer Systems \_\_\_\_\_ 4.00 Units****PREREQUISITE:** CS M10A or CS M10J

An introduction to basic computer architecture, assembly language programming, system software, and computer applications. Covers number systems, data representation, overview of operating systems, and internal organization of computers such as gates, combinational circuits, flip-flops, and the design and analysis of sequential circuits. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: CSCI 10

**COUNSELING****COUN M60C      Self-Paced Career Assessment \_\_\_\_\_ .50 Unit**

Introduces online and computer-based career self-assessment tools to identify and prioritize values, interests, skills, and personality attributes culminating in college major and career options in an 8-hour, self-paced format. Includes intake and exit individual counseling/ career consultations to strategize next steps congruent with individual goals and objectives. Applies to the Associate Degree. Transfer Credit: CSU.

**COUN M60D      Self-Paced Career Research \_\_\_\_\_ .50 Unit****RECOMMENDED PREPARATION:** COUN M60C

Presents online and computer-based career research tools designed to assist students in evaluating and prioritizing career options. Research on specific careers and their correlating majors will culminate in first and second choices. Includes intake and exit individual counseling/career consultations to strategize next steps congruent with individual goals and objectives. Process will be completed in an 8 hour, self-paced format.

**CRIMINAL JUSTICE****CJ M01      Introduction to Criminal Justice \_\_\_\_\_ 3.00 Units**

Introduces the history and philosophy of criminal justice in America, reviewing system recapitulation; sub-system identification; role expectations and interrelationships; crime, punishment and rehabilitation theories; and ethics, education and training issues. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: AJ 2

**CJ M02      Concepts of Criminal Law \_\_\_\_\_ 3.00 Units****RECOMMENDED PREPARATION:** CJ M01, ENGL M01A

Introduces the historical development and philosophy of law. Reviews constitutional provisions, definitions and classifications of crimes, and their application to the Criminal Justice System. Examines concepts of the law as a social force. Explores crimes against persons, property and the state as a social, religious and historical ideology. Employs legal research and review of case law methodology. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: AJ 4

<b>CJ M03</b>	<b>Community Relations</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: CJ M01</i>		
Explores the interrelationship and role expectations among the various agencies and the public, emphasizing the professional image of the Criminal Justice System and the development of positive relationships between the system and the public. Requires exploration of criminal justice practitioners and their agencies. Community Policing and its fundamentals will be emphasized. Applies to Associate Degree.		
Transfer credit: CSU; UC		
<b>CJ M04</b>	<b>Legal Aspects of Evidence</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: CJ M01 and CJ M02</i>		
Introduces the origin, development, philosophy and constitutional basis of evidence, including constitutional and procedural considerations affecting arrest, search and seizure; kinds and degrees of evidence and rules governing admissibility; and judicial decisions interpreting individual rights. Applies to Associate Degree. Transfer credit: CSU. CAN: AJ 6		
<b>CJ M06</b>	<b>Criminal Justice Report Writing</b>	<b>3.00 Units</b>
Emphasizes the practical aspects of gathering, organizing, and preparing written reports for criminal justice activities on local, state and federal levels. Introduces techniques of communicating facts, information, and ideas effectively in a simple, clear and logical manner for various types of criminal justice system reports, letters, memoranda, directives and administrative reports appropriate for court presentation. Applies to Associate Degree. Transfer credit: CSU		
<b>CJ M11</b>	<b>Criminal Investigation</b>	<b>3.00 Units</b>
<i>PREREQUISITE: CJ M01 and CJ M02</i>		
Introduces fundamentals of investigation including crime scene search and recording; collection and preservation of physical evidence; scientific aids and modus operandi; sources of information; interviews and interrogation; and follow-up and case preparation. Applies to Associate Degree. Transfer credit: CSU. CAN: AJ 8.		
<b>CJ M18</b>	<b>Narcotics Investigation</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: CJ M01, CJ M04, CJ M11</i>		
Reviews identification of marijuana, opiates, dangerous drugs, hallucinogens, and their paraphernalia. Includes principles of identifying and dealing with the user; laws and court decisions relating to the offender; fundamentals of search and arrest strategies; report writing and court testimony; and prevention and control of drug abuse within society. Applies to Associate Degree. Transfer credit: CSU		
<b>CJ M41</b>	<b>Introduction to Probation, Parole and Corrections</b>	<b>3.00 Units</b>
Introduces legal and practical aspects, practices, and procedures of probation, emphasizing an analysis of rehabilitation and classification criminology methods. Applies to Associate Degree. Transfer credit: CSU		
<b>CJ M60A</b>	<b>Legal Aspects of Computer Forensics</b>	<b>1.50 Units</b>
<i>RECOMMENDED PREPARATION: CJ M02, CJ M05, CJ M11, CIS M15, EL M0</i>		
Provides an overview of the legal aspects of computer forensic Investigations and the Criminal Justice System, as it applies to investigating computer crimes. Reviews types of computer crimes; analyzes evolving search and seizure requirements and exceptions with emphasis on constitutional law, criminal law and procedural law as it applies to investigating computer crime; discusses anticipating defenses to computer crimes and how to effectively communicate findings in reports and in a courtroom. Same course as CNSE M60A.		
<b>DANCE</b>		
<b>DANC M01A</b>	<b>Dance Appreciation</b>	<b>3.00 Units</b>
Examines dance through viewing dance performances and through lectures and discussions, focusing on the historical, cultural and artistic developments and factors that influence change in dance. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A		
<b>DANC M10A</b>	<b>Ballet I-Fundamentals</b>	<b>1.50 Units</b>
Introduces basic ballet technique and terminology, including general principles of alignment, centering and posture. Requires exercises at the barre to develop flexibility, strength, control and coordination. Includes resilience and center practice of Port des Bras, simple adage and allegro movements. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>DANC M10B</b>	<b>Ballet II-Beginning</b>	<b>1.50 Units</b>
<i>PREREQUISITE: DANC M10A</i>		
Introduces new movements and terminology as part of the basic ballet technique, both at the barre and in center, combining basic movements into adage and allegro patterns. Stresses heightened technical skills. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>DANC M10C</b>	<b>Ballet III-Intermediate</b>	<b>1.50 Units</b>
<i>PREREQUISITE: DANC M10B</i>		
Introduces knowledge and development of intermediate technique both at the barre and in center, concentrating on the discipline of ballet form and the physical abilities necessary to execute movements. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>DANC M10D</b>	<b>Ballet IV-Advanced</b>	<b>2.00 Units</b>
<i>PREREQUISITE: DANC M10C</i>		
Expands review of ballet, emphasizing analysis and application of kinesthetic principles to further develop skills, techniques, and physical capabilities. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>DANC M11A</b>	<b>Modern Jazz I-Fundamentals</b>	<b>1.50 Units</b>
Introduces basic movement skills of modern jazz technique, emphasizing understanding and appreciation of jazz as an artistic dance form. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>DANC M11B</b>	<b>Modern Jazz II-Beginning</b>	<b>1.50 Units</b>
<i>PREREQUISITE: DANC M11A</i>		
Develops basic skills of modern jazz technique, emphasizing compositional forms and rhythms that lead to understanding and appreciation of jazz as an artistic dance form. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>DANC M11C</b>	<b>Modern Jazz III-Intermediate</b>	<b>1.50 Units</b>
<i>PREREQUISITE: DANC M11B</i>		
Continues introduction of modern jazz, emphasizing style and form as well as increased technical and choreographic skills. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>DANC M11D</b>	<b>Modern Jazz IV-Advanced</b>	<b>2.00 Units</b>
<i>PREREQUISITE: DANC M11C</i>		
Offers advanced review of modern jazz, emphasizing performance for style and form as well as increased technical and choreographic skills. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>DANC M12A</b>	<b>Modern Dance I-Fundamentals</b>	<b>1.50 Units</b>
Introduces modern dance as an art form. Reviews the fundamental techniques that develop flexibility, strength, control, coordination, endurance and form as well as the basic principles, evaluation and application of dance composition. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		

- DANC M12B Modern Dance II-Beginning** \_\_\_\_\_ **1.50 Units**  
**PREREQUISITE:** DANC M12A  
 Develops basic modern dance skills and techniques, including simple improvisation and composition as well as the understanding of the principles of alignment and motion. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M12C Modern Dance III-Intermediate** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** DANC M12B  
 Expands appreciation of dance as a creative art form. Focuses on modern dance techniques, emphasizing increased flexibility, strength, and coordination. Reviews dance phrase combinations by integrating rhythm, design, dynamics and motivation. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M12D Modern Dance IV-Advanced** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** DANC M12C  
 Continues exploration of modern dance technique, emphasizing performance, composition and choreography. May be taken four (4) times for credit. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M13A Tap I-Fundamentals** \_\_\_\_\_ **1.50 Units**  
 Introduces some history of tap as well as basic tap techniques and elementary dances, routines and rhythm structures. Develops motor coordination and rhythm. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M13B Tap II-Beginning** \_\_\_\_\_ **1.50 Units**  
**PREREQUISITE:** DANC M13A  
 Expands tap dancing techniques, including music theory concepts and syncopated rhythms. Further develops motor coordination and rhythm and expands historical awareness. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M13C Tap III-Intermediate** \_\_\_\_\_ **1.50 Units**  
**PREREQUISITE:** DANC M13B **RECOMMENDED PREPARATION:** DANC M11A and DANC M11B  
 Builds on the basic tap vocabulary and techniques introduced and explored previously in levels I (fundamental) and II (beginning). Applies musical theory concepts to the syncopated rhythms of tap dance, providing further development of motor coordination and rhythm. Explores the fusion of tap with other dance techniques. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M14C Choreography, Modern Dance-Intermediate** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** Intermediate modern dance class  
 Expands dance as a creative art form, combining movement with the use of music and sound. Requires substantial solo work performed in a concert setting. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M15 Choreography** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** Two of the following courses: DANC M10C; DANCE M11C; or DANCE M12C.  
**COREQUISITE:** DANC M51A or DANC M51B or DANC M51C or DANC M51D  
**RECOMMENDED PREPARATION:** Concurrent enrollment in DANC M55  
 Introduction to the theory and techniques of dance composition. Elements of choreography are applied to dance improvisation, ballet, jazz, and modern dance. The focus of movement is enhanced through the analysis of basic problems and issues of choreography. Emphasis is placed on student application of choreographic concepts through the development of solo and group movement compositions. Applies to Associate Degree. Transfer Credit: CSU, UC
- DANC M17 Musical Dance Theatre** \_\_\_\_\_ **3.00 Units**  
**RECOMMENDED PREPARATION:** DANC M11A, DANC 11B  
 Introduces a compilation of dances choreographed for performance specific to the American musical in either a complete production of a single musical or as a revue of dance production numbers from two or more musicals. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M20A Free Dance/Improvisation I** \_\_\_\_\_ **1.50 Units**  
**RECOMMENDED PREPARATION:** Concurrent enrollment in modern dance  
 Encourages joy of movement, allowing unique and creative expressions in dance. May be taken four (4) times for credit. (Same course as THA M17.) Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M20B Free Dance/Improvisation II** \_\_\_\_\_ **1.50 Units**  
**PREREQUISITE:** DANC M20A  
 Provides creative, free environment and encourages expressive dance movements for enjoyment, communication and performance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M20C Free Dance/Improvisation III** \_\_\_\_\_ **1.50 Units**  
**PREREQUISITE:** A beginning dance class  
 Encourages creation of appropriate movement responses to express ideas and feelings. Provides various stimulus situations to develop organic, spontaneous dance responses. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M30A Ballroom I** \_\_\_\_\_ **1.50 Units**  
 Introduces history, music and fundamental practices of ballroom dancing. Includes basic steps, variations and styling techniques for the fox-trot, swing, waltz, cha-cha, tango, rumba, samba, mambo, polka and selected novelty dances. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M30B Ballroom II** \_\_\_\_\_ **1.50 Units**  
**PREREQUISITE:** DANC M30A  
 Expands expertise in ballroom dancing by reviewing basic steps and increasing styling techniques for the fox-trot, swing, waltz, cha-cha, tango, rumba, samba, mambo, polka and selected novelty dances. Requires attendance at out of class dance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M32 Swing Dance** \_\_\_\_\_ **1.50 Units**  
 Introduces American Swing Dance in the 20th century, exploring dance vocabulary, dance courtesy, fundamentals of music related to dance and dance history. Includes vintage dance forms as well as current trends. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M43 Jazz Dance Roots** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** DANC M11C  
 Explores the origins and influences of jazz and their effect on the styles and trends of the day. Reviews contributions from international dance companies and dance innovators, including Martha Graham, Jack Cole, Kathryn Dunham, Bob Fosse, Agnes DeMille and Jerome Robbins. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M51A Dance Performance/Production I** \_\_\_\_\_ **1.50 Units**  
**PREREQUISITE:** Beginning dance class **RECOMMENDED PREPARATION:** Concurrent enrollment in dance class  
 Introduces and then applies basic elements of production (staging, lighting, publicity, makeup, costumes, set design and construction) through participation in a staged event/dance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**DANC M51B Dance Performance/Production II** \_\_\_\_\_ **1.50 Units**

*PREREQUISITE: DANC M51A RECOMMENDED PREPARATION: Concurrent enrollment in dance class*

Requires practical involvement in the elements of dance production behind the scenes as well as on stage. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**DANC M51C Dance Performance/Production III** \_\_\_\_\_ **1.50 Units**

*PREREQUISITE: Beginning dance class*

*RECOMMENDED PREPARATION: Concurrent enrollment in another dance class*

Emphasizes practical experience of dance productions, concerts and demonstrations, emphasizing dance as a performing art. Reviews choreography, staging and the production elements of dance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**DANC M51D Dance Performance/Production IV** \_\_\_\_\_ **2.00 Units**

*PREREQUISITE: Intermediate dance class RECOMMENDED PREPARATION: Concurrent enrollment in dance class*

Offers practical experience in the many phases of dance productions, concerts and demonstrations. Focuses on dance performance with some review of choreography and staging. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**DANC M55 Dance Ensemble** \_\_\_\_\_ **3.00 Units**

Focuses on learning repertory choreographed by students, faculty and/or guest artists. Culminates in rehearsal and performance in a formal concert environment. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

## DRAFTING

**DRFT M01 Introduction to Drafting** \_\_\_\_\_ **3.00 Units**

Introduces use and care of drafting equipment and instruments, lettering, theory of orthographic projection, pictorial drawings, sketches, and working drawings. Applies to the Associate Degree. Transfer credit: CSU

**DRFT M02A Computer Aided Drafting I** \_\_\_\_\_ **3.00 Units**

*PREREQUISITE: DRFT M01*

*RECOMMENDED PREPARATION: CIS M17 or experience using Microsoft Windows or NT*

*MATERIAL FEES: A \$5.00 materials fee will be required at registration.*

Introduces AutoCAD (Computer-Aided Design software). Explores CAD drawing and editing concepts, principles, and commands while preparing technical drawings. May be taken two (2) times for credit. Applies to the Associate Degree. Transfer credit: CSU; UC (DRFT M02A and DRFT M02B combined: maximum credit, one course).

**DRFT M02B Computer Aided Drafting II** \_\_\_\_\_ **3.00 Units**

*PREREQUISITE: DRFT M02A MATERIAL FEES: A \$5.00 materials fee will be required at registration.*

Introduces two-dimensional and three-dimensional drawings through exploration of intermediate and advanced functions. May be taken two (2) times for credit. Applies to the Associate Degree. Transfer credit: CSU; UC (DRFT M02B and DRFT M02A combined: maximum credit, one course).

**DRFT M03A Architectural Drafting I** \_\_\_\_\_ **3.00 Units**

Introduces fundamentals of preparing architectural drawings, emphasizing use and care of drafting equipment and instruments, lettering, line work and dimensioning. Focuses on preparing various plan, elevation and sectional views as well as details, sketches, working drawings, orthographic and isometric drawings. Presents basic elements of building requirements and codes. May be taken two (2) times for credit. Applies to the Associate Degree. Transfer credit: CSU

**DRFT M03B Architectural Drafting II** \_\_\_\_\_ **3.00 Units**

*PREREQUISITE: DRFT M03A*

Introduces preparation and interpretation of architectural drawings and specifications, emphasizing wood frame construction and application of local planning ordinances, uniform building codes and architectural graphic standards. May be taken two (2) times for credit. Applies to the Associate Degree. Transfer credit: CSU

**DRFT M04 Architectural CAD** \_\_\_\_\_ **3.00 Units**

*PREREQUISITE: DRFT M02B and DRFT M03*

Introduces development of architectural drawings, using computer aided drafting and three-dimensions for a walk-through effect. May be taken two (2) times for credit. Applies to the Associate Degree. Transfer credit: CSU

**DRFT M11 Building Codes** \_\_\_\_\_ **3.00 Units**

Introduces building codes related to structural, plumbing, heating, air conditioning, and electrical components of buildings constructed in Southern California. Applies to Associate Degree.

**DRFT M20 3D Modeling (Computer Animation)** \_\_\_\_\_ **3.00 Units**

*MATERIAL FEES: A \$5.00 materials fee will be required at registration.*

Introduces 3D Studio Max Software, exploring 3D modeling and animation with spatial three-dimensional effects in a Windows NT networked environment. Explores creation, modeling, and modification of a fully mapped and rendered scene complete with lights, cameras, and backgrounds. Requires creation of a basic animation. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

## ECONOMICS

**ECON M01 Microeconomic Principles** \_\_\_\_\_ **3.00 Units**

Examines the function of the market mechanism and its strengths and weaknesses in allocating scarce resources in the economy.

Develops a method of thinking by investigating and applying the principles of economic inquiry to the behavior of individual consumers, producers and industries. The structure of industries and the distribution of resources are examined. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ECON 4. IGETC AREA 4

**ECON M02 Principles of Macroeconomics** \_\_\_\_\_ **3.00 Units**

Introduces issues of economic policy, related to levels of employment as well as prices and rate of economic growth. Expands application of principles of economic inquiry. Focuses on economic institutions, national income accounting, and policies that influence aggregate economic activity. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ECON 2. IGETC AREA 4

**ECON M30 Introduction to Business and Economics** \_\_\_\_\_ **3.00 Units**

Examines basic concepts and functions of business and the application of economic principles to the operation of business. Explores supply and demand, global markets, ethics, entrepreneurship, management, human resources, marketing, accounting, finance, securities markets, and information technology through practical applications. (Same course as BUS M30.) Applies to the Associate Degree. Transfer credit: CSU; UC

## EDUCATION

### **EDU M02 Introduction to Teaching** **3.00 Units**

*RECOMMENDED PREPARATION: ENGL M01A*

Designed to provide students with the fundamental knowledge of the understanding of the American educational enterprise, especially problems in urban multicultural schools. Concepts and methods from the fields of sociology, philosophy, and the politics of education are used to gain knowledge of, understand, and analyze the current conditions of American schools and to evaluate selected proposals/models for reform. A minimum of 20 hours of observation and participation in a multicultural school and community setting is required. Applies to Associate Degree. Transfer credit: CSU; UC

## ENGINEERING

### **ENGR M04 Engineering and Design/CAD** **3.00 Units**

*PREREQUISITE: DRFT M01 or one year of high school drafting*

*MATERIAL FEES: A \$5.00 materials fee will be required at registration.*

Introduces engineering as a profession by exploring systematic design techniques, written communication, and makeup of the various engineering programs. Requires extensive use of computer-aided drafting software and completion of a design project. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ENGR 2

### **ENGR M16 Engineering Statics and Strength of Materials** **4.00 Units**

*PREREQUISITE: PHYS M20A/M20AL*

Covers vector algebra, equivalent force systems, free body diagrams and equilibrium, structural mechanics, behavior of deformable solids, stress and strain tension, compression, flexure, torsion, beams, columns, statically indeterminate problems, multiaxial stresses, and theories of strength. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ENGR 8

## ENGLISH AS A SECOND LANGUAGE

### **ESL M01 Beginning ESL** **4.00 Units**

Focus on listening, speaking, reading, and writing skills of beginning English language learners, using daily activities and topics of general interest. Activities include group and class discussions and oral presentations. Includes vocabulary acquisition; accurate pronunciation; and grammar review of parts of speech, parts of the sentence, sentence structure and patterns, and verb tenses; reading comprehension of brief paragraphs and essays; and writing paragraphs. Does not apply to the Associate Degree.

### **ESL M02 Intermediate ESL** **4.00 Units**

Focus on listening, speaking, reading, and writing skills of intermediate English language learners using general interest and academic subjects. Activities include group and class discussions of text material, TV/video segments and lectures and oral presentations. Includes vocabulary acquisition, accurate pronunciation, and intonation; grammar study of sentence structure, compound and complex sentences, and reduction of grammar errors; reading comprehension and critical thinking; and writing multi-paragraph essays. Does not apply to the Associate Degree.

### **ESL M03 Advanced ESL** **4.00 Units**

Focus on listening, speaking, reading, and writing skills of advanced English language learners, using cross-curricular and current events subjects. Activities include discussions of text and selected materials, TV shows/videos, news programs, lectures, and one complete feature film and multiple 5-minute oral presentations. Includes emphasis on vocabulary acquisition, accurate pronunciation, and intonation in class discussions; grammar study of sentence correctness and style; reading interpretation, analysis, and application; and writing 5-paragraph essays developed by a combination of rhetorical modes. Does not apply to the Associate Degree.

## ENGLISH

### **ENGL M01A English Composition** **4.00 Units**

*PREREQUISITE: ENGL M02 or completion of the assessment process.*

Emphasizes expository writing and research, demonstrating rhetorical organization, range of diction, clear sentence and paragraph construction, and command of the conventions of English usage. Develops analytical and interpretive reading skills. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01A and ENGL M01AH combined: maximum credit, one course). CAN: ENGL 2. IGETC AREA 1A

### **ENGL M01AH ☆☆ Honors: English Composition** **4.00 Units**

*PREREQUISITE: ENGL M02 with a grade of B or better or completion of the assessment process.*

Emphasizes expository writing and research, demonstrating rhetorical organization, range of diction, clear sentence and paragraph construction, and command of the conventions of English usage. Develops analytical and interpretive reading skills. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01AH and ENGL M01A combined: maximum credit, one course). CAN: ENGL 2; ENGL SEQ A (ENGL M01A+M01B). IGETC AREA 1A

### **ENGL M01B Literature: Critical Thinking and Composition** **3.00 Units**

*PREREQUISITE: ENGL M01A or ENGL M01AH*

Emphasizes critical thinking and writing skills in close textual analysis of issues and themes in fiction, poetry, and drama as well as in non-fictional literature and literary criticism. Reviews deductive and inductive reasoning, recognition and avoidance of logical fallacies, and relationships between language and meaning. Emphasizes detailed critical analysis. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01B and ENGL M01BH combined: maximum credit, one course). CAN: ENGL 4; ENGL SEQ A (ENGL M01A+M01B). IGETC AREAS 1B or 3A

### **ENGL M01BH ☆☆ Honors Literature: Critical Thinking and Composition** **3.00 Units**

*PREREQUISITE: ENGL M01A or ENGL M01AH with grade of B or better*

Emphasizes critical thinking and writing skills in close textual analysis of issues and themes in fiction, poetry, drama as well as in non-fictional literature and literary criticism. Reviews deductive and inductive reasoning, recognition and avoidance of logical fallacies, and relationships between language and meaning. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01BH and ENGL M01B combined: maximum credit, one course). CAN: ENGL 4; ENGL SEQ A (ENGL M01A+M01B). IGETC AREA 1B or 3A

### **ENGL M01C Critical Thinking and Composition** **3.00 Units**

*PREREQUISITE: ENGL M01A or ENGL M01AH*

Develops work in advanced levels of critical thinking, reading, and writing. Focuses on the development of logical reasoning as well as analytical and argumentative writing skills. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01C and ENGL M01CH combined: maximum credit, one course). IGETC AREA 1B

### **ENGL M01CH ☆☆ Honors: Critical Thinking and Composition** **3.00 Units**

*PREREQUISITE: ENGL M01A or ENGL M01AH with a grade of B or better.*

Develops work in advanced levels of critical thinking, reading, and writing. Focuses on the development of logical reasoning as well as analytical and argumentative writing skills. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01CH and ENGL M01C combined: maximum credit, one course). IGETC AREA 1B

**ENGL M02 Intro to College Writing** **3.00 Units**

Introduces college-level writing, focusing on composing clear, organized paragraphs and short essays. Stresses development and support of coherent central ideas with relevant reasoning and examples. Offers instruction in the writing process (preparation, organization, development, revision, editing) as well as grammar, punctuation and sentence structure. Includes college-level reading and real-world applications. Applies to Associate Degree.

**ENGL M03 Writing Skills** **3.00 Units**

Involves intensive practice in developing ideas, making clear statements and organizing information at the level of the paragraph. Emphasizes grammar, spelling, vocabulary building, sentence structure and composing strategies for short writings. Requires word processing in a computer lab. May be taken two (2) times for credit. Does not apply toward a degree.

**ENGL M05 Radio/Television Script Writing** **3.00 Units**

**PREREQUISITE:** ENGL M01A or ENGL M01AH

Develops skills in the analysis and preparation of news, commercials, program formats, public service announcements, and dramatic scripts including situation comedy, made-for-television movie, continuing dramatic series, and theatrically released motion picture. (Same course as RT M05.) Applies to the Associate Degree. Transfer credit: CSU

**ENGL M10A Creative Writing** **3.00 Units**

**PREREQUISITE:** ENGL M01A or ENGL M01AH

Workshop format. Concentrates on the techniques of writing fiction and poetry through the production of original works followed by discussion and analysis. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ENGL 6

**ENGL M13A Major American Writers I** **3.00 Units**

**PREREQUISITE:** ENGL M01A or ENGL M01AH

Introduces American writing from the colonial era to the end of the Civil War, emphasizing works of major writers in their literary, historical and cultural contexts. Includes such authors as Bradstreet, Taylor, Franklin, Poe, Melville and Whitman. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ENGL 14; ENGL SEQ C (ENGL M13A+M13B). IGETC AREA 3B

**ENGL M15A Survey of English Literature I** **3.00 Units**

**PREREQUISITE:** ENGL M01A or ENGL M01AH

Surveys major works of British literature from the Anglo-Saxon period to the end of the 18th century in their literary, historical and cultural contexts. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ENGL 8; ENGL SEQ B (ENGL M15A+M15B). IGETC AREA 3B

**ENGL M17 Shakespeare** **3.00 Units**

**PREREQUISITE:** ENGL M01A or ENGL M01AH

Surveys several plays, including romantic comedies, histories, tragedies, and problem plays. Discusses works of Shakespeare in their social context. Introduces the sonnets. Includes lectures, discussions, and critical papers. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B

**ENGL M19 Introduction to Short Story** **3.00 Units**

**PREREQUISITE:** ENGL M01A or ENGL M01AH

Introduces form and content of short stories, emphasizing critical reading and analysis of selected American and European literary examples. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B

**ENGL M29A The Bible as Literature (Old Testament)** **3.00 Units**

Introduces the 39 books of the Old Testament and the Old Testament Apocrypha through lecture, reading, and discussion. Emphasizes literary qualities such as characters, recurrent themes, motifs, images and symbols, as well as major genres and representative forms of Biblical writings. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B

**ENGL M30 Masterpieces of World Literature I** **3.00 Units**

**PREREQUISITE:** ENGL M01A or ENGL M01AH

Surveys representative authors from the time of Homer to the Renaissance, with intensive study of selected masterpieces from the ancient, medieval, and Renaissance eras. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B

**ENGL M31 Masterpieces of World Literature II** **3.00 Units**

**PREREQUISITE:** ENGL M01A or ENGL M01AH

Surveys representative authors from the 18th century to the Modern period, with intensive study of selected masterpieces from the 18th, 19th, and 20th centuries. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B

**ENGL M40 Children's Literature** **3.00 Units**

**RECOMMENDED PREPARATION:** ENGL M01A

Introduces children's literature, focusing on its literary aspects. Includes discussion and literary analysis of the specific features, historical development, basic genres and kinds (fairy tale, fantasy, picture book, adventure story, and contemporary realistic fiction) of children's literature. Covers classics from the golden age of children's literature (1846 to 1908), 20th-century picture books, poetry, and contemporary books for elementary and middle-grade readers. Applies to the Associate Degree. Transfer credit: CSU

**ENGL M48 Word Power** **3.00 Units**

Develops listening, speaking, reading, and writing vocabularies by developing word analysis and vocabulary expansion skills. Includes study of Greek and Latin roots, prefixes, suffixes, synonyms, antonyms, diction, word origins, contextual clues, and college-level and professional vocabularies. Focuses on individual progress. Applies to the Associate Degree.

**ENGL M70 Grammar/Punctuation Review** **1.00 Unit**

Reviews the rules and conventions of standard English grammar and punctuation. Develops students' ability to write concise, clear, correct sentences and to join them into unified, coherent paragraphs. (Formerly ES M33). Offered credit/no-credit only. Does not apply toward a degree.

**ENGL M72 Vocabulary Level I** **1.00 Unit**

Introduces principles and practices of vocabulary acquisition to improve reading, speaking, and writing in preparation for college-level courses. Does not apply toward a degree.

## ENVIRONMENTAL SCIENCE

**ENSC M01 Environmental Science** **3.00 Units**

Introduces the fundamental laws of physics and chemistry controlling the natural processes operating in the world. Emphasizes the interrelationships between humans, their environment and the impact of technology on the global environment. Discusses the existence, measurement and control of energy, air, water and noise pollution. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

**ENSC M01L Environmental Science Lab** **1.00 Unit**

**PREREQUISITE:** Completion of or concurrent enrollment in ENSC M01

Clarifies environmental concepts presented in ENSC M01. Requires four field trips: utility plant, waste-water treatment facility, recycling/recovery center and college nature center. Stresses scientific method, elements of statistics and sampling, and the completion of a research-based oral presentation. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

**ENSC M02 Environment and Human Interactions 4.00 Units**

Introduces biological principles governing ecosystems. Analysis of environmental problems as they relate to world demography and human activities are covered. Topics include: population dynamics, major world biotic communities, the urban environment and environmental health and basic toxicology. Field study of California's major plant communities and study of the local environment. Requires field trips. (Biological Science credit). Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B

**EXOTIC ANIMAL TRAINING MGMT****EATM M01A Animal Care and Handling I 1.00 Unit**

*PREREQUISITE: Admission to EATM Program COREQUISITE: EATM M01AL and ANSC M02*

Introduces basic zoo-keeping practices used in the husbandry of domestic and non-domestic animals. Include safety, emergency, sanitation, and handling procedures as well as environmental enrichment, teamwork concepts, zoo handling, and record keeping. Formerly EATM M11A. Applies to the Associate Degree.

**EATM M01AL Animal Care and Handling I Lab 4.00 Units**

*PREREQUISITE: Admission to EATM Program COREQUISITE: EATM M01A and ANSC M02*

Provides application of the theory and principles from EATM M01A to the care and handling of the America's Teaching Zoo animal collection. Develops essential zoo keeping skills through this hands-on approach. May be taken a maximum of two (2) times for credit. Applies to Associate Degree.

**EATM M02A Zoo Work Skills First Year #1 1.00 Unit**

*COREQUISITE: EATM M01A*

Provides the first year/first semester student an on-campus zoo laboratory for supervised on-the-job zoo keeping work experience and additional skill practice in animal care and handling. Work assignments include participating as a zoo operations team member, holiday zoo keeping, weekend area, assisting with daily zoo operations, zoo maintenance and improvement projects, day watch with safety rounds, leading tours, and assisting with educational presentations. Applies to Associate Degree.

**EATM M02B First Year Wl: Zoo Work Skills .50 Unit**

*PREREQUISITE: EATM M02A*

During the winter intersession, provides the first year student an on-campus zoo laboratory for supervised on-the-job zoo keeping work experience and additional skill practice in animal care and handling. Work assignments include participating as a zoo operations team member, holiday/winter intersession zoo keeping, weekend area, assisting with daily zoo operations, zoo maintenance and improvement projects, day watch with safety rounds, leading tours with holiday theme, and assisting with holiday educational presentations. Applies to Associate Degree.

**EATM M02D Zoo Work Skills Second Year SS 3.00 Units**

*PREREQUISITE: EATM M02C*

Provides the second year summer session student an on-campus zoo laboratory for supervised on-the-job intermediate zoo keeping work experience and skill practice in animal care, handling and training. Work assignments include conducting training sessions with assigned animals, participating as a zoo operations team member and leader, holiday/weekend zoo keeping, intermediate zoo daily operations, maintenance and improvement projects, day watch with safety rounds and conducting tours. Applies to Associate Degree.

**EATM M02E Zoo Work Skills Second Year #1 3.00 Units**

*PREREQUISITE: EATM M02D*

Provides the second year fall semester student an on-campus zoo laboratory for supervised on-the-job intermediate to advanced zoo keeping work experience and skill practice in animal care, handling and training. Work assignments include weekday and weekend area, serving as a mentor to first year students conducting training sessions with assigned animals, exhibiting assigned animals at weekend shows, participating as a zoo operations team member and leader, intermediate-advanced zoo daily operations, maintenance and improvement projects, day watch with safety rounds and conducting tours. Applies to Associate Degree.

**EATM M15A Wildlife Education I 1.00 Unit**

*PREREQUISITE: Admission to EATM Program COREQUISITE: EATM M15AL*

Instructs the student in the use of live animals for educational presentations in zoos and other situations. Includes public speaking, environmental education, interpretation techniques, and the handling of animals for presentations. Formerly part of EATM M15. Applies to Associate Degree.

**EATM M15AL Wildlife Education I Lab 1.00 Unit**

*PREREQUISITE: Admission to EATM Program COREQUISITE: EATM M15A*

Provides the student with the opportunity to develop public speaking skills, interpretation techniques, and animal handling skills appropriate for educational presentations in zoos and other situations. Requires making presentations to both large and small audiences and conducting tours of the teaching zoo. May be taken for a maximum of two (2) times for credit. Applies to Associate Degree.

**EATM M15CL Production and Performance 2.00 Units**

*PREREQUISITE: EATM M15B and EATM M15BL*

Provides a range of supervised wildlife education production and performance activities involving presentations with live animals. Stresses performance rehearsing and animal handling in preparation for a public performance. Requires presentations to a variety of audiences in a variety of settings. Applies the basic elements of production (staging, publicity, script development, set design and construction) and performance (safety considerations, animal handling, and voice techniques). May be taken a maximum of four (4) times for credit. Applies to Associate Degree. (Formerly EATM M16.)

**EATM M15D Wildlife Education 1.00 Unit**

*PREREQUISITE: EATM M15D COREQUISITE: EATM M15DL*

Requires design, development and implementation of wildlife education outreach programs for audiences of various ages, cultural orientations, and developmental levels. The student will gather information on environmental and conservation issues and incorporate this material into educational presentations. Applies to Associate Degree.

**EATM M15DL Wildlife Education 2.00 Units**

*PREREQUISITE: EATM M15CL COREQUISITE: EATM M15D*

This laboratory course provides the second year EATM student with the opportunity to develop and implement wildlife education programs in the community to audiences of various ages, cultural orientations and developmental levels.

**EATM M21A Animal Training I 1.00 Unit**

*PREREQUISITE: EATM M01B, ANSC M04 or PSY M12 COREQUISITE: EATM M21AL*

This course introduces basic techniques of animal training, including applying operant conditioning theory, record keeping, and controlling behavior. Topics include the history of animal training, reasons for training animals, factors affecting training success, and shaping of new behaviors. Applies to Associate Degree.

**EATM M21AL Animal Training I Lab 2.00 Units**

*PREREQUISITE: EATM M01BL, ANSC M04L or PSY M12L COREQUISITE: EATM M21A*

This course provides the student with the opportunity to develop basic animal training techniques through hands-on work with animals at the teaching zoo. The student will perform behavioral observations, develop training plans, maintain training records, and shape the behavior of one or more animals.

**EATM M21B Animal Training II \_\_\_\_\_ 1.00 Unit****PREREQUISITE:** EATM M21A **COREQUISITE:** EATM M21BL

This course presents techniques of animal training including husbandry training, training groups of animals, and dealing with aggression. Topics also include developing training plans, protected contact training, and problem solving. Applies to Associate Degree.

**EATM M21BL Animal Training II Lab \_\_\_\_\_ 2.00 Units****PREREQUISITE:** EATM M21AL **COREQUISITE:** EATM M21B

This course provides the student with the opportunity to develop the skills needed to train husbandry behaviors through hands-on work with animals at the teaching zoo. May be taken a maximum of two (2) times for credit. Applies to Associate Degree.

**EATM M23A Elementary Veterinary Procedures I \_\_\_\_\_ 4.00 Units****PREREQUISITE:** EATM M01B, ANSC M03, ANSC M06 **COREQUISITE:** EATM M23AL

An introduction to the science of veterinary medicine as it applies to domestic and non-domestic animals. The student will learn a practical organ system-by-organ system approach to the recognition, diagnosis, treatment and nursing care as related to the various disease processes involved with these systems. May be taken one (1) time for credit. Applies to the Associate Degree. Transfer credit: CSU

**EATM M23AL Elementary Veterinary Procedures I Laboratory \_\_\_\_\_ 1.00 Unit****COREQUISITE:** EATM M23A

An introduction to the science of veterinary medicine as it applies to domestic and non-domestic animals. Veterinary procedures are practiced that are relative to a practical organ system by organ system approach to the diagnosis, treatment and nursing care as related to the various disease processes. May be taken one (1) time for credit. Applies to Associate Degree. Transfer Credit: CSU.

**EATM M30A Zoo Days 1 \_\_\_\_\_ .50 Unit****PREREQUISITE:** Successful completion of a previous EATM course

An independent project in zoo keeping with three days at the Los Angeles Zoo and one day at the Santa Barbara Zoo. Applies to Associate Degree.

**EATM M30B Zoo Days II \_\_\_\_\_ .50 Unit****PREREQUISITE:** Successful completion of a previous EATM course

An independent project in zoo keeping with three days at the Los Angeles Zoo and two days at the Santa Barbara Zoo. Applies to Associate Degree.

## FRENCH

**FREN M01 Elementary French I \_\_\_\_\_ 4.00 Units**

Introduces French language, culture, history and people of the Francophone world, emphasizing speaking, understanding, reading, and writing skills. The course requires individualized work in the language lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: FREN 2; FREN SEQ A (FREN M01+M02).

**FREN M02 Elementary French II \_\_\_\_\_ 4.00 Units****PREREQUISITE:** FREN M01 or 2 years of high school French

Further explores French language, culture, history and people of the Francophone world as well as speaking, reading, and writing proficiency. Requires individualized work in the language lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: FREN 4; FREN SEQ A (FREN M01+M02).

**FREN M31A Beginning Practical French I \_\_\_\_\_ 3.00 Units**

This is an introductory course for nonnative speakers of French, including study of elementary grammar and principles of usage. Designed for students who wish to understand the Francophone culture and use basic French in survival situations. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. May be taken two (2) times for credit. Applies to Associate Degree.

## GEOGRAPHIC INFORMATION SYSTEMS

**GIS M01 Introduction to Mapping and GIS \_\_\_\_\_ 3.00 Units**

Introduces basic cartographic principles, including map types, scales, projections, coordinate systems as well as Geographic Information Systems (GIS) technology and software. Provides hands-on experience with the retrieval and application of data in business or academic areas. Covers GIS concepts of raster/vector conversions, thematic mapping, geocoding and data acquisition as well as various applications (resource management, business marketing, site selection and crime analysis). Applies to Associate Degree. Transfer credit: CSU; UC

## GEOGRAPHY

**GEOG M01 Our Physical Environment \_\_\_\_\_ 3.00 Units**

Physical Geograph brings together several branches of the natural science to provide students with an understanding of the processes responsible for the physical patterns of climate, water, soils, vegetation, and landforms found over the earth. Emphasis is also placed on gaining an understanding of human-induced agents of change within the physical world and human/environmental relationships. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: GEOG 2; GEOG 6 (GEOG M01+M01L). IGETC AREA 5A

**GEOG M01L Physical Environment Lab \_\_\_\_\_ 1.00 Unit****PREREQUISITE:** Completion of or concurrent enrollment in GEOG M01

Introduces earth-sun relations as well as map and air photo reading and interpretation. Provides hands-on practice in landscape description, measurement and analysis. Requires written reports. Requires local field trips. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: GEOG 6 (GEOG M01 + M01L). IGETC AREA 5A

**GEOG M02 Cultural Environment \_\_\_\_\_ 3.00 Units**

This course is concerned with the significance and distribution of various cultural elements and with the impact of human activities on the natural environment. An issue-based, or topical approach is taken to understanding and explaining spatial patterns of the key components of culture such as population, migrations, settlements, development, agriculture, geopolitics, land-use, globalization, language and religion. There is an emphasis on the analysis of current world events. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: GEOG 4. IGETC AREA 4

**GEOG M03 World Regional Geography \_\_\_\_\_ 3.00 Units**

Surveys world geography, emphasizing the regions, people, and economic activities characteristic of the major political areas of the world. Explores how world affairs are affected by the way humans occupy the earth. Applies to the Associate Degree. Transfer credit: CSU; UC (GEOG M03 and GEOG M03H combined: maximum credit, one course). IGETC AREA 4

**GEOG M03H ☆☆☆ Honors: World Regional Geography \_\_\_\_\_ 3.00 Units**

Provides an honors level survey of world geography, emphasizing the regions, people, and economic activities characteristic of the major political areas of the world. Explores how world affairs are affected by the way humans occupy the earth. Applies to the Associate Degree. Transfer credit: CSU; UC (GEOG M03H and GEOG M03 combined: maximum credit, one course). IGETC AREA 4

**GEOG M10 Geography of California 3.00 Units**

This course is a study of California's diverse bio-physical and human geography. Topics examined include the Golden State's climate, landforms, natural vegetation, and mineral and water resources. The influence the environment has on human geography is also examined with respect to ethnic diversity, our Native American past, settlement, population growth, urban and agricultural regions and the economic challenges of the future. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**GEOLOGY****GEOL M02 Physical Geology 3.00 Units**

Introduces materials and structure of the earth, origin and development of land forms as well as the principles and processes of geology including erosion and sedimentation, volcanic, glacial and earthquake activity. Focuses on global tectonics. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: GEOL 2 (GEOL M02+M02L); CAN GEOL 6 (GEOL M02 only). IGETC AREA 5A

**GEOL M02L Physical Geology Lab 1.00 Unit**

COREQUISITE: Completion of or concurrent enrollment in GEOL M02

Provides hands-on experience in direct observation and scientific analysis of geologic data. Emphasizes mineral and rock formation and identification; topographic and geologic map interpretation; and laboratory and field observation and identification. Requires field trips. Applies to the Associate Degree. Transfer credit: CSU; UC; CAN: GEOL 2 (GEOL M02+M02L); IGETC AREA 5A

**GEOL M03 Earth History 3.00 Units**

Introduces geologic history of the earth and evolution of life revealed by fossil records. Reviews elementary problems in paleontology, stratigraphy, and structure and geologic mapping. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

**GEOL M05 The World Ocean 3.00 Units**

Introduces the geological, physical and chemical characteristics of the ocean. Reviews formation of the ocean basins, ocean currents, waves, tides, beaches, chemistry and marine pollution. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

**GERMAN****GERM M01 Elementary German I 4.00 Units**

Introduces the German language and culture(s) of the major German-speaking areas of Europe (Germany, Austria, Switzerland) and emphasizes speaking, understanding, reading, and writing skills. The course requires individualized work in language lab each week.

Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: GERM 2; GERM SEQ A (GERM M01+M02).

**GERM M31A Beginning Practical German I 3.00 Units**

Provides basic understanding and use of German in practical situations, emphasizing grammar and principles of usage for non-native speakers. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. May be taken two (2) times for credit. Applies to the Associate Degree.

**GRAPHICS****GR M10 Introduction to Graphics 3.00 Units**

Introduces advertising, printing, and the history of graphics. Provides practical applications in design, desktop publishing, camera, and various printing processes. Reviews employment trends and opportunities. Field trips will be required. Applies to Associate Degree. Transfer credit: CSU

**GR M20 Macintosh and IBM Operating Systems 2.00 Units**

Introduces basic theory and entry-level skills on multiple computer publishing platforms. Emphasizes operating systems, typography, True Type/Postscript Levels, and printing to Postscript. Provides practical applications in creating text and bitmapped graphics using applets of each operating system. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

**GR M23 Introduction to Computer Graphics (Macintosh) 3.00 Units**

MATERIAL FEES: A \$5.00 materials fee will be required at registration.

Surveys computer graphics applications on the Macintosh Computer and introduces basic web design issues. Provides hands-on experience with Adobe Photoshop, Adobe Illustrator and QuarkXpress. Applies to Associate Degree. Transfer Credit: CSU.

**GR M24A Desktop Publishing I 3.00 Units**

PREREQUISITE: GR M20

Introduces fundamentals and basic operating procedures of Adobe InDesign page layout and graphic software. Emphasizes practical application of InDesign on the PC platform including layout, typography and publication design. Requires creation of digital files for film output and camera-ready artwork for the reproduction process. Includes scanning graphic images for the printing process and PowerPoint presentations. Applies to Associate Degree. Transfer Credit: CSU.

**GR M26 Computer Assisted Illustration (Macintosh): Illustrator 3.00 Units**

PREREQUISITE: GR M23 MATERIAL FEES: A \$5.00 materials fee will be required at registration.

Introduces principles of design and computer illustration using Macintosh Computer and appropriate software. Emphasizes organization of visual material, including design concepts, typography, space, shape, line, and texture. Stresses creativity. Applies to Associate Degree.

**GR M27 Electronic and Digital Photography 3.00 Units**

PREREQUISITE: A course in the discipline MATERIAL FEES: A \$5.00 materials fee will be required at registration.

Focuses on Adobe Photoshop for photography, computer graphics, illustration and graphic design. Includes appropriate techniques for scanning negatives, transparencies, reflective materials, type effects, color correction, selection techniques, special effects, channel calculations, adjustment layers, output devices and clipping paths/groups. Clarifies relationship between traditional film-based photography and digital techniques. May be taken two (2) times for credit. (Same course as PHOT M06, formerly PHOT M60I.) Applies to Associate Degree. Transfer Credit: CSU.

**GR M31 Graphic Design I 2.00 Units**

Introduces conceptual, production, and visual design methods, emphasizing commercial art. Provides hands-on production experience. Applies to Associate Degree. Transfer credit: CSU

**GR M32 Graphic Design II 3.00 Units**

PREREQUISITE: completion of or concurrent enrollment in GR M31

Introduces basics of advertising and graphic design, reviewing trademark, ad, package, cover and poster design. Requires production projects. Applies to Associate Degree. Transfer credit: CSU

**GR M33 Advertising Design 2.00 Units**

PREREQUISITE: GR M32

Introduces advertising layouts and their translation into camera-ready artwork, including rendering, type specifications and figure indication. Includes developing and executing comprehensive presentations, flat ads, packaging, posters and point of sale displays. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

**GR M34 Lettering and Typography 2.00 Units***PREREQUISITE: completion of or concurrent enrollment in GR M31*

Introduces basic lettering with pen and brush. Includes construction of letters in Gothic, Roman, Italic, Script, Text and Modern type, emphasizing character form and distribution essential for page layouts. Applies to Associate Degree. Transfer credit: CSU

**GR M40 Beginning Illustration 3.00 Units***PREREQUISITE: Completion of or concurrent enrollment in ART M12A*

Introduces pen and ink, watercolor, collage and colored pencil techniques as principle means of self-expression. Analyzes topical themes and individual story lines as potential subject matter for weekly drawings. (Same course as ART M40). Applies to Associate Degree. Transfer credit: CSU

**GR M41 Intermediate Illustration 3.00 Units***PREREQUISITE: GR M40*

Introduces advanced studies in pen and ink, watercolor washes and mixed media, exploring individual style appropriate to magazine, newspaper and book illustration. (Same course as ART M41). Applies to Associate Degree. Transfer credit: CSU

**GR M42 Advanced Illustration 3.00 Units***PREREQUISITE: GR M41*

Emphasizes development of individual style through advanced illustration techniques. Requires individual projects. (Same course as ART M42). May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

**GR M50 Airbrush Techniques for Advertising & Industry 3.00 Units***PREREQUISITE: GR M10 or GR M40 or suitable portfolio*

Introduces airbrush techniques for advertising, commercial art and industrial use. Emphasizes preparing illustrations and retouching black and white photographs as well as appropriate equipment maintenance. Provides critique of all production assignments. Requires access to an airbrush for the duration of the class. Applies to Associate Degree. Transfer Credit: CSU.

**GR M60A Airbrush Practice 1.00 Unit***PREREQUISITE: A previous airbrush course*

May be taken four (4) times for credit.

**GR M60B Computer Graphics Practice 1.00 Unit***PREREQUISITE: GR M30 and GR M31 or GR M32*

May be taken four (4) times for credit.

**GR M60G Creating Background Illustration Scenes for Animation 3.00 Units**

Introduces special techniques and use of color to produce final background scenes, using various subjects, effects, and media.

Emphasizes special effects for television, movies and commercials. May be taken three (3) times for credit.

**GR M73 Screen Printing I 2.00 Units**

Introduces screen-printing and its artistic and commercial application. Includes preparation of various screen-printing stencil methods, preparation and care of screens, and use of transparent and opaque inks. Applies to Associate Degree. Transfer credit: CSU

**GR M74 Screen Printing II 2.00 Units***PREREQUISITE: GR M73*

Introduces advanced techniques for utilizing photo screen-printing singly or in combination with other stencil methods. Includes instruction and practice of the process camera and its application to screen-printing; basic line photography and contact printing; and single and multicolor printing and posterization techniques. Explores special printing on various surfaces. Applies to Associate Degree. Transfer credit: CSU

## HEALTH EDUCATION

**HED M01 Health and Society 2.00 Units**

Focus of the course is on the nature and function of health in our society. The course is an overview of major health concepts designed to contribute to the students understanding of healthy living. Concepts included are: personal fitness; nutrition; mental health; personal relationships; harmful substances; environmental health; communicable diseases; chronic and degenerative disease; reproduction and contraception; and consumer health. Applies to Associate Degree. Transfer credit: CSU; UC (HED M01, M02 and M07 combined: maximum credit, one course). (HED M01, M02 and M07 combined, maximum credit, one course.)

**HED M02 Womens Health 2.00 Units**

Focuses on nature and function of women's health in our society. Introduces major female health problems, emphasizing both the individuals and the community's role in understanding medical advances and implementing their effects. Applies to Associate Degree. Transfer credit: CSU; UC (HED M02, M01, M07 combined: maximum credit, one course).

**HED M03 Nutrition, Fitness and Stress Management 3.00 Units**

Offers an integrated approach to good health and physical fitness through the study of basic principles of exercise, nutrition and human behavior. Applies specific topics of current concern such as maintaining healthy weight, prevention of heart disease and stress management. Stresses incorporating healthful habits and techniques into ones daily life. (Formerly NTS M04). Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU

**HED M05 Safety and First Aid 3.00 Units***MATERIAL FEES: A \$8.00 materials fee will be required at registration for Red Cross Certif*

Introduces procedures for rendering assistance in emergency First Aid situations. Successful course completion qualifies student for the American Red Cross Standard First Aid, Adult CPR, AED, and Child and Infant CPR Certifications. Applies to Associate Degree. Transfer credit: CSU; UC

**HED M07 Personal Health 3.00 Units**

Introduces components and skills of health and wellness, reviewing positive behavioral changes and their effect on life. Emphasizes self-responsibility based on self-analysis and assessment. Applies to Associate Degree. Transfer credit: CSU; UC (HED M07, M01 and M02 combined: maximum credit, one course).

**HED M10E Athletic Injuries Seminar .50 Unit**

Examines medical aspects of athletic injury management, including prevention, first-aid, treatment, evaluation and reconditioning. Applies to Associate Degree. Transfer credit: CSU

**HED M10F Stress Management .50 Unit**

Examines physical, emotional, cognitive, and behavioral aspects of stress, including sources, symptoms, physiology of the stress response, burnout, and effective coping strategies such as induction of the relaxation response. Transfer credit: CSU

**HED M10J Date Rape/Self Defense .50 Unit**

The focus of this course is on recognizing the sexual, physical, and psychological abuse that may occur in dating relationships. Topics to be included are elements of a healthy relationship, appropriate communication strategies, risks and vulnerabilities in dating relationships, and self defense tactics. Transfer credit: CSU

**HED M10K Smoking and Your Health .50 Unit**

Examines the primary and secondary effects of tobacco use (smoking and chewing) and reviews ways to stop its use. Applies to Associate Degree. Transfer credit: CSU

**HED M10M      Healthful Eating \_\_\_\_\_ .50 Unit**

Examines basic elements of nutrition and offers techniques and strategies for healthy eating. Includes cooking demonstrations. Applies to Associate Degree. Transfer credit: CSU

**HED M10N      Men's Health \_\_\_\_\_ .50 Unit**

Explores connections between the way men live their lives (exercise, nutrition, stress) and the quality of their health. Emphasizes need for men to participate in own health care, since present decisions affect future health and wellness. Applies to Associate Degree. Transfer credit: CSU

**HED M10Q      Health and Sexuality \_\_\_\_\_ .50 Unit**

Introduces health and human sexuality, including review of basic sexual anatomy, physiology of sexual response, sexually transmitted diseases, common impediments to healthy sexual functioning, sexual enhancement, and communication skills for achieving greater intimacy. Applies to Associate Degree. Transfer credit: CSU

**HED M10S      Sports Nutrition \_\_\_\_\_ .50 Unit**

Basic overview of sports nutrition for athletes and non-athletes. Designed to introduce student to various aspects of nutrition which may include proper hydration, ergogenic aids, ideal body composition and fueling for optimal performance. Current trends in sports nutrition for both the individual and the coach will be covered. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 7.5 contact hours. Applies to Associate Degree. Transfer credit: CSU

**HED M10T      Nutrition and Cancer Prevention \_\_\_\_\_ .50 Unit**

Provides an overview of various aspects of cancer prevention through nutrition. Increases the understanding of the role that healthy food choices and physical activity play in reducing the risk of cancer. Provider number CEP2811 for 7.5 contact hours. Applies to Associate Degree. Transfer credit: CSU.

## HEALTH SCIENCES

**HS M15      Pharmacology \_\_\_\_\_ 3.00 Units**

Introduces mechanisms and uses of currently available drugs, establishing foundation for understanding future developments in drug therapy and for administering drugs more efficiently and safely. Applies drug information and mathematical calculations in clinical setting. The course may be repeated to monitor constantly changing pharmaceutical approaches and resultant practical implications. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU

**HS M16A      Basic Skills for the Health Care Provider \_\_\_\_\_ 1.00 Unit**

Introduces basic client care skills for entering a career in Health Care Industry or for providing home care. Focuses on principles/practices of safe and effective care in evolving multicultural environment. Integrates communication, caring, safety, documentation, ethics, and legal accountability with effective client care. This is a required course for Nursing and Radiologic Technology students who DO NOT have a CNA certificate. May be taken two (2) times for credit. Applies to Associate Degree.

**HS M16N      Basic Skills for the Nurse \_\_\_\_\_ .50 Unit**

Provides basic client care skills to those preparing for a career in the nursing profession. The focus is on the essential principles and practices of safe, effective care in the multifaceted multicultural nursing field. Caring, safety, and basic documentation associated with providing client care are integrated throughout the course. It is recommended that this course be taken the semester before acceptance into the nursing program. Applies to Associate Degree.

**HS M16R      Basic Skills for the Radiologic Technologist \_\_\_\_\_ .50 Unit**

Provides basic knowledge of client care skills to those preparing for a career as a Radiographer. The focus is on the essential principles and practices of safe effective care in this constantly changing medical field. Safety, communications, documentation and cultural diversity are integrated throughout the course. It is recommended that this course be taken the semester before acceptance into the radiologic technology program. Applies to Associate Degree.

**HS M17      Health Care Ethics \_\_\_\_\_ 3.00 Units**

Introduces theoretical and applied ethics relating to problems in medicine, health care and the human life sciences. Includes examination of foundational moral principles and theories. Explores confidentiality, ethical conflict, and moral dilemmas through case studies. (Same course as PHIL M17.) Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. This is a required course for Radiologic Technology students. Applies to Associate Degree. Transfer credit: CSU

**HS M19      Medical Terminology \_\_\_\_\_ 3.00 Units**

Assists those preparing for a career in the health care industry to understand and communicate medical information, focusing on the language of medicine and the building of medical words via a study of word components. Emphasizes many of the basic words, prefixes, and suffixes upon which medical words are built. Includes medical terms related to anatomy, physiology, diseases, diagnoses, pharmacology, therapeutics and common abbreviations. This is a required course for Radiologic Technology students. Applies to Associate Degree. Transfer credit: CSU

**HS M23      Pharmacology for Allied Health Professional \_\_\_\_\_ 2.00 Units**

Introduces pharmacology, providing the knowledge of basic pharmacological terminology and concepts, administration, and common generic and trade name medications. Applies to Associate Degree. Transfer credit: CSU

**HS M24      Emergency Medical Technician B \_\_\_\_\_ 4.00 Units**

**PREREQUISITE:** HS M18 or American Heart Association Basic Life Support (BLS) CPR or American Red Cross CPR for the Professional Rescuer or American Safety and Health Institute CPR for the Professional Rescuer with current card.  
**COREQUISITE:** HS M24L    **RECOMMENDED PREPARATION:** HS M19

Prepares the student to render pre-hospital basic life support at the scene of an emergency, during transport of the sick and injured or during inter-facility transfer. Selected topics in anatomy, physiology, patient assessment, and emergency will be presented. Successful completion of this course and HS M24L will allow the student to take the state and national certification examinations for EMT 1 (Basic). Applies to Associate Degree.

**HS M24L      Emergency Medical Technician 1 (Basic) Laboratory \_\_\_\_\_ 1.00 Unit**

**PREREQUISITE:** HS M18 or American Heart Association Basic Life Support (BLS) CPR or American Red Cross CPR for the Professional Rescuer or American Safety and Health Institute for the Professional Rescuer.

**COREQUISITE:** HS M24    **MATERIAL FEES:** A \$92 materials fee will be required at registration.

Prepares the student to render pre-hospital basic life support at the scene of an emergency, during transport of the sick, injured or during inter-facility transfer. Applies the theory of patient assessment and emergency care presented in HS M24 EMT - Basic. Provides skills training and clinical experience in an emergency room and on an emergency vehicle. Successful completion of this course and HS M24 will allow the student to take the state certification for EMT-1 Basic (provided all other state requirements are met and the student is at least 18 years of age at the time of examination). Applies to Associate Degree.

**HS M24R      EMT-1 (Basic) Recertification \_\_\_\_\_ 2.00 Units**

**PREREQUISITE:** EMT-1 (Basic) Certification or expired EMT-1 (Basic) Certification -- not more than 24 months from expiration date and from US state.

Designed to update the emergency medical technician and meet state requirements for recertification. The course reviews life support assessment, emergency interventions, and the use of emergency equipment and supplies. May be taken a maximum of four (4) times for credit. Applies to Associate Degree

**HS M25 Basic Pathophysiology 3.00 Units**

**PREREQUISITE:** ANPH M01/M01L or ANAT M01 and PHSO M01 and High School Chemistry or CHEM M12 or CHEM M01A  
 Introduces fundamentals of pathophysiology, focusing on physiologic changes and altered functions resulting from disease processes. Reviews principles from anatomy, physiology, and chemistry as foundation for study of basic disease process concepts, body systems, etiology, and pathogenesis of various disorders. Explores diagnostic procedures, preventative measures, and current therapeutic regimens. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU.

**HS M60B Basic Cardiac Dysrhythmia Interpretation 1.50 Units**

Introduces the skills necessary to interpret basic cardiac dysrhythmias and to intervene in the treatment. The focus is on a systematic approach for the identification and classification of dysrhythmias according to site of origin and prognosis. (Same course as NS M60B.) Applies to Associate Degree. Transfer credit: CSU.

**HEBREW****HEB M01 Elementary Hebrew I 4.00 Units**

Introduces Hebrew language, culture, history and people, emphasizing speaking, understanding, reading and writing skills. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC.

**HISTORY****HIST M01A An Introduction to Western Civilization 3.00 Units**

Introduces important events and developments in Western civilization from prehistory through the sixteenth century. Focuses on ideas, institutions, and contributions. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: HIST 2; HIST SEQ A (HIST M01A+M01B). IGETC AREA 3 or 4

**HIST M01B An Introduction to Western Civilization 3.00 Units**

Introduces important events and developments in Western civilization from the seventeenth century to modern times. Focuses on ideas and institutions. (Hist M01A not prerequisite). Applies to Associate Degree. Transfer credit: CSU; UC. CAN: HIST 4; HIST SEQ A (HIST M01A + M01B). IGETC AREA 3 or 4

**HIST M03A African American History to 1877 3.00 Units**

A survey of United States history with an emphasis on the African American experience from 15th century Africa to the era of Reconstruction. Focuses on the political, social, economic, cultural and intellectual trials of African Americans and their contributions to the growth and development of the United States. Partially satisfies the Title V United States History, Constitution, and American Ideals requirement. Applies to Associate Degree. Transfer credit: CSU, UC (IGETC Area 4)

**HIST M04 History of Mexican Americans in the United States 3.00 Units**

A survey of the American experience from colonial beginnings to the present, emphasizing the history of Mexican Americans. Examines the changing roles and contributions of Mexican Americans in the context of the social, political, and economic history of the United States. (Same course as CHST M04.) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**HIST M06 History of the American Indian 3.00 Units**

Introduces indigenous peoples of the Western Hemisphere from Pre-Columbian times to present. Reviews places and cultures of North America, emphasizing association of those with mixed ancestry to mainstream Anglo-America. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**HIST M07A Social and Political History of the United States 3.00 Units**

Introduces creation and development of American society to 1865, analyzing impact of individuals and groups. Explores colonial foundation of American cultural heritage; growth of US political party system; women and social reform; the institution of and movement to abolish slavery; and the Civil War, including its causes and repercussions. Partially satisfies the Title V United States History, Constitution, and American Ideals requirement. Applies to Associate Degree. Transfer credit: CSU; (HIST M05/H and M07A/B: maximum credit two courses). CAN: HIST 8; HIST SEQ B (HIST M01A + M01B). IGETC AREA 4

**HIST M07B Social and Political History of the United States 3.00 Units**

Evaluates social and political adjustment from 1865 to the present, emphasizing effect on contemporary Americans. Reviews individual and group contributions surrounding such issues as westward expansion, industrial development, ethnic confrontations, religious tolerance, and social and political reform movements. Applies to Associate Degree. Transfer credit: CSU; UC (HIST M05/H and M07A/B: maximum credit two courses). CAN: HIST 10; HIST SEQ B (HIST M01A + M01B). IGETC AREA 4

**HIST M08 History of California 3.00 Units**

Introduces the political and social development of California from early Native California cultures to the present. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**HIST M12 History of American Women 3.00 Units**

The history of the United States from the 17th century to the present, tracing the changing roles of women. Evaluates the contributions made by famous and "average" women and the boundaries they faced. Contrasts myth and reality for EuroAmerican and ethnic minority women. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**HIST M14 Race and Gender in American History 3.00 Units**

Surveys the experience of Native Americans, Latinos, Asian-Americans, African-Americans, and women throughout history, assessing their accomplishments, the persistence of stereotypes, and the continuity and change in the position of these groups. Analyzes historical documents, films, and literature. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**HIST M15 Asian Civilization I 3.00 Units**

Provides overview of civilizations and individuals that provided key contributions to the history of Asia. Covers the earliest written records to 1600, including selected topics from the ancient, classical, medieval and early modern periods. Emphasizes India and China but references all areas of monsoon Asia, including Japan, Korea, Southeast Asia and the Central steppes. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**HIST M16 Asian Civilization II 3.00 Units**

Provides overview of individuals and nations that provided key contributions to the history of Asia. Covers the arrival of the West to the present (1600 to 2000), including selected topics from the late traditional period, the era of imperialism and the modern world. Emphasizes China, India and Japan but references all area of monsoon Asia, including Korea, Indochina and other South East Asian countries. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

**HIST M20A World History I 3.00 Units**

Introduces major civilizations of Asia, Europe, Africa and the Americas from pre-history through 1500, covering each civilizations religions and cultural achievements as well as its political, economic and social structures. Applies to Associate Degree. Transfer credit: CSU; UC. CAN Number HIST 14; HIST SEQ C (HIST M20A & HIST M20B). IGETC AREA 3 or 4

**HIST M20B World History II 3.00 Units**

Introduces major civilizations of Asia, Europe, Africa and the Americas from 1500 to the present, covering each civilizations religions and cultural achievements as well as its political, economic and social structures. (HIST M20A not prerequisite). Applies to Associate Degree. Transfer credit: CSU; UC. CAN Number HIST 16; HIST SEQ C (HIST M20A & HIST M20B). IGETC AREA 3 or 4

**HIST M25 History of the United States 3.00 Units**

**RECOMMENDED PREPARATION:** ENGL M01A

Surveys the political, economic, and social development of the United States . Traces the constant and changing values that shaped American institutions. Analyzes the diversity of the of the American people--the heroes Americans have treasured and the significant choices Americans have made. (PREVIOUSLY HIST M05) Applies to Associate Degree. Transfer credit: CSU, UC (pending)

**HIST M25H ☆☆☆Honors: History of the United States 3.00 Units**

Provides honors work in a survey of the political, economic, and social development of the United States. Traces the constant and changing values that shaped American institutions. Analyzes the diversity of the American people – the heroes Americans have treasured and the significant choices Americans have made. Partially satisfies the Title V United States History, constitution, and American Ideals requirement. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to Associate Degree. Transfer credit: CSU, UC.

**HIST M60V The Vietnam War 3.00 Units**

Examines circumstances leading to the American involvement in Vietnam, the war itself, and the resulting consequences. Uses literature and film to explore historic, psychological and pop-cultural perspectives. (Same course as HUM M60V and PSY M60V.) Applies to Associate Degree. Transfer credit: CSU; UC

**HUMANITIES****HUM M01 The Individual and Society 6.00 Units**

Team-taught interdisciplinary course. Analyzes history and social issues through accomplishments of people who have shaped civilization and its institutions. Explores individual and collective responsibility to preserve and improve society. Emphasizes use and improvement of writing skills. Applies to Associate Degree. Transfer credit: CSU

**HUM M03 History of Cinema I 3.00 Units**

Introduces historical and critical survey of world cinema from its beginnings to World War II. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A

**HUM M04 History of Cinema II 3.00 Units**

Introduces historical and critical survey of world cinema from World War II to the present. Applies to Associate Degree. Transfer credit: CSU; UC (HUM M04 and M06 combined: maximum credit, 3 units). IGETC AREA 3A

**HUM M05 Contemporary Foreign Film 3.00 Units**

Introduces contemporary foreign cinema, focusing on works of important directors. Reviews popular genres, production systems, American influences, and unique movements and approaches. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A

**HUM M06 Contemporary American Film 3.00 Units**

Analyzes works of contemporary American filmmakers, examining theme and focus, filming techniques, narrative presentations, and selected genres. Applies to Associate Degree. Transfer credit: CSU; UC (HUM M06 or M04 combined: maximum credit, 3 units). IGETC AREA 3A

**HUM M07 Humanities through the Arts 3.00 Units**

Examines the humanities as seen through various forms: literature, music, painting, sculpture, photography, architecture, and film, with an emphasis on the history, techniques, meaning, and evaluation of individual works of Western art. (Formerly HUM M60J.) Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B.

**HUM M08 Introduction to Cinema 3.00 Units**

Introduces the art form of cinema. Topics include modes of production, form, style, genre, aesthetics, critical analysis, and social implications. Develops an appreciation for the art form and prepares students for more advanced film studies courses. Lectures accompanied by screenings of appropriate films. Applies toward Associates Degree. Transfer credit: CSU, UC.

**HUM M10A Ethics, Culture and the Arts: The Roots of the Humanities 3.00 Units**

Introduces human cultural heritage from the earliest times to approximately 1000 CE, emphasizing major ideas of several periods of Western civilization. Examines literature, philosophy, music, painting, and sculpture of each era. Highlights ethical choices and aesthetic responses possible within each period. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B

**HUM M18 Images of Women in Film 3.00 Units**

Introduces images and stereotypes of women in film as reflected in roles, myths, and special personalities. Includes considerations of audience demands, censorship, and cultural movements. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A

**INTERIOR DESIGN****ID M11 Beginning Interior Design 3.00 Units**

Introduces students to an extensive range of products and services available through the field of Interior Design. Applies design theories including the principles and elements of design, light and color. Students begin to develop skills in effective space planning, business organization, and meeting the challenges of individual requirements through the design process. (Formerly ID M05). Applies to Associate Degree. Transfer credit: CSU

**ID M12 Materials and Installations 3.00 Units**

**RECOMMENDED PREPARATION:** SPCH M01 and ID M11

Explores various products and materials common to the field of Interior Design and methods of installation. Students employ skills in coordinating a presentation in public speaking related to a specific product and/or material. Emphasis placed on developing a trade resource file and utilizing it in the procurement, specification, and pricing for a design project. (Formerly ID M06). Applies to Associate Degree. Transfer credit: CSU

**ID M13 Textiles 3.00 Units**

Introductory analysis of the various stages of textile manufacturing and production. Students identify textiles according to fiber content, construction, coloration and finishing processes, and end uses. It is designed to employ techniques that will aide in the selection and care of textiles. (Formerly ID M31). Applies to Associate Degree. Transfer credit: CSU; UC

**ID M14 Intermediate Interior Design 3.00 Units**

**RECOMMENDED PREPARATION:** ID M11, ID M12, ART M04A, SPCH M01

Intermediate course refines students' skills in applying the principles and elements of Interior Design. Students explore diverse interior environments and develop design solutions that meet function, aesthetics, psychological, and emotional requirements of the inhabitants. (Formerly ID M08). Applies to Associate Degree. Transfer credit: CSU

**ID M15 Space Planning 3.00 Units****RECOMMENDED PREPARATION:** ID M11, DRFT M03A

Application and analysis of design concepts in space planning. Explores techniques enabling students to creatively resolve challenges relative to function and quality of human environments. Integrates limitations set by barrier-free design. Topics of discussion also include task management as well as technical considerations such as lighting and code requirements. (Formerly ID M07) Applies to Associate Degree. Transfer credit: CSU

**ID M16 History of Furniture 3.00 Units****RECOMMENDED PREPARATION:** ID M15, Internet Computer Skills

Explores the dominant characteristics of historical styles for home furnishings, decorative arts, and architecture from antiquity to the present. Emphasis is placed on style development as it relates to social, economic, and political influences. (Formerly ID M10). Applies to Associate Degree. Transfer credit: CSU

**ID M17 Advanced Interior Design 3.00 Units****RECOMMENDED PREPARATION:** ID M11, ID M12, ID M14, SPCH M01, MATH M09

Examines the administration of an Interior Design business through the development of a portfolio, instruction in verbal and visual presentation, and exercise proficiency in the application of Interior Design business practices. Students also refine skills in using the design process to solve problems. (Formerly ID M09) Applies to Associate Degree. Transfer credit: CSU

**ID M60B Faux Finishes 1.50 Units**

Provides hands-on learning, using Faux Finishing techniques, including how to simulate wood, marble, stone, brick and fabric. Requires creation of sample boards for all techniques. Applies to Associate Degree. Transfer Credit: CSU

**ID M60D Feng Shui .50 Unit**

Introduces Feng Shui, traditional Chinese technique that ensures harmony between design and surroundings. Applies to both residential and commercial settings. Requires practical application of Feng Shui guidelines in class projects. Applies to Associate Degree. Transfer Credit: CSU

**ID M60E Window Treatment Design 1.50 Units**

Introduces window treatment design, including fabric requirements, window function, hardware requirements, window measuring, and proper window treatment specification. Emphasizes proper workroom procedure and professional expectations. May be taken two (2) times for credit. Applies to Associate Degree. Transfer Credit: CSU

## ITALIAN

**ITAL M01 Elementary Italian I 4.00 Units**

Introduces Italian language, culture, history and people, emphasizing speaking, understanding, reading and writing skills. Requires individualized work in lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ITAL 2; ITAL SEQ A (ITAL M01+M02).

ITAL M31A Beginning Practical Italian I 3.00 Units

Provides basic understanding and use of Italian in practical situations, emphasizing grammar and principles of usage for non-native speakers. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. May be taken two (2) times for credit. Applies to Associate Degree.

## JAPANESE

**JAPN M01 Elementary Japanese I 4.00 Units**

Introduces Japanese language, culture, history and people, emphasizing speaking, understanding, reading and writing skills. Requires individualized work in lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: JAPN 2, SEQ A (JAPN M01 + M02).

**JAPN M02 Elementary Japanese II 4.00 Units****PREREQUISITE:** JAPN M01

Further explores Japanese language, culture, history, and people, emphasizing speaking, understanding, reading, and writing. Requires individualized work in lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: JAPN 4, SEQ A (JAPN M01 + M02).

**JAPN M31A Beginning Practical Japanese 3.00 Units**

Provides basic understanding and use of Japanese in practical situations, emphasizing grammar and principles of usage for non-native speakers. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. May be taken two (2) times for credit. Applies to Associate Degree.

## JOURNALISM

**JOUR M01 Media and Society 3.00 Units**

Surveys history and nature of print and electronic media in America, examining social, political and cultural implications. (Same course as RT M01). Applies to Associate Degree. Transfer credit: CSU; UC. CAN: JOURN 4; IGETC AREA 4

**JOUR M02 Writing and Reporting for the Media 3.00 Units**

Introduces reporting and writing for the media. Focuses on information gathering, interviewing and writing for print and broadcast media. Emphasizes news reporting, including the basics of feature writing, journalism law and ethics. Applies to Associate Degree. Transfer credit: CSU. CAN: JOUR 2

**JOUR M08 Basic Photo Journalism 3.00 Units****PREREQUISITE:** PHOT M01A or suitable portfolio

Introduces aspects of photography applicable to mass communication, broadcast and print journalism. Concentrates on translating ideas to images for reproduction in magazines and newspapers and as book illustrations. Includes special effects, use of camera and light as creative tools, and basic motion picture techniques. May be taken two (2) times for credit. (Same course as PHOT M08). Applies to Associate Degree. Transfer credit: CSU

**JOUR M10A Newspaper Staff 3.00 Units**

Emphasizes content and presentation of the college newspaper, including news, features, opinion articles, photos, graphics and advertising. Refines investigative and multi-source writing skills. Applies to Associate Degree. Transfer credit: CSU

**JOUR M10B Newspaper Editorial Staff 3.00 Units**

Emphasizes writing, copy editing, headline writing, and page layout for pre-production of the college newspaper. Explores various aspects of editorial roles and responsibilities. Applies to Associate Degree. Transfer credit: CSU

**JOUR M10C Newspaper Production 3.00 Units****RECOMMENDED PREPARATION:** GR 20 and GR 23

Provides hands-on experience in the pagination and production of the college newspaper. Provides hands-on learning through electronic assembly of the newspaper using computers, scanners and other related equipment. Includes techniques in electronic assembly for both print and web production. May be taken two (2) times for credit. Applies to Associate Degree. Transfer Credit: CSU.

**JOUR M12 Broadcast Journalism 3.00 Units**

Provides advanced practice in preparation of radio and television newscasts. Develops interviewing skills. Includes writing original news copy as well as editing and rewriting wire service copy for on-air purposes. Requires use of remote recording equipment. (Same course as RT M12). Applies to Associate Degree. Transfer credit: CSU

**LATIN****LAT M01 Latin 3.00 Units**

Focuses on gaining fluency and accuracy in reading Latin while learning Roman culture, history and the lasting influence of the Romans on the modern world. Designed for students with no previous Latin.

**LEARNING SKILLS****LS M02 Basic Writing Skills 3.00 Units**

**COREQUISITE:** LS M02L

Develops basic writing skills, including basic grammar, usage, and correct sentence structure. Enables students to write sentences, paragraphs, and short essays. May be taken two (2) times for credit. Does not apply toward a degree.

**LS M02L Writing Skills Laboratory .50 Unit**

**COREQUISITE:** LS M02 **MATERIAL FEES:** A \$2.00 materials fee will be required at registration.

Introduces computer word processing to develop writing skills. Reviews proofreading tools and assistive technology to enhance the writing process. Provides opportunity to practice and reinforce concepts and strategies taught in LS M02. Offered on a credit/no-credit basis only. May be taken two (2) times for credit. Does not apply toward a degree.

**LS M03 Study Skills 3.00 Units**

Introduces fundamental principles of study skills. Includes time management, reading and study strategies, memory improvement, test-taking, note-taking, scholarship search techniques, and research strategies for writing term papers. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC.

**LS M04 Reading and Reasoning 3.00 Units**

**COREQUISITE:** LS M04L

Develops essential reading skills for students with learning disabilities or reading comprehension difficulties. Includes critical thinking skills, inferential comprehension, problem-solving activities and vocabulary development. May be taken two (2) times for credit. Does not apply toward a degree.

**LS M04L Reading Skills Laboratory .50 Unit**

**COREQUISITE:** LS M04 **MATERIAL FEES:** A \$2.00 materials fee will be required at registration.

Develops mastery of reading comprehension skills and vocabulary through the use of computer-based instruction. Provides practice and reinforcement of reading strategies taught in LS M04 - Reading and Reasoning. Offered on a credit/no-credit basis only. May be taken four (4) times for credit. Does not apply toward a degree.

**LS M07A Basic Math Skills I 3.00 Units**

Foundational math course designed for students with math anxiety, who have difficulty understanding and applying mathematical concepts. Covers basic operation with whole numbers, decimals, and fractions. Teaches math test-taking strategies and mnemonic skills for learning and recalling math operations, which can be used in subsequent math courses. May be taken two (2) times for credit. Does not apply toward a degree.

**LS M07B Basic Math Skills II 3.00 Units**

Foundational math course designed for students with math anxiety, who have difficulty understanding and applying mathematical concepts. Covers percents, proportions, measurement and basic algebra. Teaches math test-taking strategies and mnemonic skills for learning and recalling math operations, which can be used in subsequent math courses. May be taken two (2) times for credit. Does not apply toward a degree.

**LS M09 Strategies for Student Success 3.00 Units**

Explores issues relevant to the disabled population in a small group setting including coping with disabilities, self-advocacy, building communication and interpersonal skills, and career exploration. Focus on strategies for time-management, setting and following through on goals, problem solving, and self-management (time-management, money, materials, wellness and stress reduction). May be taken two (2) times for credit. Does not apply toward a degree.

**LS M13 Strategies for Positive Self Esteem 3.00 Units**

Introduces a ten-step model designed to help students become self-empowered individuals with positive self-esteem. Topics include: Letting go of negative past experiences; developing appreciation of self and others; clarifying purpose and vision; setting new goals and objectives; visualization; affirmations; finding success in college, the workplace, the home environment, and in interpersonal relationships; maintaining self esteem. May be taken 2 times for credit. Does not apply toward a degree.

**LS M14 Computer-Aided Instruction/Learning Skills .50 to 1.00 Unit**

Provides opportunity to develop academic skills through the use of computer-based instruction. Offered on a credit/no credit basis only. May be taken four (4) times for credit. Does not apply toward a degree.

**LS M30 Identification and Management of Learning Differences 1.00 Unit**

Introduces and develops learning strategies and self-advocacy skills for students with special needs. May include assessment for learning differences by specially trained staff member and review of related materials, texts, audiovisual materials, or assertive technology as appropriate. May be taken a maximum of two (2) times for credit. Does not apply toward a degree.

**MATHEMATICS****MATH M01A Elementary Algebra Part A 3.00 Units**

**RECOMMENDED PREPARATION:** MATH M09

Briefly reviews arithmetic, including integers, fractions, and decimals. Covers linear equations and inequalities, graphing, and systems of linear equations. Both MATH M01A and M1B must be taken for credit to be given for MATH M01. Applies to the Associate Degree.

**MATH M01 Elementary Algebra 5.00 Units**

**PREREQUISITE:** MATH M09

Briefly reviews arithmetic, including integers, fractions and decimals. Covers linear equations and inequalities, graphing, systems of linear equations, polynomials, rational expressions, integer exponents, square roots and radical expressions, and quadratic equations and the quadratic formula. Applies to Associate Degree.

**MATH M02 Fundamentals of Geometry 3.00 Units**

**RECOMMENDED PREPARATION:** MATH M01; MATH M03 may be taken concurrently.

Concentrates on definitions and properties of lines, segments, planes, rays, angles, triangles, circles and polygons, congruence and similarity of triangles, coordinate systems, areas, volumes, space geometry, triangle trigonometry and methods of proof. Does not apply toward a degree.

**MATH M03 Intermediate Algebra 5.00 Units****PREREQUISITE:** MATH M01

Reviews elementary algebra, including factoring, rational expressions, linear equations and inequalities. Covers determinants and Cramer's Rule, exponents and radicals, complex numbers, functions and graphs, quadratic equations, and exponential and logarithmic functions. Applies to Associate Degree.

**MATH M05 College Algebra 3.00 Units****PREREQUISITE:** MATH M03

This course is primarily designed for students who will be going on to Math M16A/B. Covers polynomial functions, rational functions, theory of equations, logarithmic and exponential functions, complex numbers, mathematical induction, sequences and series, binomial theorem, and matrices and determinants. Completing MATH M05 and MATH M06 is same as completing MATH M07. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M05 and MATH M07 combined: maximum credit, 4 units.) CAN: MATH 10; IGETC AREA 2

**MATH M06 Trigonometry 3.00 Units****PREREQUISITE:** MATH M05 **PREREQUISITE:** MATH M05

Covers functions, trigonometric functions, solutions of triangles, radian measure, analytic trigonometry, trigonometric identities and equations, composite angle identities, inverse trigonometric functions, complex numbers and polar equations, and logarithms. Completing MATH M05 and MATH M06 is same as completing MATH M07. Applies to Associate Degree. Transfer credit: CSU. CAN: MATH 8

**MATH M07 College Algebra and Trigonometry 5.00 Units****PREREQUISITE:** MATH M03

This course is designed primarily for students going on to Calculus (MATH 25A/B/C). Integrates college algebra and trigonometry. Recommended if entering MATH M25ABC sequence. Includes basic algebraic concepts, equations and inequalities of the first and second degree, functions and graphs, linear and quadratic functions, polynomial functions of higher degree, rational functions, exponential and logarithmic functions, trigonometric functions, analytical trigonometry, systems of equations and inequalities, and sequences and series. Taking MATH M05, M06, M07 receives maximum credit of six (6) units. Completing MATH M07 is same as completing both MATH M05 and MATH M06. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M07 and MATH M05 combined: maximum credit, 4 units.) CAN: MATH 16; IGETC AREA 2

**MATH M09 PreAlgebra 3.00 Units****RECOMMENDED PREPARATION:** Competence with whole number arithmetic (addition, subtraction, multiplication and division of whole numbers)

Prepares students for algebra, emphasizes basic arithmetic operations on fractions, decimals, and signed numbers. Provides drills to reinforce operations. Emphasizes problem solving and practical applications on topics such as percent, proportion, and measurement. Includes introduction to basic algebra. Does not apply toward a degree.

**MATH M10 Mathematics for Elementary Teachers 3.00 Units****PREREQUISITE:** MATH M03

Covers language of sets; systems of numeration; nature of numbers and the fundamentals of operations; domain of integers; and fields of rational, real and complex numbers. Satisfies credential requirements for elementary and junior high teachers and/or general education option under basic studies. Not open to majors in physical sciences or mathematics. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MATH 4

**MATH M13 Mathematical Ideas 3.00 Units****PREREQUISITE:** MATH M03

Introduces liberal arts students to the nature of mathematics, the character and origin of different subject fields in mathematics and the application of mathematics to several disciplines. Includes topics in logic, voting theory, management science including circuits, probability, statistics, growth and geometry and related applications such as the traveling salesman problem, fair division, symmetry in nature, and population growth. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MATH 2

**MATH M15 Introductory Statistics 5.00 Units****PREREQUISITE:** MATH M03

Explores nature of statistical methods, including the description of sample data, probability, theoretical frequency distributions, sampling, estimation, testing hypothesis, and special topics. Provides problem solving techniques. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M15 and M15H combined: maximum credit, one course). CAN: STAT 2; IGETC AREA 2

**MATH M15H ☆☆☆ Honors: Introductory Statistics 5.00 Units****PREREQUISITE:** MATH M03 with a grade of B or better.

Provides honors work studying the nature of statistical methods, including the description of sample data, probability, theoretical frequency distributions, sampling, estimation, testing hypothesis, and special topics. Provides problem-solving techniques. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M15H and MATH M15 combined: maximum credit, one course). IGETC AREA 2

**MATH M16A Applied Calculus I 3.00 Units****PREREQUISITE:** MATH M05 or MATH M07

Covers limits, continuity, and differentiation. Applies differential calculus to problems in business, economics, social and biological sciences. Introduces anti-differentiation. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M16A and MATH M25A combined: maximum credit, one course). CAN: MATH 30, MATH SEQ D (MATH M16A+M16B); IGETC AREA 2

**MATH M16B Applied Calculus II 3.00 Units****PREREQUISITE:** MATH M16A or MATH M25A

Includes integration, elementary and separable differential equations, functions of several variables, partial derivatives, relative maxima and minima, Lagrange multipliers, method of least squares, double integrals, infinite series, Taylor Approximation, and Newton's method. Applies calculus to problems in business, economics, and social and biological sciences. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M16B and MATH M25B combined: maximum credit, one course). CAN: MATH 32, MATH SEQ D (MATH M16A+M16B); IGETC AREA 2

**MATH M25A Calculus with Analytic Geometry I 5.00 Units****PREREQUISITE:** MATH M05 and MATH M06 or MATH M07

Covers limits, continuity, differentiation and integration of algebraic functions with applications, differentiation and integration of elementary transcendental functions with applications, and solutions of first order, separable differential equations with applications. Applies to Associate Degree. Transfer credit: CSU; UC (maximum credit, one course). CAN: MATH 18, MATH SEQ A (MATH 25A+25B); SEQ B (MATH M25A + M25B + M25C); IGETC AREA 2

**MATH M25AH ☆☆☆ Honors: Calculus with Analytic Geometry I 5.00 Units****PREREQUISITE:** MATH M05 and MATH M06 or MATH M07**RECOMMENDED PREPARATION:** MATH M02

Provides Honors work covering limits, continuity, differentiation and integration of algebraic functions with applications, differentiation and integration of elementary transcendental functions with applications, and solutions of first order, separable differential equations with applications. Emphasizes mathematical rigor and in depth analysis of real-world applications. Honors work challenges students to be more analytical and creative through expanded assignments and enrichment opportunities. Applies to Associate Degree. Transfer credit: CSU, UC. IGETC AREA 2

**MATH M25B Calculus with Analytic Geometry II** **5.00 Units****PREREQUISITE:** MATH M25A or MATH M16B

Reviews differentiation and integration of logarithmic and exponential functions, then covers inverse trigonometric and hyperbolic functions, techniques of integration, improper integrals and L'Hospital's Rule, sequences, series, and Taylor's Theorem; and analytical geometry including conic sections, translations, rotations, and applications of integration and differentiation. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M25B and MATH M16B combined: maximum credit, one course). CAN: MATH 20, MATH SEQ A (MATH M25A + M25B), SEQ B (MATH M25A + M25B + M25C); IGETC AREA 2

**MATH M25C Calculus with Analytic Geometry III** **5.00 Units****PREREQUISITE:** MATH M25B

Covers vectors in plane and in three dimensional space, dot and cross products, spherical and cylindrical coordinates, functions of several variables, partial differentiation, gradients, Lagrange multipliers, multiple integrals and their applications, vector calculus with line and surface integrals, Greens Stokes, and Divergence Theorems and applications. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MATH 22, MATH SEQ B (MATH M25A + M25B + M25C).

**MATH M31 Introduction to Linear Algebra** **3.00 Units****PREREQUISITE:** MATH M25B

Covers linear systems, matrices, vector spaces, linear transformations, eigenvectors, and eigenvalues, proofs and applications. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MATH 26

**MATH M35 Applied Differential Equations** **3.00 Units****PREREQUISITE:** MATH M25B

Covers ordinary differential equations, equations with constant coefficients, variation of parameters, Laplace transforms, systems of linear equations, first order differential equations, series solutions, and existence and uniqueness of solutions. Emphasizes applications to physics and engineering as well as an introduction to numerical solutions. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MATH 24

## MICROBIOLOGY

**MICR M01 General Microbiology** **5.00 Units****PREREQUISITE:** BIOL M02A and CHEM M12 or CHEM 01A or high school chemistry (all with a grade of C or better).

Microbiological principles and lab techniques related to the morphology, metabolism, genetics, classification, and ecology of bacteria are emphasized. Characterization of viruses and eukaryotic microorganisms is also covered. Content on human disease includes characteristics of pathogens, immunology, and epidemiology. Laboratory exercises include aseptic technique, staining, the determination of bacterial growth conditions and requirements, and the identification of an unknown bacterium. In addition, clinical applications are included in lab exercises, as well as the examination of the bacteriology of water, soil, and food. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: BIOL 14. IGETC AREA 5B

## MULTIMEDIA

**MM M10 Introduction to Multimedia** **3.00 Units****RECOMMENDED PREPARATION:** Eligibility for English M01A

Introduction to the technology, concepts and principles of production used in the New Media industry. Beginning with 2D and 3D presentations, students will look at integration of graphics, text, sound and video for platforms such as the World Wide Web, CD-ROM, DVD, and interactive television. Students will learn to think critically about design for multimedia, while considering the practical, technical, production, and budgetary constraints. Students will also study the history of multimedia, and gain hands-on experience in the basics of multimedia design and production using Adobe Photoshop and Macromedia Flash. (Previously MM M01) Applies to Associate Degree. Transfer credit: CSU

**MM M20 Web Design** **3.00 Units****RECOMMENDED PREPARATION:** Eligibility for English M01A; Computer fundamentals including operating systems, file management word processing, and MM M10, CIS M30.

Introduction to the fundamental aspects of web design, including information architecture, interface design, usability, color theory, web graphics, file formats, and hosting. Still images, simple animation, type, desktop video and sound, and basic interactivity will be used in the design process. Students will produce projects from concept to completion using Macromedia Fireworks, Flash and Dreamweaver. (Previously MM M02). Applies to Associate Degree. Transfer credit: CSU.

**MM M30 Motion Graphics** **3.00 Units****RECOMMENDED PREPARATION:** Eligibility for ENGL M01A. Computer fundamentals including operating systems, file management, word processing; Courses(s): MM M10, RT M02A.

Develops the concepts, skills and techniques used in creating and editing motion graphics through hands-on digital video production exercises. Fundamental principles of time-based design, including forms of narrative, storyboarding, composition, visual design and sound and motion will be explored. Using video editing software and Adobe After Effects, students will produce projects from concept to completion. (Previously MM M03) Applies to Associate Degree. Transfer credit: CSU

**MM M40 Introduction to 3D Modeling and Animation** **3.00 Units****RECOMMENDED PREPARATION:** MM M10 and Eligibility for ENGL M01A.

Introduces the fundamental concepts of 3D computer design, including: modeling, texture mapping and animation. Students create character animation, construct set designs, and complete an independent animated project. Emphasis is upon the conceptual issues and strategies in project development, as well as a working knowledge of Cinema 4D software. (Previously MM M04). Applies to Associate Degree. Transfer credit: CSU

**MM M50 Interactive Design** **3.00 Units****RECOMMENDED PREPARATION:** Eligibility for ENGL M01A; Web Design fundamentals; MM M20.

Focuses on the total design of web and interactive media applications. Topics include design issues and methodology, design and implementation of audio, video and 3D elements, production processes, teamwork, compatibility issues, optimization, and testing. Working in teams, students will participate in a directed design and implementation of an interactive media application using Cinema 4D, Adobe After Effects, and Macromedia Flash. (Previously MM M05) Applies to Associate Degree. Transfer credit: CSU

## MUSIC

**MUS M01 Fundamentals of Music** **3.00 Units**

Introduces music theory, notation, intervals, scales, triads, sight singing, and dictation for those with little or no musical experience. Applies to Associate Degree. Transfer credit: CSU; UC (no credit if taken after MUS M02A). IGETC AREA 3A

**MUS M02A Diatonic Harmony** **3.00 Units****PREREQUISITE:** MUS M01 **COREQUISITE:** MUS M02AL

Studies diatonic harmonic vocabulary, four-part chorale writing and voice leading, figured bass, harmonic progression, melodic invention and harmonization and nonharmonic tones. Applies to Associate Degree. Transfer credit: CSU; UC

<b>MUS M02AL</b>	<b>Aural Skills I</b>	<b>2.00 Units</b>
<i>COREQUISITE: MUS M02A</i>		
Includes sight-singing, as well as rhythmic, melodic, and diatonic harmonic dictation to correlate to harmonic vocabulary of MUS M02A. Makes extensive use of Music Learning Center. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MUS 2.		
<b>MUS M02B</b>	<b>Chromatic Harmony</b>	<b>3.00 Units</b>
<i>PREREQUISITE: MUS M02A COREQUISITE: MUS M02BL</i>		
Emphasizes pivot chord modulation. Studies chromatic harmonic vocabulary, foreign key modulation, keyboard and instrumental styles, and composition. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MUS 4.		
<b>MUS M02BL</b>	<b>Aural Skills II</b>	<b>2.00 Units</b>
<i>PREREQUISITE: MUS M02AL COREQUISITE: MUS M02B</i>		
Develops aural skills introduced in MUS M02B: sight-singing in solfege, rhythmic clapping, and dictation (rhythmic, melodic, and harmonic), which use the diatonic harmonic vocabulary. Gradually adds chromatic harmonic vocabulary to all aspects of aural skills as the theoretical concept is clarified. Emphasizes computer-aided instruction in the Music Learning Center. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>MUS M02C</b>	<b>Musical Analysis</b>	<b>3.00 Units</b>
<i>PREREQUISITE: MUS M02B COREQUISITE: MUS M02CL</i>		
Analyzes musical form and harmonic problems while surveying musical literature from the Baroque to the 20th century. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>MUS M02CL</b>	<b>Aural Skills III</b>	<b>2.00 Units</b>
<i>PREREQUISITE: MUS M02BL COREQUISITE: MUS M02C</i>		
Emphasizes individualized work in Music Learning Center. Includes complex drill in all areas of musicianship. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>MUS M04</b>	<b>Survey of World Music</b>	<b>3.00 Units</b>
Surveys selected world music traditions, examining style, performance practice, and cultural context. Reviews the range and diversity of musical expression in a variety of world cultures, Western and Non-Western, expanding appreciation. Requires field trips and concert attendance. Applies to Associate Degree. Transfer credit: CSU; UC (MUS M04 and M04H combined: maximum credit, one course). IGETC AREA 3A		
<b>MUS M04H</b>	☆☆ <b>Honors: Survey of World Music</b>	<b>3.00 Units</b>
Provides honors work that surveys selected world music traditions, examining style, performance practice, and cultural context. Reviews the range and diversity of musical expression in a variety of world cultures, Western and Non-Western, expanding appreciation. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Requires field trips and concert attendance. Applies to Associate Degree. Transfer credit: CSU; UC (MUS M04H and MUS M04 combined: maximum credit, one course). IGETC AREA 3A		
<b>MUS M08</b>	<b>Music Appreciation</b>	<b>3.00 Units</b>
Introduces history of music, emphasizing understanding and enjoyment. Investigates basic elements of music, including structure of musical compositions as well as orchestral instrumentation. Focuses on styles, characteristics and composers representative of (but not limited to) Western classical tradition, with directed listening of major musical examples. Not recommended for Music majors. Applies to Associate Degree. Transfer Credit: CSU; UC. IGETC AREA 3A		
<b>MUS M09A</b>	<b>Music History and Literature</b>	<b>3.00 Units</b>
Explores musical activity, influences, and contributions of Greek and Roman civilizations. Traces development of music of Western world from Romanesque period to Baroque, including major composers as well as instrumental and vocal forms of each period. Requires listening to, identifying, and analyzing representative works of each period. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 3A		
<b>MUS M10</b>	<b>Concert Choir</b>	<b>2.00 Units</b>
Singing organization. Teaches choral music selected from the Renaissance, Baroque, Classical, Romantic, and Modern Periods. Includes performing in on-campus concerts, high school assembly programs, community college choral festivals, and other community events. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>MUS M12</b>	<b>Vocal Ensemble</b>	<b>2.00 Units</b>
<i>PREREQUISITE: Audition</i>		
Select group of singers. Studies and performs suitable choral music from all periods. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>MUS M13A</b>	<b>Fundamentals of Vocal Technique I</b>	<b>2.00 Units</b>
Begins development of vocal potential to correct faulty singing and to lay foundation for proper vocal production. Emphasizes vocal exercises as well as material sung in Italian, English and German. Designed for both majors and non-majors. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>MUS M13B</b>	<b>Fundamentals of Vocal Technique II</b>	<b>2.00 Units</b>
<i>PREREQUISITE: MUS M13A</i>		
Expands vocal development through advanced vocal exercises and the introduction of advanced material, including art songs, opera and oratorio literature. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>MUS M13C</b>	<b>Advanced Vocal Development I</b>	<b>2.00 Units</b>
<i>PREREQUISITE: MUS M13B</i>		
Continues development of a proper vocal production. Includes English, Italian, German, French art songs and more demanding opera and oratorio literature. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>MUS M13D</b>	<b>Advanced Vocal Development II</b>	<b>2.00 Units</b>
<i>PREREQUISITE: MUS M13C</i>		
Further expands vocal development through study and performance. Includes more challenging material, emphasizing operatic and oratorio literature as well as more difficult art songs. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>MUS M15</b>	<b>Moorpark Community Orchestra</b>	<b>2.00 Units</b>
<i>PREREQUISITE: Ability to read music and proficiency on orchestral instrument</i>		
Moorpark Community Orchestra. Provides rehearsals and public performances for instrumentalists. Focuses on standard orchestral repertoire, ranging from chamber music to symphonies covering Renaissance to modern periods. Requires performances. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>MUS M16</b>	<b>Opera Theatre</b>	<b>2.00 Units</b>
<i>PREREQUISITE: MUS M13C</i>		
Introduces song literature from musical theatre, focusing on the study and performance of operas and musicals in excerpt or as complete productions. Designed for singers with proven ability and interest in drama. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC		

- MUS M17 Summer Music Theatre** \_\_\_\_\_ **3.00 Units**  
**PREREQUISITE:** Audition  
 Prepares complete musical theatre work from rehearsal to community performance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M18 Jazz Ensemble** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** Ability to play a musical instrument appropriate to Jazz Ensemble (piano, percussion, sax, trumpet, guitar, bass guitar, or electronic instruments)  
 Requires reading, preparing and performing music arranged for jazz ensemble and big band. Includes rehearsal for and performance at scheduled concerts. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M19 Chamber Ensembles** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** Ability to play a musical instrument and to read music notation  
 Requires study, rehearsal and performance of chamber music literature from Renaissance to the 20th Century. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M20 Piano Ensemble** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** MUS M25B  
 Covers piano literature for one piano/four hands and for two pianos/four hands. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M21 Wind Ensemble** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** Ability to perform on a standard band instrument  
 Provides rehearsals and public performances for wind and percussion instrumentalists, focusing on a standard wind ensemble and symphonic bank repertoire. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M25A Class Piano Beginning I** \_\_\_\_\_ **2.00 Units**  
 Designed for students with little or no prior piano experience. Includes the fundamentals of piano playing, music reading, technique, improvisation, scales, chords, and simple piano literature. Applies to Associate Degree. Transfer credit: CSU; UC. CAN MUS 22.
- MUS M25B Class Piano Beginning II** \_\_\_\_\_ **2.00 Units**  
**RECOMMENDED PREPARATION:** MUS M25A  
 Designed for students with basic music reading ability and keyboard coordination. Includes the further development of greater independence of hands and reinforces the fundamentals of piano playing, including music reading, technique, improvisation, scales, chords, and simple piano literature. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MUS 24
- MUS M25C Class Piano Intermediate I** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** MUS M25B  
 Provides further development of greater independence of hands and reinforces the fundamentals of piano playing, including music reading, technique, improvisation, scales, and chords. Includes an overview and study of the teaching pieces of the major important composers. Applies to Associate Degree. Transfer credit: CSU; UC.
- MUS M25D Class Piano Intermediate II** \_\_\_\_\_ **2.00 Units**  
**PREREQUISITE:** MUS M25C  
 Provides further development of greater independence of hands and reinforces the fundamentals of piano playing, including music reading, technique, improvisation, scales, and chords. Includes an overview and study of intermediate-advanced pieces of the major important composers. Applies to Associate Degree. Transfer credit: CSU; UC.
- MUS M29 Repertoire Class** \_\_\_\_\_ **1.00 Unit**  
**PREREQUISITE:** Acceptance into MUS M30 **COREQUISITE:** MUS M30  
 Requires performance of musical literature studied in MUS M30. Provides critique by instructor and class. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M30A Woodwind** \_\_\_\_\_ **1.00 Unit**  
**PREREQUISITE:** AUDITION REQUIRED. Performance at college level to be accepted into MUS 30 Applied Music Program. Audition based on repertoire standards published by Music Department.  
**COREQUISITE:** (1) Repertoire Class - MUS M29; (2) Music Theory - MUS M02A/M02AL, M02B/M02BL, M02C/M02CL or MUS M02D/M02DL; (3) Performance Ensemble MUS M10, M15, M18, M19, M20, or M21, M60D, M60G, M60P or M60V  
 Offers individual instruction by approved instructors in performance of literature for the individual instrument. Provides a one-hour private lesson, and requires six hours of practice on campus per week. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU;UC.
- MUS M30B Brass** \_\_\_\_\_ **1.00 Unit**  
**PREREQUISITE:** AUDITION REQUIRED. Performance at college level to be accepted into MUS 30 Applied Music Program. Audition based on repertoire standards published by Music Department.  
**COREQUISITE:** (1) Repertoire Class - MUS M29; (2) Music Theory - MUS M02A/M02AL, M02B/M02BL, M02C/M02CL or MUS M02D/M02DL; (3) Performance Ensemble MUS M10, M15, M18, M19, M20, or M21, M60D, M60G, M60P or M60V  
 Offers individual instruction by approved instructors in performance of literature for the individual instrument. Provides a one-hour private lesson, and requires six hours of practice on campus per week. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU;UC.
- MUS M30C Strings** \_\_\_\_\_ **1.00 Unit**  
**PREREQUISITE:** AUDITION REQUIRED. Performance at college level to be accepted into MUS 30 Applied Music Program. Audition based on repertoire standards published by Music Department.  
**COREQUISITE:** (1) Repertoire Class - MUS M29; (2) Music Theory - MUS M02A/M02AL, M02B/M02BL, M02C/M02CL or MUS M02D/M02DL; (3) Performance Ensemble MUS M10, M15, M18, M19, M20, or M21, M60D, M60G, M60P or M60V  
 Offers individual instruction by approved instructors in performance of literature for the individual instrument. Provides a one-hour private lesson, and requires six hours of practice on campus per week. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU;UC.
- MUS M30D Piano** \_\_\_\_\_ **1.00 Unit**  
**PREREQUISITE:** AUDITION REQUIRED. Performance at college level to be accepted into MUS 30 Applied Music Program. Audition based on repertoire standards published by Music Department.  
**COREQUISITE:** (1) Repertoire Class - MUS M29; (2) Music Theory - MUS M02A/M02AL, M02B/M02BL, M02C/M02CL or MUS M02D/M02DL; (3) Performance Ensemble MUS M10, M15, M18, M19, M20, or M21, M60D, M60G, M60P or M60V  
 Offers individual instruction by approved instructors in performance of literature for the individual instrument. Provides a one-hour private lesson, and requires six hours of practice on campus per week. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU;UC.

**MUS M30E**      **Guitar** \_\_\_\_\_ **1.00 Unit**

*PREREQUISITE: AUDITION REQUIRED. Performance at college level to be accepted into MUS 30 Applied Music Program. Audition based on repertoire standards published by Music Department.*

*COREQUISITE: (1) Repertoire Class - MUS M29; (2) Music Theory - MUS M02A/M02AL, M02B/M02BL, M02C/M02CL or MUS M02D/M02DL; (3) Performance Ensemble MUS M10, M15, M18, M19, M20, or M21, M60D, M60G, M60P or M60V*

Offers individual instruction by approved instructors in performance of literature for the individual instrument. Provides a one-hour private lesson, and requires six hours of practice on campus per week. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU;UC.

**MUS M30F**      **Percussion** \_\_\_\_\_ **1.00 Unit**

*PREREQUISITE: AUDITION REQUIRED. Performance at college level to be accepted into MUS 30 Applied Music Program. Audition based on repertoire standards published by Music Department.*

*COREQUISITE: (1) Repertoire Class - MUS M29; (2) Music Theory - MUS M02A/M02AL, M02B/M02BL, M02C/M02CL or MUS M02D/M02DL; (3) Performance Ensemble MUS M10, M15, M18, M19, M20, or M21, M60D, M60G, M60P or M60V*

Offers individual instruction by approved instructors in performance of literature for the individual instrument. Provides a one-hour private lesson, and requires six hours of practice on campus per week. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU;UC.

**MUS M30G**      **Voice** \_\_\_\_\_ **1.00 Unit**

*PREREQUISITE: AUDITION REQUIRED. Performance at college level to be accepted into MUS 30 Applied Music Program. Audition based on repertoire standards published by Music Department.*

*COREQUISITE: (1) Repertoire Class - MUS M29; (2) Music Theory - MUS M02A/M02AL, M02B/M02BL, M02C/M02CL or MUS M02D/M02DL; (3) Performance Ensemble MUS M10, M15, M18, M19, M20, or M21, M60D, M60G, M60P or M60V*

Offers individual instruction by approved instructors in performance of literature for the individual instrument. Provides a one-hour private lesson, and requires six hours of practice on campus per week. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU;UC.

**MUS M32**      **Class Guitar** \_\_\_\_\_ **2.00 Units**

Introduces basic skills required to play simple melodies and first position chords on both acoustic and electric guitars. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**MUS M60A**      **Intermediate Orchestral Techniques** \_\_\_\_\_ **2.00 Units**

*PREREQUISITE: MUS M15*

Emphasizes rehearsal disciplines and responsibilities (bowing, fingering, and dynamics). May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**MUS M60D**      **Los Robles Master Chorale** \_\_\_\_\_ **2.00 Units**

*PREREQUISITE: Audition*

Performance group designed for experienced singer. Emphasizes choral works of master composers from the Renaissance, Baroque, Classic, Romantic, and Modern Periods that are suitable for the large ensemble. Requires audition and performances. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**MUS M60F**      **Advanced Orchestral Techniques** \_\_\_\_\_ **2.00 Units**

*PREREQUISITE: MUS M60A*

Emphasizes interpretation of rhythm and phrasing. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**MUS M60G**      **Advanced Chamber Music** \_\_\_\_\_ **2.00 Units**

*PREREQUISITE: MUS M19*

Continues instruction in the performance of small ensemble instrumental music. Studies graded literature for various instrumental combinations for rehearsal and performance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**MUS M60J**      **Intermediate Jazz Performance** \_\_\_\_\_ **2.00 Units**

*PREREQUISITE: MUS M18*

Emphasizes improvisational techniques as well as rehearsal disciplines and responsibilities (i.e., fingerings, dynamics, ensemble techniques, various jazz styles, etc.). Requires rehearsal for and performance at scheduled concerts. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**MUS M60K**      **Advanced Jazz Performance** \_\_\_\_\_ **2.00 Units**

*PREREQUISITE: MUS M60J*

Further emphasizes jazz performance styles as well as rehearsal disciplines and responsibilities. Requires rehearsal for and performance at scheduled concerts. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**MUS M60P**      **Advanced Choral Performance** \_\_\_\_\_ **2.00 Units**

*PREREQUISITE: Audition*

Requires strong note reading abilities and voice skills. Includes performance of advanced choral literature. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**MUS M60V**      **Advanced Concert Choir** \_\_\_\_\_ **2.00 Units**

*PREREQUISITE: MUS M10 and MUS M60P; audition required*

Choral organization. Focuses on refinement of choral singing, emphasizing intonation, tonal quality, tonal blend and balance, textual articulation, interpretation, and stage presence. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

## NURSING SCIENCE

**NS M01**      **Beginning Nursing Science** \_\_\_\_\_ **4.00 Units**

*PREREQUISITE: Admission to Moorpark College ADN Program*

*COREQUISITE: NS M01L MATERIAL FEES: A \$136 materials fee will be required at registration.*

Introduces the nursing process as the foundation for nursing practice, the nursing skills and principles necessary to implement for process, and the roles of nurse as a care provider, manager and contributor to the profession. Nursing values of caring, integrity, ethical practice, diversity, education, service and quality are emphasized. Based on the concepts of Orem's Self-Care Model, the focus is on assessment, identifying the client's universal self-care requisites: air, water, food, elimination, activity, social, safety and normalcy in the adult and elder. Assessment of the integumentary, musculoskeletal, respiratory, gastrointestinal, genitourinary and neurological system including sleep, comfort and pain will be covered. Nursing actions related to health promotion and deviations: endocrine, cardiac, and respiratory will be addressed. May be taken two (2) times for credit. (Formerly NS M01A and M01B). Applies to Associate Degree. Transfer credit: CSU.

**NS M01L**      **Beginning Nursing Clinical Laboratory I** \_\_\_\_\_ **4.50 Units**

*PREREQUISITE: Admission to Moorpark College ADN Program COREQUISITE: NS M01*

Provides application of the nursing process to 1-2 selected adult and geriatric populations with nursing actions related to health promotion and deviations in: endocrine, cardiac, and respiratory in the acute and extended care settings. May be taken two (2) times for credit. (Formerly NS M01AL and NS M01BL). Applies to Associate Degree. Transfer credit: CSU.

**NS M02 Intermediate Nursing Science I \_\_\_\_\_ 5.00 Units****PREREQUISITE:** NS M01/M01L **COREQUISITE:** NS M02L**MATERIAL FEES:** A \$56 materials fee will be required at registration.

Focuses on Orem's Self Care Model and critical thinking in the application of the nursing process in selected adult, geriatric, and pediatric populations with nursing actions related to health promotion and deviations: pregnancy/complications, fetal development, labor and delivery, postpartum and newborn periods, pediatrics, women's health, gastrointestinal, fluid/electrolyte, peripheral vascular, musculoskeletal, sensory, skin integrity, and hematology. Diagnostic measures, medical therapeutic modalities, pharmacology and medication administration, nutrition, cultural and bio-psycho-social-spiritual concepts with preventive, supportive, and rehabilitative nursing are incorporated. Also, legal and ethical considerations, growth and development as related to the client's therapeutic self-care demands are addressed. May be taken two (2) times for credit. (Formerly NS M02A and NS M02B). Applies to Associate Degree. Transfer credit: CSU.

**NS M02L Intermediate Nursing Science Clinical Laboratory I \_\_\_\_\_ 4.50 Units****COREQUISITE:** NS M02

Provides application of the nursing process to 2-3 selected adult, geriatric, maternal and pediatric populations with nursing actions related to health promotion and deviations in the acute and ambulatory care settings. (Formerly NS M02AL and NS M02BL) May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU.

**NS M03 Intermediate Nursing Science II \_\_\_\_\_ 5.00 Units****PREREQUISITE:** NS M02 **COREQUISITE:** NS M03L**MATERIAL FEES:** A \$56 materials fee will be required at registration.

Focuses on Orem's Self Care Model and critical thinking in the application of the nursing process in selected adult, geriatric, pediatric, family and group/care-giver populations with nursing actions related to health promotion and deviations: psycho-social, mental illness, neurologic, genital urinary, hepatic, and endocrine. Diagnostic measures, medical therapeutic modalities, pharmacology and medication administration, nutrition, cultural and bio-psycho-social-spiritual concepts with preventive, supportive, and rehabilitative nursing are incorporated. Also, legal and ethical considerations, growth and development as related to the client's therapeutic self-care demands are addressed. May be taken two (2) times for credit. (Formerly NS M03A and NS M03B). Applies to Associate Degree. Transfer credit: CSU

**NS M03L Intermediate Nursing Science Clinical Laboratory II 5.00 Units****COREQUISITE:** NS M03

Provides application of the nursing process to 2-4 selected adult, adolescent, geriatric, and mental health patient populations with nursing actions related to health promotion and deviations in the acute and community health settings. Applies critical thinking and problem solving skills and refines communication and interpersonal relationship skills. Focuses on patient care management. (Formerly NS M03AL and NS M03BL). May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU.

**NS M04 Advanced Nursing Science \_\_\_\_\_ 4.00 Units****PREREQUISITE:** NS M0 **COREQUISITE:** NS M04L**MATERIAL FEES:** A \$56 materials fee will be required at registration.

This advanced course of nursing practice focuses on the application of the nursing process to the client with complex health deviations involving multiple organ systems. A holistic approach of viewing the clients health functions (organic, psychological, and social) throughout the life cycle is utilized, within the professional nursing practice importance is placed on three systems: compensatory, partially compensatory, and educative supportive. Additional emphasis is placed on nursing judgment reflecting critical thinking, decision-making, leadership, collaboration, and teaching based on application of theory. Designed to ease the transition from student to staff nurse. A portion of the course focus is on the health care delivery systems and the practice of nursing including: legal and ethical issues, professional organizations, reality shock, conflict resolution and current issues that confront nurses today. Principles concerning delivery of nursing care, leadership and professionalism relevant to current nursing practice will be presented. May be taken two (2) times for credit. (Formerly NS M04A and NS M04B). Applies to Associate Degree. Transfer credit: CSU.

**NS M04L Advanced Nursing Clinical Laboratory \_\_\_\_\_ 5.00 Units****COREQUISITE:** NS M04

Applies organizational, leadership and management skills in providing care to a group of patients in the intensive care, acute and ambulatory care settings. (Formerly NS M04AL). Applies to Associate Degree. Transfer credit: CSU.

**NS M11 Nursing Skills Laboratory \_\_\_\_\_ 1.00 Unit****RECOMMENDED PREPARATION:** NS M02

Provides application of theory from NS M01 through simulated clinical experience, computer-assisted instruction, audio-visual aids, case study discussions, and individualized instruction. Open-lab structure allows individually arranged lab hours. (Formerly NS M11A and M11B). May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU.

**NS M12 Nursing Skills Laboratory \_\_\_\_\_ 1.00 Unit****RECOMMENDED PREPARATION:** NS M02

Provides application of theory from NS M02 through simulated clinical experience, computer-assisted instruction, audio-visual aids, case study discussions, and individualized instruction. Open-lab structure allows individually arranged lab hours. (Formerly NS M12A and M12B). May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU.

**NS M13 Nursing Skills Laboratory \_\_\_\_\_ 1.00 Unit****RECOMMENDED PREPARATION:** NS M03

Provides application of theory from NS M03 through simulated clinical experience, computer-assisted instruction, audio-visual aids, case study discussions, and individualized instruction. Open-lab structure allows individually arranged lab hours. (Formerly NS M13A and M13B). May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU.

**NS M14 Nursing Skills Laboratory \_\_\_\_\_ 1.00 Unit****RECOMMENDED PREPARATION:** NS M04

Provides application of theory from NS M04 through simulated clinical experience, computer-assisted instruction, audio-visual aids, case study discussions, and individualized instruction. Open-lab structure allows individually arranged lab hours. (Formerly NS M14A and M14B). May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU.

**NS M60A Holistic Health Care Practice \_\_\_\_\_ 1.50 Units**

Explores healthcare practices which compliment the Western/allopathic mode of health care. Content includes relaxation therapy, meditation, guided imagery, therapeutic touch, Reiki Level 1, and use of herbs for treatment of most common ailments. Designed for the layperson, the lay caregiver, and all health care professionals. (Same course as HS M60A.) Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 35 contact hours. Applies to Associate Degree. Transfer credit: CSU

**NS M60C Labor and Delivery Room Nursing \_\_\_\_\_ 2.00 Units****PREREQUISITE:** Registered Nurse or Licensed Vocational Nurse

Provides program of study for Registered Nurses and Licensed Vocational Nurses interested in advanced nursing practice in Labor and Delivery. Focuses on application of the nursing process using a systematic approach and critical thinking skills necessary to ensure a safe labor and delivery. Provider approved by the California Board of Registered Nursing. Provider number CEP 2811 for 22.5 contact hours. May be taken one (1) time for credit. Applies to Associate Degree

# NUTRITIONAL SCIENCE

**NTS M01 Nutrition 3.00 Units**  
Introduces nutrients as well as their sources, assimilation, functions and requirements. Includes evaluation of current national and international problems with nutritional information presented in mass media. Applies to Associate Degree. Transfer credit: CSU; UC (NTS M01 or NTS M03 combined with PHSO M02: maximum credit, one course). CAN: FCS 2

# PHILOSOPHY

**PHIL M01 Introduction to Philosophy 3.00 Units**  
Systematically explores the concepts of knowledge, reality, and value, including review of epistemology, metaphysics, ethics, aesthetics, political philosophy, and philosophy of religion. Introduces idealism, realism, skepticism, materialism, and relativism. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: PHIL 2; IGETC AREA 3B

**PHIL M01H ☆☆☆ Honors: Introduction to Philosophy 3.00 Units**  
Honors work in the systematic exploration of the concepts of knowledge, reality, and value, including review of epistemology, metaphysics, ethics, aesthetics, political philosophy, and philosophy of religion. Introduces idealism, realism, skepticism, materialism, and relativism. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to Associate Degree. Transfer credit: CSU, UC(PHIL M01 and M01H combined: maximum credit, one course). CAN: PHIL 2. IGETC AREA 3B

**PHIL M02 Introduction to Ethics 3.00 Units**  
Studies the types and applications of moral theories. Analyzes the normative and non-normative factors in making moral choices, as well as the nature of moral standards and values and their relevance to contemporary moral issues, such as abortion, capital punishment, sexuality and marriage, war, etc. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: PHIL 4; IGETC AREA 3B

**PHIL M05 Critical Thinking and Analytic Writing 3.00 Units**  
*PREREQUISITE: ENGL M01A*  
Introduces critical reasoning, including analysis and synthesis, induction and deduction, and identification of assumptions and perspectives. Emphasizes oral and written analysis and argumentation, clarifying fact, belief and value and identifying and avoiding common fallacies of thought, logic and language. Expands development of critical reading, analytic writing and the relation of writing to critical thinking beyond level achieved in ENGL M01A. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 1B

**PHIL M07 Introduction to Logic 3.00 Units**  
Explores deductive and inductive thought processes, emphasizing definition, verification, validity, forms of argument and of fallacious reasoning, and application of various areas of inquiry. Provider approved by the California Board of Registered Nursing. Provider number CEP 2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: PHIL 6; IGETC AREA 3B

**PHIL M09 Symbolic Logic 3.00 Units**  
Introduces symbolic logic, including the logic of connectives and quantifiers. Includes truth functional composition, consistency trees, derivations, and quantifications. Applies to Associate Degree. Transfer credit: CSU; UC

**PHIL M11 Survey of World Religions: West 3.00 Units**  
Systematically introduces major ideas of the worlds western religious traditions, including Judaism, Christianity and Islam. Explores cultural and historical contexts in which each religion arose as well as recent offshoots of these traditions. Views each religion from the standpoint of its proponents. Emphasizes main similarities and differences exhibited within these traditions. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 3B

**PHIL M12 Survey of World Religions: East 3.00 Units**  
Systematically introduces major ideas of the world's eastern religious traditions, including Hinduism, Zoroastrianism, Buddhism, Jainism, Sikhism, Taoism, Confucianism and Shinto. Explores cultural and historical contexts in which these religions arose. Views each religion from the standpoint of its proponents. Emphasizes main similarities and differences exhibited within these traditions. Provider approved by the California Board of Registered Nursing. Provider number CEP 2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 3B

**PHIL M13 The Classical Mind 3.00 Units**  
*RECOMMENDED PREPARATION: ENGL M01A*  
Surveys ancient and medieval philosophy up to the Renaissance, emphasizing the development of central philosophical themes. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 3B

**PHIL M15 Introduction to Ethics: Business 3.00 Units**  
*RECOMMENDED PREPARATION: ENGL M02 or BUS M28 or ESL M33*  
Serves as an introduction to moral philosophy. Covers analysis of different major moral theories: consequentialist and non-consequentialist. Includes the construction and evaluation of moral arguments. Consideration is given to classical, modern, and contemporary authors, and various ways of developing an overall satisfactory business ethical theory for contemporary society. Problems in business ethics are examined. Applies to Associate Degree. Transfer credit: CSU; UC.

# PHOTOGRAPHY

**PHOT M01A Beginning Photography 3.00 Units**  
Explores photography as a means of creative expression. Introduces photographic theory, including camera operation, exposure, developing and printing. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ART 18

**PHOT M01B Intermediate Photography 3.00 Units**  
*PREREQUISITE: PHOT M01A or suitable portfolio*  
Explores variety of traditional techniques in black and white, including high contrast images, solarization, posterization, gum bichromate printing and cyanotypes. Reviews film sensitivity testing, developing density parameters, paper and paper developer characteristics, archival processing, the use of medium format cameras and introduction to the view camera. Emphasizes creativity. Applies to Associate Degree. Transfer credit: CSU; UC

**PHOT M02 History of Photography 3.00 Units**  
Surveys history of photography from Aguirre to contemporary images. Explores genres and theories begun in past but which intensify and clarify current work. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 3A

**PHOT M06 Electronic and Digital Photography 3.00 Units**  
*PREREQUISITE: One course in the discipline*  
*MATERIAL FEES: A \$5.00 materials fee will be required at registration.*  
Focuses on Adobe Photoshop for photography, computer graphics, illustration and graphic design. Includes appropriate techniques for scanning negatives, transparencies, reflective materials, type effects, color correction, selection techniques, special effects, channel calculations, adjustment layers, output devices and clipping paths/groups. Clarifies relationship between traditional film-based photography and digital techniques. May be taken two (2) times for credit. Formerly PHOT M601. (Same course as GR M27.) Applies to Associate Degree.

**PHOT M08 Basic Photo Journalism 3.00 Units***PREREQUISITE: PHOT M01A or suitable portfolio*

Introduces aspects of photography applicable to mass communication, broadcast and print journalism. Concentrates on translating ideas to images for reproduction in magazines and newspapers and as book illustrations. Includes special effects, use of camera and light as creative tools, and basic motion picture techniques. May be taken two (2) times for credit. (Same course as JOUR M08). Applies to Associate Degree. Transfer credit: CSU

**PHOT M60D Laboratory Practice 1.00 Unit**

Offers instructor supervised lab work for beginning, intermediate and advanced students. May be taken four (4) times for credit. Applies to Associate Degree.

**PHOT M60E Laboratory Practice 2.00 Units**

Offers instructor supervised lab work for beginning, intermediate and advanced students. May be taken four (4) times for credit. Applies to Associate Degree.

**PHYSICAL EDUCATION****PE M01A Walking for Fitness 1.00 to 1.50 Units**

Provides exercise and fitness training, emphasizing cardiovascular conditioning to improve muscle tone. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M02A Body Conditioning/Fitness Lab 0.50 to 1.50 Units**

For additional information log onto the Fitness Lab web address: [www.moorparkcollege.edu/~fitness/](http://www.moorparkcollege.edu/~fitness/).

Emphasizes cardiovascular fitness, strength, muscle endurance and flexibility. Allows individual scheduling of required lab hours. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M02B Body Conditioning/Free Weights 0.50 to 1.50 Units**

Introduces overall body conditioning. Emphasizes improving the cardiovascular system, enhancing flexibility, and increasing muscular strength. Includes jogging, stretching, and specific free weight exercises. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M03A Running for Fitness and Conditioning 1.50 Units**

Emphasizes improved physical health and cardiovascular fitness through running and overall conditioning. Includes endurance training with a gradual increase in distance. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M05 Bowling 1.50 Units**

*MATERIAL FEES: FEE: \$7.00 per class (3 games) includes shoes.*

Introduces rules, etiquette, safety and techniques of bowling. Meets off campus. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M06A Beginning Golf 1.00 to 1.50 Units**

Introduces basic rules and skills needed for playing golf. Includes development of skills and analysis of technique. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M06C Intermediate Golf 1.00 to 1.50 Units**

*PREREQUISITE: PE M06A*

Expands golfing skills through more extensive review of techniques and increased practice. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M08 Power Lifting/Free Weights 1.50 Units**

Introduces weight training and conditioning to build strength, power, and bulk. Focuses on the development of upper body strength, rehabilitation and strengthening of knee joints, and refinement of power lifting for the lower body. Emphasizes quickness, coordination, balance and speed through competitive drills and routines. May be taken a maximum of four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M11A Beginning Tennis I 1.00 to 1.50 Units**

Introduces beginning tennis skills, including etiquette, rules, and basic techniques. May be taken a maximum of four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**PE M11C Intermediate Tennis 1.00 to 1.50 Units**

*PREREQUISITE: PE M11A*

Expands strategies, rules and techniques of tennis, emphasizing both singles and doubles play. May be taken a maximum of four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M11D Advanced Tennis 1.00 to 1.50 Units**

*PREREQUISITE: PE M11C*

Expands experienced players individual techniques. Reviews rules and strategies for both singles and doubles play. Emphasizes tournament play. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M12 Extreme Aerobic Mix 1.00 Unit**

Develops a high level of cardiovascular efficiency. Promotes strength and flexibility through a variety of high-energy activities. Utilizes aerobic dance, funk, hip-hop, step, cardio kickboxing, and plyometrics to achieve a high level of conditioning and coordination. May be taken for a maximum of four (4) times. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M12 Extreme Aerobic Mix 1.50 Units**

Develops a high level of cardiovascular efficiency. Promotes strength and flexibility through a variety of high-energy activities. Utilizes aerobic dance, funk, hip-hop, step, cardio kickboxing, and plyometrics to achieve a high level of conditioning and coordination. May be taken for a maximum of four (4) times. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M13 Hiking and Backpacking 2.00 Units**

Uses lecture, field study and experience to introduce sport of hiking and backpacking. Covers conditioning, skills, information and resources. Emphasizes safety procedures. Requires field trips. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M15 Cardio Kick Boxing 1.00 to 1.50 Units**

Offers a comprehensive and balanced program that develops proficiency in cardio kick boxing skills as well as physical and general health. Works every major muscle group in the upper and lower body, varying movements and speed to accommodate the fitness level of all students. Applies to Associate Degree. Transfer credit: CSU; UC\*

**PE M16 Flexible Strength/Pilates Mat 1.00 to 1.50 Units**

A training technique designed to strengthen and tone muscles, improve posture, provide flexibility and balance, and create a more streamlined shape. Designed to emphasize the core muscles – the abdominal area, lower back, hips, and buttocks – thereby providing a strong foundation for any activity. Applies to Associate Degree. Transfer credit: CSU.

**PE M17 Conditioning for Athletic Competition 1.50 Units**

Designed to prepare and condition prospective athletes for competition. Athletics require an advanced degree of skill and preparation. Athletes engaged in competition need specific conditioning to insure optimal opportunity to perform at peak levels and have a more injury-free experience. Applies to Associate Degree. Transfer credit: CSU; UC.

<b>PE M18</b>	<b>Core Stability and Stretch</b>	<b>1.50 Units</b>
Implements a variety of core (abdominal/trunk) training techniques including functional integrated resistance exercise, stability balls, yoga, and Pilates, this class will focus on concepts and practices that develop core stability and overall flexibility for healthier living. May be taken four (4) times for credit. Applies to Associate Degree. Transfer Credit: CSU; UC.		
<b>PE M23C</b>	<b>Intermediate Baseball</b>	<b>1.00 to 1.50 Units</b>
Develops intermediate techniques and strategies for baseball. Emphasizes skills levels for use in games. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M23D</b>	<b>Advanced Baseball</b>	<b>1.00 to 1.50 Units</b>
<i>PREREQUISITE: PE M23C</i> Develops advanced skills in baseball, emphasizing methods and styles of play. Requires participation in fall baseball program. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M24C</b>	<b>Intermediate Basketball</b>	<b>1.50 Units</b>
Develops intermediate techniques and strategies in basketball. May be taken a maximum of four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M24D</b>	<b>Advanced Basketball</b>	<b>1.00 to 1.50 Units</b>
<i>PREREQUISITE: PE M24C or varsity high school experience</i> Introduces advanced skills and techniques in basketball. Uses game experience to develop different styles and formats of play. Develops cardiovascular fitness. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M25D</b>	<b>Advanced Football</b>	<b>1.50 Units</b>
Introduces advanced techniques, emphasizing both the offensive and defensive passing game. Includes conditioning and speed improvement. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M27A</b>	<b>Beginning Soccer</b>	<b>1.50 Units</b>
Develops skills, rules, techniques and strategies of soccer. Requires participation. Co-educational. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M27C</b>	<b>Intermediate Soccer</b>	<b>1.50 Units</b>
Develops intermediate skills and strategies of soccer. Requires participation. Co-educational. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M28D</b>	<b>Advanced Softball</b>	<b>1.00 Unit</b>
Develops advanced skills and strategies. Requires participation. Co-educational. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M29C</b>	<b>Intermediate Track</b>	<b>1.50 Units</b>
Introduces intermediate techniques and strategies in track and field. Prepares for a competitive season, emphasizing skills needed for proficiency. Required of varsity track candidates. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M29D</b>	<b>Advanced Track</b>	<b>1.50 Units</b>
<i>PREREQUISITE: PE M29C</i> Practices advanced skills and strategies of track and field for a competitive season. Required of all varsity track candidates. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M30A</b>	<b>Beginning Volleyball I</b>	<b>1.00 to 1.50 Units</b>
Introduces basic rules and techniques of power volleyball. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M30C</b>	<b>Intermediate Volleyball</b>	
<i>PREREQUISITE: PE M30A</i> Provides practice of the fundamental skills and strategies of volleyball, allowing two and three-player games. Requires participation. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M30D</b>	<b>Advanced Volleyball</b>	<b>1.00 Unit</b>
<i>PREREQUISITE: PE M30C</i> Continues skills development for the advanced player, allowing two and three-player volleyball. Requires participation. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M36A</b>	<b>Analysis of Sexual Assault and Self-Defense</b>	<b>2.00 Units</b>
Reviews issues of personal assault and rape, reviewing readings and physical responses. Introduces self-defense techniques. May be taken a maximum of four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M37A</b>	<b>Martial Arts</b>	<b>1.00 to 1.50 Units</b>
Introduces the basic skills of martial arts, including punching, kicking, blocking, and grappling. Participation in the class will require the development of flexibility, endurance, strength, coordination, and concentration. Applies to Associate Degree. Transfer credit: CSU; UC*.		
<b>PE M37C</b>	<b>Intermediate Martial Arts</b>	<b>1.00 to 1.50 Units</b>
<i>PREREQUISITE: PE M37A</i> Introduces the intermediate skills of martial arts, including punching, kicking, blocking, katas, sparring and grappling. Participation in the class will require the development of flexibility, endurance, strength, coordination and concentration. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M38</b>	<b>Wrestling</b>	<b>1.50 Units</b>
Introduces the basic skills of wrestling, including takedowns, rides, escapes and falls. May be taken a maximum of four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M62</b>	<b>Golf - Women</b>	<b>3.00 Units</b>
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M63B</b>	<b>Off Season Volleyball - Men</b>	<b>1.00 Unit</b>
<i>RECOMMENDED PREPARATION: Understanding of volleyball skills, rules and strategies and the ability to work with other students.</i> Highly competitive, requires advanced skills, for students who are interested in intercollegiate volleyball. May be taken four (4) times for credit. Applies to the Associate Degree. Transfer credit: CSU; UC*.		
<b>PE M64A</b>	<b>Soccer - Men</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: Understanding of soccer skills, rules, and strategies.</i> Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M64B</b>	<b>Off Season Soccer - Men</b>	<b>1.00 Unit</b>
<i>RECOMMENDED PREPARATION: Understanding of volleyball skills, rules and strategies and the ability to work with other students.</i> Highly competitive, requires advanced skills, for students who are interested in intercollegiate soccer. May be taken four (4) times for credit. Applies to the Associate Degree. Transfer credit: CSU; UC*		

<b>PE M65A</b>	<b>Soccer - Women</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: Understanding of soccer skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M65B</b>	<b>Off Season Soccer - Women</b>	<b>1.00 Unit</b>
<i>RECOMMENDED PREPARATION: Understanding of volleyball skills, rules and strategies and the ability to work with other students.</i>		
Highly competitive, requires advanced skills, for students who are interested in intercollegiate soccer. May be taken four (4) times for credit. Applies to the Associate Degree. Transfer credit: CSU; UC*		
<b>PE M67</b>	<b>Basketball - Men</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: Understanding of basketball skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M68</b>	<b>Basketball - Women</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: Understanding of basketball skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M69</b>	<b>Cross Country - Men</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: Understanding of cross country skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M70</b>	<b>Cross Country - Women</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: Understanding of cross country skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M71</b>	<b>Football - Men</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: Understanding of football skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M78</b>	<b>Volleyball Women</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: Understanding of volleyball skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M79</b>	<b>Wrestling Men</b>	<b>3.00 Units</b>
<i>RECOMMENDED PREPARATION: Understanding of wrestling skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
<b>PE M91</b>	<b>Foundations of Fitness</b>	<b>3.00 Units</b>
Introduces physiological principles and other factors for the development and maintenance of optimal physical fitness. Requires observation and assistance in campus Fitness Laboratory. Does NOT fulfill general education PE requirement. Applies to Associate Degree. Transfer credit: CSU, UC* ADAPTIVE		

## PHYSICAL SCIENCE

<b>PHSC M01</b>	<b>Principles of Physical Science</b>	<b>3.00 Units</b>
<i>PREREQUISITE: MATH M03</i>		
Introduces facts, principles and laws from physics, chemistry and astronomy. Includes motion, force, energy, wave motion, electricity and magnetism, light, atomic and nuclear structure, chemical bonding and chemical reactions, solutions, organic chemistry, the solar system and planet Earth. Applies to Associate Degree. Transfer credit: CSU; UC (no credit if taken after a college course in Astronomy, Chemistry, Geology or Physics) IGETC AREA 5A		
<b>PHSC M01L</b>	<b>Principles of Physical Science Laboratory</b>	<b>1.00 Unit</b>
<i>PREREQUISITE: Completion of or concurrent enrollment in PHSC M01</i>		
Provides hands-on experience with fundamental concepts from physics and chemistry. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A		

## PHYSICS

<b>PHYS M01</b>	<b>Descriptive Physics</b>	<b>3.00 Units</b>
<i>PREREQUISITE: MATH M03</i>		
Introduces in a descriptive way the basic principles of the mechanics, thermodynamics, wave motion, electromagnetism, optics and modern physics. Applies to Associate Degree. Transfer credit: CSU; UC. (IGETC AREA 5A) (no credit if taken after PHYS M10A or PHYS M20A).		
<b>PHYS M01L</b>	<b>Descriptive Physics Laboratory</b>	<b>1.00 Unit</b>
<i>PREREQUISITE: MATH M03</i>		
<i>RECOMMENDED PREPARATION: Completion of or concurrent in enrollment in PHYS M01</i>		
Laboratory experiments examine some of the basic phenomena in mechanics, thermodynamics, wave motion, electromagnetism, optics, and modern physics. Use of common, modern laboratory instruments is practiced during the experiments. Elementary principles of data taking, data reduction, synthesis, and analysis, as well as the writing of scientific reports are included. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A		
<b>PHYS M10A</b>	<b>General Physics I</b>	<b>4.00 Units</b>
<i>PREREQUISITE: MATH M06 or MATH M07</i>		
Introduces mechanics of solids and fluids, heat, and wave motion. Designed for students who need a trigonometry based physics course. Applies to Associate Degree. Transfer credit: CSU; UC (PHYS M10A/B combined with PHYS M20A/B/C: maximum credit, one series). IGETC AREA 5A		
<b>PHYS M10AL</b>	<b>General Physics I Laboratory</b>	<b>1.00 Unit</b>
<i>PREREQUISITE: MATH M06 or MATH M07</i>		
The laboratory experiments examine some of the basic phenomena in mechanics, thermodynamics, and wave motion. The use of common, modern laboratory instruments is learned and practiced during the experiments. The principles of data taking, data reduction, synthesis, and analysis, as well as the writing of scientific reports are part of the course. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: PHYS 2 (PHYS M10A + M10AL). IGETC AREA 5A		

**PHYS M20A Mechanics of Solids and Fluids** **4.00 Units****PREREQUISITE:** MATH M25A**RECOMMENDED PREPARATION:** PHYS M10A or high school physics and MATH M25B should be completed, or taken concurrently.

Introduces the basic principles of the mechanics of solids and fluids. Calculus is used to develop the subject matter. The main topics are kinematics, Newtonian mechanics including rotational dynamics, work, energy, and fluid statics and dynamics. Applies to Associate Degree. Transfer credit: CSU; UC (PHYS M10A/B combined with PHYS M20A/B/C: maximum credit, one series). CAN: PHYS 8 (PHYS M20A + M20AL), PHYS SEQ B (PHYS M20A, M20AL + M20B, M20BL + M20C, M20CL). IGETC AREA 5A

**PHYS M20AL Mechanics of Solids and Fluids Laboratory** **1.00 Unit****PREREQUISITE:** MATH M25A**COREQUISITE:** PHYS M20A should be completed, or taken concurrently.

The experiments examine the basic laws of the mechanics of solids and fluids. The use of common measuring instruments and the principles of data taking and analysis, and the writing of scientific reports are learned. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: PHYS 8 (PHYS M20A + M20AL). IGETC AREA 5A

**PHYS M20B Thermodynamics, Electricity and Magnetism** **4.00 Units****PREREQUISITE:** MATH M25B and PHYS M20A**RECOMMENDED PREPARATION:** Math M25C should be completed, or be taken concurrently.

Introduces the basic principles of thermodynamics, and electromagnetism. Calculus is used to develop the subject matter. The main topics are temperature, heat, the laws of thermodynamics, electrostatics, capacitance, DC circuits, magnetic forces and fields, electromagnetic induction, AC circuits, Maxwell's equations, and electromagnetic waves. Applies to Associate Degree. Transfer credit: CSU; UC (PHYS M10A/B combined with PHYS M20A/B/C: maximum credit, one series). CAN: PHYS 12 (PHYS M20B + M20BL), PHYS SEQ B (PHYS M20A, M20AL + M20B, M20BL + M20C, M20CL). IGETC AREA 5A

**PHYS M20BL Thermodynamics, Electricity and Magnetism Laboratory** **1.00 Unit****PREREQUISITE:** PHYS M20A, PHYS M20AL, and MATH M25B**RECOMMENDED PREPARATION:** PHYS M20B should be completed, or taken concurrently.

The laboratory experiments examine some of the basic phenomena in thermodynamics and electromagnetism. The use of common, modern instruments, e.g. digital and analog voltmeters, ammeters, the oscilloscope, is learned and practiced during the experiments. The principles of data taking, data reduction, synthesis, and analysis, as well as the writing of scientific reports are part of the course. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: PHYS 12 (PHYS M20B + M20BL). IGETC AREA 5A

**PHYS M20C Wave Motion, Optics and Modern Physics** **4.00 Units****PREREQUISITE:** PHYS M20B and MATH M25C

Introduces the basic principles of wave motion, optics and modern physics. Calculus is used to develop the subject matter. The main topics covered include: classical wave theory, wave-particle duality, reflection, refraction, interference, diffraction, optical elements and systems, applications of Schrodinger's equation, atomic structure, molecular structure, the quantum nature of solids, consequences of special and general relativity, nuclear physics, particle physics, and cosmology. Applies to Associate Degree. Transfer credit: CSU; UC (PHYS M10A/B combined with PHYS M20A/B/C: maximum credit, one series). CAN: PHYS 14 (PHYS M20C + M20CL), PHYS SEQ B (PHYS M20A, M20AL + M20B, M20BL + M20C, M20CL)

**PHYS M20CL Wave Motion, Optics, and Modern Physics Laboratory** **1.00 Unit****PREREQUISITE:** PHYS M20B, PHYS M20BL, and MATH M25C**RECOMMENDED PREPARATION:** PHYS M20C should be completed, or taken concurrently.

The laboratory experiments examine some of the basic phenomena in wave motion, optics, and modern physics. The use of common, modern instruments, e.g. digital and analog voltmeters, ammeters, digital storage oscilloscopes, frequency counters, lasers, spectrometers, optical energy and power meters, is learned and practiced during the experiments. The principles of data taking, data reduction, synthesis, and analysis, as well as the writing of scientific reports are part of the course. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: PHYS 8 (PHYS M20C + M20CL)

## PHYSIOLOGY

**PHSO M01 Human Physiology** **5.00 Units****PREREQUISITE:** Biol M02A or Biol M01, and Chem M01A or M12 or high school Chemistry all with a grade of C or better

A study of the functioning of human anatomical systems. Students will learn basic biochemical and biophysical principles inherent to the functioning of the various organ systems and integrate this knowledge into an understanding of the functioning of the organism as a whole. Laboratory computer simulations and experiments will demonstrate basic principles and introduce physiological techniques and instruments. The emphasis in both lecture and lab is on student understanding of systems integration and co-dependence. Applies to Associate Degree. Transfer credit: CSU; UC (PHSO M01 combined with ANPH M01/L: maximum credit, one course). CAN: BIOL 12. IGETC AREA 5B. ANAT M01 + PHSO M01 = CAN BIOL SEQ B.

## POLITICAL SCIENCE

**POLS M01 Introduction to Government** **3.00 Units**

Introduces basic concepts within political science, emphasizing American federal, state and local government and politics. Requires research and special writing topics. Designed for social and behavioral science majors. Satisfies Title V United States Constitution requirement as well as California state and local government requirement. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4

**POLS M02 Comparative Government** **3.00 Units**

Examines political culture, recruitment and articulation interests, political institutions, and sources/content of public policy for various governments. Draws examples from Eastern and Western Europe and Asia as well as from pre-industrial societies. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4

**POLS M03 American Government and Politics** **3.00 Units**

Introduces principles and problems of American Government and its political process, emphasizing national government. Satisfies Title V United States Constitution requirement as well as California state and local government requirement. Applies to Associate Degree. Transfer credit: CSU; UC (POLS M03 combined with POLS M03H: maximum credit, one course). CAN: GOVT 2; IGETC AREA 4

**POLS M04 International Relations** **3.00 Units**

Explores relationships between sovereign units, emphasizing international organization, theoretical proposals toward and possibilities for world peace, mechanics of politics among nations, and formation of American foreign policy. Focuses on relationship between domestic and foreign politics and the cultural origins of policy. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4

**POLS M05 Contemporary Urban Issues** **3.00 Units**

Introduces study of urban areas and politics, focusing on political responses to changes in social organizations occurring as a consequence of population concentration and subsequent political, social, and economic patterns and behaviors. Considers structural constraints (national-local and state-local relations) that limit local governments and the distribution of and response to political influence. Satisfies Title V United States Constitution requirement and the CA state and local government requirement. Satisfies Title V United States Constitution requirement and the CA state and local government requirement. (Formerly URBN M01A) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

# PSYCHOLOGY

<b>PSY M01</b>	<b>Introduction to Psychology</b>	<b>3.00 Units</b>
Introduces the areas of history and systems, research methodology, biological bases of behavior, sensation and perception, motivation and emotion, learning and memory, cognition and intelligence, personality, stress and health psychology, behavior disorders (psychopathology) and treatments, human sexuality, life span development, and social and environmental psychology. Applies to Associate Degree. Transfer credit: CSU; UC (PSY M01 and PSY M01H combined: maximum credit, one course). CAN: PSY 2. IGETC AREA 4		
<b>PSY M01H</b>	☆☆ <b>Honors: Introduction to Psychology</b>	<b>3.00 Units</b>
Introduces Honors work in the areas of history and systems, research methodology, biological bases of behavior, sensation and perception, motivation and emotion, learning and memory, cognition and intelligence, personality, stress and health psychology, behavior disorders (psychopathology) and treatments, human sexuality, life span development, and social and environmental psychology. Applies to Associate Degree. Transfer credit: CSU; UC (PSY M01H and PSY M01 combined: maximum credit, one course). CAN: PSY 2; IGETC AREA 4		
<b>PSY M02</b>	<b>Introduction to Behavioral Neuroscience</b>	<b>3.00 Units</b>
<i>PREREQUISITE: PSY M01 or PSY M01H</i> Introduces the principles of inheritance—cell division and mitosis, meiosis, chromosomes and human genetics, DNA structure and function, and from DNA to proteins; evolution; and neuropsychological bases for basic brain-behavior concepts involving structure and function of the nervous system, neural conduction and synaptic transmission, psychopharmacology, structure of the nervous system, brain lateralization, neuroplasticity, sensation and perception, internal body states, sexual behavior, emotional behavior, sleep and biological rhythms, biology of learning and memory, and psychopathological disorders. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 5B		
<b>PSY M03</b>	<b>Psychology of Interpersonal Relationships</b>	<b>3.00 Units</b>
Introduces psychological principles involved in human relationships. Combines experiential and theoretical approaches to increase awareness, understanding, decision-making and effective interpersonal relationships. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU		
<b>PSY M04</b>	<b>Child Psychology</b>	<b>3.00 Units</b>
Focuses on the basic principles of developmental psychology from conception through adolescence. For each stage of development, students will learn about the biological, physical, cognitive, emotional, social, and linguistic aspects of development. Included are the influences of culture, family, society, and the environment. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4		
<b>PSY M05</b>	<b>Social Psychology</b>	<b>3.00 Units</b>
Introduces social relationships, emphasizing interpersonal attraction; person perception; long-term relationships; prosocial behavior; attitude formation and changes; and the nature of prejudice, aggression, and conformity. (Same course as SOC M05). Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4		
<b>PSY M06</b>	<b>Introduction to Behavioral Research Methods</b>	<b>3.00 Units</b>
<i>PREREQUISITE: PSY M01 or PSY M01H</i> Introduces basic research concepts and principles of behavioral science; descriptive and experimental research approaches; problem identification, hypothesis formation and testing; experimental variables and controls; validity and reliability; experimental, quasi-experimental, and single-participant research designs; and research ethics. Requires research study and manuscript using APA guidelines and format. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4		
<b>PSY M07</b>	<b>Developmental Psychology (Life Span)</b>	<b>3.00 Units</b>
Introduces physical, emotional, cognitive, social and cultural aspects of development from conception to death. Emphasizes normative behaviors and developmental stages over the life span. Reviews developmental theories and contemporary issues. Applies to Associate Degree. Transfer credit: CSU; UC (PSY M07 and CD M02 combined: maximum credit, one course). IGETC AREA 4		
<b>PSY M08</b>	<b>Abnormal Psychology</b>	<b>3.00 Units</b>
Surveys field of abnormal behavior by reviewing patterns, causes, and history of maladaptive behavior; clinical assessment using the current Diagnostic and Statistical Manual; therapies; and prevention of behavioral disorders. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4		
<b>PSY M10</b>	<b>Dying and Death</b>	<b>3.00 Units</b>
Explores issues and decisions concerned with dying and death over the life span, including historical and cross-cultural perspectives, death socialization, medical ethics and the healthcare system, legal issues and afterlife concerns. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4		
<b>PSY M11</b>	<b>Psychology of Communication</b>	<b>3.00 Units</b>
Introduces open, honest, direct communication and behavior, emphasizing perceptions and emotions, verbal and non-verbal communication, defense mechanisms, and conflict resolution. Examines problem areas and alternate behaviors; and explores how to express anger, change behavior, make requests, say "No," cope with criticism and resolve conflicts. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC		
<b>PSY M12</b>	<b>Animal Behavior</b>	<b>3.00 Units</b>
Introduces the study of animal behavior, emphasizing learning theory. Focuses on classical and operant conditioning. Applies concepts of ethology and behavior modification to the maintenance and training of animals in captivity. (Same course as ANSC M04). Applies to Associate Degree. Transfer credit: CSU		
<b>PSY M12L</b>	<b>Animal Behavior Lab</b>	<b>.50 Unit</b>
<i>COREQUISITE: PSY M12 or ANSC M04</i> This course consists of laboratory activities giving the student opportunities to develop skills in behavior modification and observational research. Each student will be required to train a rat and conduct an observational research project on captive animals. (Same course as ANSC M04L). Applies to Associate Degree. Transfer credit: CSU.		
<b>PSY M13</b>	<b>Human Sexuality</b>	<b>3.00 Units</b>
Explores psychological, biological, and sociological aspects of human sexual behavior, including sexual values, roles and lifestyles. Includes contraception, pregnancy, sexually transmitted diseases, sexual dysfunctions and treatments. Presents course content in an explicit, open, scientific, and thoughtful manner. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4		
<b>PSY M20</b>	<b>Intimacy, Relationships, and Commitment</b>	<b>3.00 Units</b>
Explores theoretical, historical, cross-cultural, interdisciplinary, and personal perspectives of committed relationships, reviewing various perspectives on marriage and the family. Considers sex roles, socialization, sexuality, the single life, marriage, parenting, dual-career families, and conflicts in relationships, separation, divorce, remarriage, and alternative choices. (Same course as SOC M04.) Applies to Associate Degree. Transfer Credit: CSU, UC		

**PSY M40 Intro to Industrial/Organizational & Human Factors Psychology 3.00 Units****RECOMMENDED PREPARATION:** PSY M01 or PSY M01H

Overview of the related fields of Industrial/Organizational Psychology and Human Factors Psychology. This course focuses on applying psychological theories and principles to real world human/work systems. Representative topics include the psychological aspects of personnel selection, training, gender issues, multicultural issues, cross-cultural issues, psychological testing, motivation, group dynamics, leadership, organizational climate, job satisfaction, job design, safety, ergonomics, and human/system interaction. Applies to Associate Degree. Transfer credit: CSU; UC (pending)

**RADIO/TV****RT M01 Media and Society 3.00 Units**

Surveys history and nature of print and electronic media in America, examining social, political and cultural implications. (Same course as JOUR M01). Applies to Associate Degree. Transfer credit: CSU; UC. CAN: JOURN 4; IGETC AREA 4

**RT M02A Television Studio Operation 3.00 Units**

Introduction to multiple camera production for television and multi media applications. Provides basic operational skills and techniques through practical hands-on experiences in: directing, switching, scripting, lighting, sound and camera composition and operation. Applies to Associate Degree. Transfer credit: CSU

**RT M02B Digital Camera Production/Editing 3.00 Units****RECOMMENDED PREPARATION:** RT M02A

Introduces knowledge and skills for single camera production as well as aesthetics and technical techniques in video editing. Emphasis on shooting single camera, audio, lighting, editing and graphics, as well as television product development. Extensive field production, pre- and post-production activities will be required of students. Applies to Associate Degree. Transfer credit: CSU

**RT M03A Television Production Workshop 3.00 Units****PREREQUISITE:** RT M02B

Introduces intermediate-level work in production, including camera work, technical direction and lighting. Emphasizes creation of new program concepts and types. Requires producing an experimental TV program. Applies to Associate Degree. Transfer credit: CSU

**RT M03B Television Directing and Editing 3.00 Units****PREREQUISITE:** RT M03A

Introduces advanced directing and editing skills appropriate for creating advanced level TV/Video productions. Emphasis on integration of studio and field production elements and extensive post-production activities. Requires producing variety of television programs. Applies to Associate Degree. Transfer credit: CSU

**RT M04 Digital Editing 2.00 Units****PREREQUISITE:** RT M02B

Introduces theory and application of editing techniques using digital non-linear editing systems. Critical analysis of the editing process, editing complex scenes and creating visual effects. Introduction to editing system troubleshooting. Applies to Associate Degree. Transfer Credit: CSU

**RT M05 Radio/Television Script Writing 3.00 Units****PREREQUISITE:** ENGL M01A

Develops skills in the analysis and preparation of news, commercials, program formats, public service announcements, and dramatic scripts including situation comedy, made-for-television movie, continuing dramatic series, and theatrically released motion picture. (Same course as ENGL M05). Applies to Associate Degree. Transfer credit: CSU.

**RT M07A Audio Production 3.00 Units**

Provides a basic knowledge of audio equipment used in typical radio, television, multi-media and dramatic productions, including: audio consoles, various digital audio recording equipment and digital audio workstations. Develops skills in announcing, basic writing, disc jockeying, program production and direction, commercial production, interviewing techniques, station operations and live and recorded audio production for new media and theater. Same course as THA M07A. Applies to Associate Degree. Transfer credit: CSU

**RT M07B Advanced Media Audio Production 3.00 Units****PREREQUISITE:** RT M07A

Provides an understanding of advanced audio equipment with a focus upon digital audio workstations. Develops skills in the operation of digital audio equipment typically used in radio and television stations, multi-media and theater applications. Prepares advanced students for entry-level positions in radio, television, multi-media and theater audio production. Applies to Associates Degree. Transfer credit: CSU

**RT M08 Voice and Diction 3.00 Units**

Introduces theory and practice of voice control, emphasizing correct pronunciation, breathing control techniques, and regional and foreign dialects. Especially useful for those in theatre, forensics and broadcasting. May be taken two (2) times for credit. (Same course as THA M03 and SPCH M03). Transfer credit: CSU; UC. CAN: DRAM 6

**RT M09 Acting for Film and TV 3.00 Units**

Introduces techniques pertinent to film and television acting, including blocking, movement, rapid line learning, and use of microphones. Includes performance in student-directed films and television shows. May be taken four (4) times for credit. (Same course as THA M09). Applies to Associate Degree. Transfer credit: CSU; UC

**RT M12 Broadcast Journalism 3.00 Units**

Provides advanced practice in preparation of radio and television newscasts. Develops interviewing skills. Includes writing original news copy and editing and rewriting wire service copy for on-air purposes. Requires use of remote recording equipment. (Same course as JOUR M12). Applies to Associate Degree. Transfer credit: CSU

**RADIOLOGIC TECHNOLOGY****RADT M01A Radiographic Practice I 4.00 Units****PREREQUISITE:** RADT M10AL, RADT M10B, RADT M10L **COREQUISITE:** RADT M11, RADT M01AL, RADT M01B

Focuses on routine and trauma radiographic anatomy, positioning and procedures of the upper and lower extremities, shoulder girdle, bony thorax, pelvic girdle and spinal column. The course also includes pathologic indications that radiographers should be familiar with for each of the above anatomical areas. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

**RADT M01AL Radiographic Clinical Lab I 2.50 Units****PREREQUISITE:** RADT M10A, RADT M10B, RADT M11 **COREQUISITE:** RADT M01A, RADT M11

Introductory clinical laboratory that will provide an opportunity for practical application from RADT M10 and RADT M01A theory and skills lab content. This lab will take place in the radiology department of a pre-assigned clinical affiliate. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

**RADT M01B Radiographic Technique I \_\_\_\_\_ 4.00 Units**

*PREREQUISITE:* RADT M10A, RADT M10B, RADT M10AL  
*COREQUISITE:* RADT M01AL, RADT M01A, RADT M01BL, RADT M11

Covers function and manipulation of radiographic equipment for conventional radiographic systems as well as digital systems. Image quality and the technical factors needed for optimum image quality in conventional and digital systems are covered. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

**RADT M03A Introduction to Image-Intensified Fluoroscopy \_\_\_\_\_ 1.00 Unit**

*PREREQUISITE:* RADT M02A, RADT M02AL, RADT M02BL, RADT M12  
*COREQUISITE:* RADT M03B, RADT M03AL

Covers the principles of fluoroscopic equipment including image formation, image recording and display. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

**RADT M03B Radiographic Pathology \_\_\_\_\_ 2.00 Units**

*PREREQUISITE:* RADT M02A/M02AL, RADT M02B, RADT M12, RADT M49  
*COREQUISITE:* RADT M03A/M03AL

Introduces the advanced radiography student to various types of disease processes seen radiographically. It covers the following systems: respiratory, digestive, genito-urinary, osseous, hepatobiliary, and nervous. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

**RADT M10A Introduction to Radiologic Technology \_\_\_\_\_ 2.00 Units**

*PREREQUISITE:* ANPH M01, HS M19 *COREQUISITE:* RADT M10B, RADT M20L, HS M16

Provides the new radiography student with entry-level information to begin clinical practice to a diverse client population in a radiology department. Will emphasize radiation protection, equipment manipulation and safety, darkroom processing, sterile technique, anatomy and positioning for chest and abdomen procedures and career options in Radiology. Applies to Associate Degree. Transfer credit: CSU

**RADT M10AL Introduction to Radiologic Technology Lab \_\_\_\_\_ .50 Units**

*PREREQUISITE:* ANPH M01, HS M19 *COREQUISITE:* RADT M10A, RADT M10B, HS M16

Permits the new radiography student to participate in a simulated radiography department setting in the on campus Radiography skills lab. Participation will include darkroom procedures, equipment manipulation, radiation protection procedure, basic radiographic positions and projections positions and chest and abdomen anatomy and procedures. Applies to Associate Degree. Transfer credit: CSU

**RADT M10B Introduction to Radiographic Technique \_\_\_\_\_ 2.00 Units**

*PREREQUISITE:* Acceptance into RADT Program *COREQUISITE:* RADT M10A/10AL

Provides a basic knowledge for radiographic equipment and design. It will cover different types of radiographic equipment, x-ray circuits and generators. Also covers basic atomic structure, electromagnetic spectrum and properties of x-rays. Applies to Associate Degree. Transfer Credit: CSU

**RADT M11 Radiographic Lab I \_\_\_\_\_ 1.00 Unit**

*PREREQUISITE:* RADT M10A/M10AL and RADT M10B *COREQUISITE:* RADT M01A/M01AL

Provides an opportunity for practical applications of theory content from RADT M01A through simulated clinical experiences in a radiography skills lab. Each student will practice positioning with a "mock patient" and make actual radiographs of an x-ray phantom. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

**RADT M13 Radiography Skills Lab III \_\_\_\_\_ 1.00 Unit**

*PREREQUISITE:* RADT M12 *COREQUISITE:* RADT M03A/M03AL and RADT M03B

*MATERIAL FEES:* A \$45 materials fee will be required at registration.

Provides practical application of theory from RADT M03A through simulated experiences in a radiography skills lab. Includes positioning mock patient and making actual radiographs with x-ray phantom. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

**RADT M15 Venipuncture and ECG for Diagnostic Imaging \_\_\_\_\_ 1.00 Unit**

*PREREQUISITE:* Certified Radiologic Technologist or RADT M02A

Provides the student with basic techniques to practice venipuncture in upper extremity for the sole administration of contrast materials. Upon completion, the student will need to perform ten (10) venipunctures at clinical site under the direct supervision of physician in order to comply with state regulations and earn certification to perform venipuncture. Also contains an introduction to ECG including, but not limited to: preparation for ECG monitoring, normal and abnormal rhythms. Applies to the Associate Degree.

**RADT M49 Radiographic Practicum \_\_\_\_\_ 4.50 Units**

*PREREQUISITE:* RADT M02A/M02AL and RADT M02B

*MATERIAL FEES:* A \$39 materials fee will be required at registration.

Nine week Summer Intersession course. Provides clinical experience in a preassigned clinical affiliate. Focuses on improvement of clinical skills. Requires completion of all specified radiographic examinations. Only offered credit/no-credit. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

## SIGN LANGUAGE

**SL M01 Beginning American Sign Language I \_\_\_\_\_ 3.00 Units**

Introductory course in the fundamentals of American Sign Language. Offers an introduction to the basic vocabulary and finger spelling systems necessary to facilitate communication in ASL and will focus on developing expressive and receptive signing skills. The technical aspect of Kinesthetic Linguistics includes an emphasis on syntactical structure and various linguistic components such as: grammatical features, semantics, lexical countenance and the psychosocial nuances of Deaf Culture. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU, UC;

**SL M02 Beginning American Sign Language II \_\_\_\_\_ 3.00 Units**

*PREREQUISITE:* SL M01

Introduces fundamentals of American Sign Language, including basic vocabulary and finger spelling. Emphasizes grammatical structure and comprehension. Explores deaf culture. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU, UC

## SOCIOLOGY

**SOC M01 Introduction to Sociology \_\_\_\_\_ 3.00 Units**

Analyzes major theoretical constructs involving human interactions, cultural origins, community organization, collective behavior, social change, institutional growth, and social movements. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: SOC 2; IGETC AREA 4

**SOC M01H Honors: Introduction to Sociology \_\_\_\_\_ 3.00 Units**

Honors work in sociology analyzes major theoretical constructs involving human interactions, cultural origins, community organizations, collective behavior, social change, institutional growth, and social movements. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to Associate Degree. Transfer credit: CSU, UC (Pending Approval).

**SOC M02 Social Problems 3.00 Units**

Analyzes causes and consequences of social problems confronting contemporary US society, including inter-group conflict, sexism, racism, ageism, sexual deviance, poverty, crime, delinquency, substance abuse, cults (religious, political, psychological), terrorism, health, and environmental degradation by examining methodology, skills and resources applied to solving social problems. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC; CAN: SOC 4; IGETC AREA 4

**SOC M03 Sociological Analysis 3.00 Units****PREREQUISITE: SOC M01**

Examines basic concepts supporting the scientific analysis of society and social institutions. Studies conceptualization, operationalization, hypothesis construction, sampling, and sampling designs. Requires collection and analysis of field data. Applies to Associate Degree. Transfer credit: CSU; UC

**SOC M04 Intimacy, Relationships and Commitment 3.00 Units**

Explores theoretical, historical, cross-cultural, sociological, and personal perspectives of committed relationships, reviewing various perspectives on marriage and the family. Considers sex roles, socialization, sexuality, the single life, marriage, parenting, dual-career families; and conflict in relationships, separation, divorce, remarriage, and alternative choices. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. (Same course as PSY M20.) Applies to Associate Degree. Transfer credit: CSU; UC; CAN: FCS 12; IGETC AREA 4

**SOC M05 Social Psychology 3.00 Units**

Introduces social relationships, emphasizing interpersonal attraction; person perception; long-term relationships; prosocial behavior; attitude formation and changes; and the nature of prejudice, aggression, and conformity. (Same course as PSY M05). Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4

**SOC M15 Introduction to Criminology 3.00 Units**

Introduces the factors, concepts and theories, and characteristics associated with criminal behavior, crime, and victimology. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4

**SOC M17 Sociology of Delinquency 3.00 Units**

Introduces the sociological study of delinquency in society, focusing on definitions and forms of delinquency; measurement and theories and delinquency; roles of family, school, youth culture, violence, gangs, and drugs on delinquency; and correctional options for juvenile delinquents. Applies to Associate Degree. Transfer credit: CSU.

**SPANISH****SPAN M01 Elementary Spanish I 5.00 Units**

Introduces Spanish language, culture, history and people, emphasizing speaking, understanding, reading and writing skills. Requires individualized work in the lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 75 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC (SPAN M01 or SPAN M01A/B and SPAN M05 combined: maximum credit, 4 units). CAN: SPAN 2 SPAN SEQ A (SPAN M01 + M02)

**SPAN M01A Elementary Spanish 3.00 Units**

SPAN M01A covers first three fifths of SPAN M01. Introduces Spanish language and culture, emphasizing skills and knowledge necessary for speaking and writing Spanish and to the unique nature of the people and their history. Requires individualized work in the lab each week. Cannot receive credit for SPAN M01A/B sequence and SPAN M01. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC (SPAN M01 or SPAN M01A/B and SPAN M05 combined: maximum credit, 4 units). Both SPAN M01A and M01B must be taken for credit to be given.

**SPAN M01B Elementary Spanish 2.00 Units****PREREQUISITE: SPAN M01A or one year of high school Spanish**

SPAN M01B covers the second two fifths of SPAN M01. Introduces Spanish language and culture, emphasizing skills and knowledge necessary for speaking, reading and writing and to the unique nature of the people and their history. Requires individualized work in the lab each week. Cannot receive credit for SPAN M01A/B sequence and SPAN M01. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC (SPAN M01 or SPAN M01A/B and SPAN M05 combined: maximum credit, 4 units). Both SPAN M01A and M01B must be taken for credit to be given.

**SPAN M02 Elementary Spanish II 5.00 Units****PREREQUISITE: SPAN M01 or two years of high school Spanish (C or better)**

Further explores Spanish language and culture, emphasizing people and history as well as speaking, reading and writing proficiency. Requires individualized work in the lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 75 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC (SPAN M02 and SPAN M06 combined: Maximum credit, one course). CAN: SPAN 4; SPAN SEQ A (SPAN M01 + M02). IGETC AREA 3B

**SPAN M03 Intermediate Spanish I 5.00 Units****PREREQUISITE: SPAN M02 or three years of high school Spanish**

Offers intensive review of basic grammar, including extension and refinement of fundamentals and increased proficiency in reading, writing, and speaking skills. Focuses on culture through study of selected literature and contemporary society. Requires individualized work in the lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 75 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC (SPAN M03 and SPAN M03H combined: maximum credit, one course). CAN: SPAN 8; SPAN SEQ B (SPAN M03 + M04). IGETC AREA 3B

**SPAN M31A Beginning Practical Spanish I 3.00 Units**

Provides basic understanding and use of Spanish in practical situations, emphasizing elementary grammar and principles of usage for non-native speakers. May be taken two (2) times for credit. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree.

**SPEECH****SPCH M01 Introduction to Speech 3.00 Units**

This course is designed to prepare students to be effective oral communicators in a public speaking context through instruction in basic communication theory, appropriate delivery skills, common organizational patterns, and thorough research techniques. This course also offers practical training in feedback and listening skills. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: SPCH 4 IGETC AREA 1C

**SPCH M03 Voice and Diction 3.00 Units**

Introduces theory and practice of voice control, emphasizing correct pronunciation, breathing control techniques, and regional and foreign dialects. Especially useful for those in theatre, forensics and broadcasting. May be taken two (2) times for credit. (Same course as RT M08 and THA M03). Applies to Associate Degree. Transfer credit: CSU; UC. CAN: DRAM 6

**SPCH M04 Interpersonal Communications 3.00 Units**

Provides an introduction to the dynamics of communication in one-to-one relationships, focusing on experience, behavior, and rules governing interpersonal contexts such as friendship, families, and employer-employee relations. Factors influencing communication are studied such as language, perception, non-verbal cues, listening, status and roles. Problems of communication are identified and explored through conflict resolution and problem solving techniques. Assertiveness and confidence in relating interpersonally through the communication process are studied. Applies to Associate Degree. Transfer credit: CSU; UC

**SPCH M07 Argumentation and Debate 3.00 Units**

Introduces theory, methodology, and practice of critical listening, critical thinking and oral argument, including training in propositions, methods of analysis, stock issue policy analysis, evidence and proof, and cross-examination considerations. Examines types of debatable propositions, effective listening and note taking, research methodology, and delivery skills. Practices team and Lincoln/Douglas formats on class-selected topics and issues. Applies to Associate Degree. Transfer credit: CSU; UC

**SPCH M10A Forensics 2.00 Units**

Provides training, rehearsal, practice and performance necessary to succeed as a competitive speech team. Emphasizes argumentation and debate, informative and persuasive speaking, and impromptu and extemporaneous speaking. Involves research and one-on-one interactive training. Requires participation in interscholastic competition or community speakers bureau. Applies to Associate Degree. Transfer credit: CSU

**SPCH M10B Forensics 2.00 Units**

*PREREQUISITE: SPCH M10A*

Provides training, rehearsal, practice and performance necessary to succeed as a competitive speech team. Emphasizes argumentation and debate, informative and persuasive speaking, and impromptu and extemporaneous speaking. Involves research and one-on-one interactive training. Requires participation in interscholastic competition or community speakers bureau. Applies to Associate Degree. Transfer credit: CSU

**SPCH M10C Forensics 2.00 Units**

*PREREQUISITE: SPCH M10B*

Provides training, rehearsal, practice and performance necessary to succeed as a competitive speech team. Emphasizes argumentation and debate, informative and persuasive speaking, and impromptu and extemporaneous speaking. Involves research and one-on-one interactive training. Requires participation in interscholastic competition or community speakers bureau. Applies to Associate Degree. Transfer credit: CSU

**SPCH M10D Forensics 2.00 Units**

*PREREQUISITE: SPCH M10C*

Provides training, rehearsal, practice and performance necessary to succeed as a competitive speech team. Emphasizes argumentation and debate, informative and persuasive speaking, and impromptu and extemporaneous speaking. Involves research and one-on-one interactive training. Requires participation in interscholastic competition or community speakers bureau. Applies to Associate Degree. Transfer credit: CSU

**SPCH M25 Introduction to Rhetorical Criticism 3.00 Units**

*PREREQUISITE: ENGL M01A*

This course studies principles of reasoning and rhetoric and their application to the analysis and evaluation of public discourse. It examines both the technique and the substance of discourse by exploring rhetorical strategies, quality of argument, quality of support for claims, use of language, fallacies, as well as the demands placed on the speaker by the audience. The course emphasizes the integration of critical thinking principles with techniques of effective written and spoken discourse. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 1B

**SPCH M26 Rhetoric of Popular Culture 3.00 Units**

*RECOMMENDED PREPARATION: ENGL M01A*

The course will study U.S. popular culture. It will examine the role of popular culture in the United States as a mediator of cultural values and attitudes. Specifically, we will evaluate popular culture in advertising, film, television, sports, and politics. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B

**THEATRE ARTS****THA M01 Introduction to the Theatre 3.00 Units**

Introduces theatre as an art form, emphasizing appreciation of its historical roots and its dramatic and cultural significance. Develops critical thinking and writing skills pertinent to the analysis of dramatic performances. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: DRAMA 18. IGETC AREA 3A

**THA M02A Beginning Acting 3.50 Units**

Introduces the art of acting, emphasizing exercises that develop individual insight, technique, and concentration. Focuses on improvisation. Includes some scene work. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: DRAM 8

**THA M02B Intermediate Acting 3.50 Units**

*PREREQUISITE: THA M02A or equivalent level of skill*

Introduces more intermediate acting techniques, emphasizing characterization through exercises in pantomime and improvisation. Includes practical experience with scenes from plays and work with stage movement. Applies to Associate Degree. Transfer credit: CSU; UC

**THA M02C Advanced Acting I 3.50 Units**

*PREREQUISITE: THA M02B or equivalent level of skill*

Introduces advanced acting techniques and characterization, refining timing, sense memory, and vocal styles. Requires performance in a variety of scenes from plays. Continues work with stage movement. Applies to Associate Degree. Transfer credit: CSU; UC

**THA M02D Advanced Acting II 3.50 Units**

*PREREQUISITE: THA M02C or equivalent level of skill*

Further expands characterization, emphasizing timing, vocal styles and sense memory. Requires performance in a variety of scenes from plays. Applies to Associate Degree. Transfer credit: CSU; UC

**THA M03 Voice and Diction 3.00 Units**

Introduces theory and practice of voice control, emphasizing correct pronunciation, breathing control techniques, and regional and foreign dialects. Especially useful for those in theatre, forensics and broadcasting. May be taken two (2) times for credit. (Same course as RT M08 and SPCH M03). Applies to Associate Degree. Transfer credit: CSU; UC. CAN: DRAM 6

**THA M07A Audio Production 3.00 Units**

Provides a basic knowledge of audio equipment used in typical radio, television, multi-media and dramatic productions, including: audio consoles, various digital audio recording equipment and digital audio workstations. Develops skills in announcing, basic writing, disc jockeying, program production and direction, commercial production, interviewing techniques, station operations and live and recorded audio production for new media and theater. Applies to Associate Degree. Transfer credit: CSU

**THA M09 Acting for Film and TV 3.00 Units**

Introduces techniques pertinent to film and television acting, including blocking, movement, rapid line learning, and use of microphones. Includes performance in student-directed films and television shows. May be taken four (4) times for credit. (Same course as RT M09). Applies to Associate Degree. Transfer credit: CSU; UC

**THA M10 Production and Performance** **3.00 Units**

Provides credit for range of supervised activities relative to Moorpark College Theatre Arts productions. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**THA M11 Theatre Production: Technical** **3.00 Units**

Provides supervised technical theatre assignments in support of a college production staged for public performance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

**THA M14 Improvisational Comedy** **1.50 Units**

**PREREQUISITE:** THA M02B

Introduces improvisational and ensemble acting skills. Requires development of solo and group comedic material from improvisation and a public performance of developed material. Requires field trips. May be taken two (2) times for credit. Applies to Associate Degree. Transfer Credit: CSU.

**THA M17 Free Dance/Improvisation I** **1.50 Units**

**RECOMMENDED PREPARATION:** Concurrent enrollment in a modern dance course

Encourages joy of movement, allowing unique and creative expressions in dance. May be taken four (4) times for credit. (Same course as DANC M20A). Applies to Associate Degree. Transfer credit: CSU; UC

**THA M20 Stagecrafts** **3.00 Units**

Introduces theory and practice of set construction, emphasizing lighting and audio operations, painting, costuming, makeup, and special effects. Provides hands-on practice in all areas of performing arts production. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU, UC, CAN: DRAM 12.

**THA M23A Lighting Design I** **3.00 Units**

Introduces the study of composition, control and instrumentation in theatrical lighting as well as the aesthetics of color, distribution, intensity and movement of light to create mood, time, location, and visibility. Emphasizes hanging, focusing and identifying stagelighting equipment as well as understanding the principles that underlie their design. Includes the basics of electricity. Provides hands-on experience through work on actual productions. Applies to Associate Degree. Transfer credit: CSU; UC

**THA M23B Lighting Design II** **3.00 Units**

**PREREQUISITE:** THA M23A

Focuses on the design aspect of stage lighting, developing a complete light plot and working schedule for a full-length play. Emphasizes projections and special effects. Includes practical application of computer software for lighting design and light plots. Provides hands-on experience through work on actual productions. Requires field trips. Applies to Associate Degree. Transfer credit: CSU; UC

**THA M24A Costume and Makeup Design I** **3.00 Units**

Introduces fundamentals of theatrical costume design and construction as well as the design and application of theatrical makeup. Applies to Associate Degree. Transfer credit: CSU; UC pending

**THA M24B Costume and Makeup Design II** **3.00 Units**

**PREREQUISITE:** THA M24A

Advanced hands on training in costume design and construction, prosthetics, three dimensional makeup and mask construction. Applies to Associate Degree. Transfer credit: CSU, UC.

**WORK EXPERIENCE****WEXP M10 General Work Experience** **2.00 Units**

Provides on-the-job learning to develop effective work habits, attitudes, and career awareness in paid or unpaid jobs that need not be related to student's major or career goals. Requires orientation session, consultations with faculty supervisor, learning objectives that demonstrate new or expanded learning, and term paper or project. Offered on a credit/no credit basis only. May be taken four (4) times for credit or until a total of 16 work experience units are earned. Applies to Associate Degree. Transfer credit: CSU.

**WEXP M20 Occupational Work Experience (Internship)** **3.00 Units**

**COREQUISITE:** Enrollment in at least 7 college units, inclusive of this course

Occupational Work Experience provides on-the-job learning that is directly related to a career interest or major. Faculty and industry supervisors will provide feedback and written evaluations. Students receive one unit of credit for each 60 hours unpaid or 75 hours paid work, and may enroll in up to 8 units a semester with a maximum of 16 total units of any type of work experience education (including Internships, WEXP M10, WEXP M20, and WEXP M30). Students are required to attend an orientation, develop three learning objectives, and complete a work experience paper or project. To take this course, contact the Internship Office: (805) 378-1536. May be taken a maximum of four (4) times, not to exceed 16 units in combination with any other work experience/internship courses. (Same course as each disciplines M80.) Applies to Associate Degree. Transfer credit CSU, credit limitations. To take this course, contact the Career Services Center: Call (805) 378-1536.

**WEXP M31 Job & Career Readiness** **.50 Unit**

The following classes are offered chronologically to provide a complete package of work planning awareness and skills. They can also be taken individually to meet specific needs.

Provides understanding of how to prepare for employment in order to achieve personal job or career goals, such as prioritizing goals, identifying key attributes that employers prize, developing an approach appropriate to goals, and self-management techniques that include building self-confidence, staying motivated, and managing stress. Will develop a personalized Action Plan- a personalized, step-by-step employment preparation strategy. (Formerly WEXP M16). Applies to Associate Degree. Transfer credit: CSU

**WEXP M32 Work and Career Trends** **.50 Unit**

Jobs and careers are changing daily, as new technologies, globalization, and the information economy change how and where we work. This seminar will look at these and other trends and forces, and determine what jobs and job skills are likely to be important in the future. You will learn what skills to upgrade and learn. The course will also review labor data that anticipates the greatest job growth areas in the next few years. (Formerly WEXP M14). Associate Degree. Transfer credit: CSU.

**WEXP M33 Job Search Electronically** **.50 Unit**

Increasingly, companies are posting job openings and looking for employees online. Explore contemporary job searching techniques, including discovering the most effective job listing sites, how to narrow your search, how to research companies, where to post your resume, and how to submit your application and resume online. (Formerly WEXP M13). Applies to Associate Degree. Transfer credit: CSU

**WEXP M34 Professional Resumes** **.50 Unit**

Provides resume and cover letter writing information and practice in specific and/or general career areas according to contemporary trends in hiring. Includes functional, chronological, and combination resume styles and resumes for electronic format. Student will develop and write personal resumes and cover letters using different formats. (Formerly WEXP M12). Applies to Associate Degree. Transfer credit: CSU

**WEXP M35 Effective Interviews** **.50 Unit**

Provides job interviewing information and practice in specific and/or general career areas. Includes current interviewing styles, sample questions, legal parameters, and appropriate dress, demeanor, and response. (Formerly WEXP M11). Applies to Associate Degree. Transfer credit: CSU

**WEXP M36 Strategies for Career Success** **.50 Unit**

Provides information on how to prepare for and achieve employment success, including understanding workplace culture and expectations, understanding and practicing workplace ethics, responding well to critical feedback, managing stress and conflict, and working within a team environment. (Formerly WEXP M15). Applies to Associate Degree. Transfer credit: CSU.

# REGISTRATION INFORMATION

## OPEN TO ENROLLMENT

Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites to the class or program, unless specifically exempted by statute.

## HOW TO APPLY

**New students:** If you have never attended Moorpark College, an application for admission is required in order to register for classes. You are eligible to attend Moorpark College if you have graduated from high school or are 18 years of age. You may also be eligible to attend as a Special Admission student if you are still enrolled in high school.

New students are encouraged to apply on-line at [www.moorparkcollege.edu/apply](http://www.moorparkcollege.edu/apply). New students may also apply by mail, fax, or in person.

**Returning Students:** If you last attended Moorpark College prior to Fall 2005, you are not required to re-apply for admission. However, to be eligible to register during New & Returning student priority registration beginning May 1st, returning students must contact the Records Office by April 27th to update their enrollment status.

Returning students may make changes to their e-mail address, phone number, or address on-line at [www.moorparkcollege.edu/webstar](http://www.moorparkcollege.edu/webstar). If your name has changed since you last attended, please visit the Records Office to make the change.

## HOW TO REGISTER

**WEB:** This is by far the easiest, most convenient, and most efficient way to register and we highly recommend it. Log onto [moorparkcollege.edu/webstar](http://moorparkcollege.edu/webstar) and follow the step-by-step instructions.

**IN-PERSON:** Held in the Office of Admissions & Records in the Administration Building.

## HOW TO DETERMINE WHEN TO REGISTER

**Continuing Students:** If you attended Moorpark, Oxnard, or Ventura College in Spring 2006 or Fall 2005, you are a continuing student and are entitled to priority registration beginning April 17. Beginning April 3, log onto [www.moorparkcollege.edu/webstar](http://www.moorparkcollege.edu/webstar) to view your priority registration date.

Priority for continuing students is based on the number of units completed within the Ventura County Community College District. Students with the highest number of units are assigned the earliest registration dates. Units transferred from other institutions are not included for purposes of determining registration priority.

**New & Returning Students:** If you have never attended Moorpark, Oxnard, or Ventura College you are a new student. If you last attended any of these colleges before Fall 2005, you are a returning student.

New students who apply by April 27 and returning students who update their enrollment status with the Office of Admissions & Records by April 27, are eligible to register beginning May 1.

New and returning students who do not meet the April 27 deadline may register beginning May 8. No appointment is needed.

**Special Admission Students:** A Special Admission student is a student in grades K–12 under the age of 18. Please refer to page 115 for Special Admission registration information.

If you attended Moorpark College as a high school student and have graduated, you must update your enrollment status with date of high school graduation before being allowed to register on-line.

## REGISTRATION FEES

All fees are due and payable immediately. Students who do not pay their fees in a timely manner may:

- Be dropped from their classes and required to re-enroll.
- Have a financial hold placed against their records which until paid will prevent all enrollment and withdrawals, prohibit access to transcripts, grades, and limit access to certain campus services.

Students dropped for nonpayment of fees may re-enroll in any open class.

## HOW TO DROP A CLASS OR WITHDRAW FROM SCHOOL

On-line: [moorparkcollege.edu/webstar](http://moorparkcollege.edu/webstar)

By Fax: (805) 378-1583

By Mail: 7075 Campus Road, Moorpark, California 93021

In Person: Office of Admissions & Records, Administration Building.

It is the student's responsibility to drop classes. Students who do not drop using one of these methods will receive an "F".

## WAIT LIST - New for Fall

Closed Class??? If you have an e-mail address on file with the college, you can add your name to a wait list. (You will automatically be moved into the class if room permits, with e-mail confirmation.) For more information and wait list criteria, visit [www.moorparkcollege.edu/news/multi](http://www.moorparkcollege.edu/news/multi)

# POLICIES

**SELECTIVE SERVICE REGISTRATION** Moorpark College in accordance with AB 397 added by statutes 1997, c. 575, E.C.s 66500 & 69400 is alerting all male applicants for admission who are at least 18 years old and born after December 31, 1959, to be aware of their obligation to register with the Selective Service. In order to receive Federal student aid, you must be registered with the Selective Service. For more information go to the Website: [www.sss.gov](http://www.sss.gov).

**STATEMENT OF NONDISCRIMINATION** The Ventura County Community Colleges are committed to providing an equal opportunity for admissions, student financing, student support facilities and activities, and employment regardless of race, color, religion, sex, national origin, handicap, age, marital status or Vietnam veteran status, in accordance with the requirements of Title IX of the Education Amendments of 1972, Title VII of the Civil Rights Act of 1964 (as amended by the Equal Employment Opportunity Act of 1972), sections 503 and 504 of the Rehabilitation Act of 1973 and the Rehabilitation Act Amendments of 1974, Executive Order 11246 (as amended by Executive Order 11375), and the Federal Age Discrimination Employment Act of 1967 and the Age Discrimination Employment Act Amendments of 1978 and the Americans with Disabilities Act of 1992. The 504 coordinator is Dean Nabil Abu-Ghazaleh, phone (805) 378-1408.

The Ventura County Community College District has a policy of non-discrimination regarding persons with disabilities and a process for resolving allegations of discrimination. If you feel that you have been discriminated against because of a disability, you should first contact the program coordinator at (805) 378-1461 or the dean at (805) 378-1408.

**STUDENT IDENTIFICATION NUMBERS** In order to provide students with additional security and confidentiality, the colleges of the Ventura County Community College District now assign student ID numbers, replacing social security numbers as the primary student identifier. Students may now access their academic records using either their social security number or student ID. Only the student ID will appear on mailers, notices from the colleges, and all faculty rosters. Your social security number will still be collected for such purposes as statistical reporting, financial aid, and Hope Scholarship Tax Credit reporting, and it will appear on your official transcript.

**VETERANS** In order to qualify for VA subsistence payments, veteran students must follow specific procedures. It is the responsibility of each veteran, including those continuing from one semester to the next, to report their enrollment every semester to the veteran's eligibility clerk in order for the certification process to begin. Contact the veteran's eligibility clerk in the Records Office at (805) 378-1400 extension 1852 for additional information or to report your enrollment.

## INFORMATION FOR SPECIAL ADMISSION STUDENTS (Grades 9 – 12 and home schooled students)

All Special Admission students are encouraged to apply on-line at:  
**[www.moorparkcollege.edu/apply](http://www.moorparkcollege.edu/apply)**

***All Special Admission students must register in person and have the following:***

- a Special Admission form signed by their school principal or counselor and a parent
- an unofficial copy of their most recent school transcript
- a completed application for admission (if they have not already applied on-line)

### ***Registration Instructions for Special Admission Students***

#### ***Enrolling in Grades 11 and 12 in Fall 2006***

1. May register in-person during the dates and hours listed in the calendar.
2. Must have a Pre-Requisite Approval form signed by a Moorpark College counselor indicating they have completed the academic prerequisite in order to enroll for any Math class (except Math M09, Math M01, Math M02, and Math M03)
3. Must complete the on-line English Self-Assessment in order to enroll for Engl M01A:  
[www.moorparkcollege.edu/orient](http://www.moorparkcollege.edu/orient).

#### ***Requirements for Special Admission Students Entering Grades 9 and 10 in Fall 2006***

*(Students below 9th grade are generally not admitted for official college enrollment)*

- Must meet requirements 1, 2 & 3 listed above.
- Must attend first meeting of class for which they plan to enroll to obtain authorization number.

***Special Admission students are exempt from the \$26.00 per unit enrollment fee. All other fees apply. See page 116 for listing of fees.***

# FEES

All fees are due and payable immediately. Students who do not pay their fees in a timely manner may have one or both of the following actions taken: Be dropped from their classes and required to enroll and/or have a financial hold placed against their records which until paid will prevent all enrollment, drops, and withdrawals, prohibit access to transcripts, grades, and limit access to certain campus services.

Students who drop classes after the refund deadline are held responsible for all fees owed. The refund deadline for semester-length courses for the FALL 2006 semester is September 1, 2006. The refund deadlines for Summer 2006 courses and Fall 2006 short-term courses are specific to each class. All refund deadline dates for all classes are available on-line at [www.moorparkcollege.edu/schedule](http://www.moorparkcollege.edu/schedule).

Enrollment fees are set by the State and are subject to change without notice and may be retroactive; all other fees are set by the Ventura County Community College District Board of Trustees and are subject to change by Board action.

Students who register on-line will be quoted the amount of fees due as they complete their registration and may pay on-line by Visa, MasterCard, American Express, or Discover, or send a check or money order to the Student Business Office. Students who register in person pay their fees at the Student Business Office. Students eligible for financial aid should contact the Financial Aid Office at (805) 378-1462.

**\* Enrollment Fee – Mandatory \$26.00 per unit, \$13.00 per 1/2 unit, \$6.50 per 1/4 unit.**

**Health Fee** – Mandatory \$14.00 for regular semester and \$11.00 for summer session. This fee enables us to provide you with a variety of health care services. In accordance with the California Education Code and Board policy, students are required to pay a health fee, regardless of the units taken, unless they meet one of the exemptions listed below pursuant to Ed Code #76355.

- Any student who depends exclusively on prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization. Documentary evidence of such an affiliation is required.
- Students attending college under approved apprenticeship training program under Education Code Section #76355.

**Remote Registration Fee** – \$3.00 per semester. This fee is charged to any student registering on-line via WebSTAR.

<b>Parking Fee (Optional):</b>	<b>Summer</b>	<b>Fall</b>	<b>Summer</b>	<b>Fall</b>
Semester Fee, Automobile .....	\$19	\$40	Second Vehicle Permit (must show registration).....	\$7
Semester Fee, Motorcycle.....	\$12	\$28	Replacement Permit (must show original receipt).....	\$5
Classes meeting 6-11 weeks, Auto.....	\$28	\$28	Combination of two permits (not less than) .....	\$26
Classes meeting 6-11 weeks, Motorcycle .....	\$16	\$16	**Carpools .....	\$10
Classes meeting 1-5 weeks, Auto .....	\$12	\$12		\$30
Classes meeting 1-5 weeks, Motorcycle .....	\$8	\$8		

\*\* A student who certifies that he/she regularly has two or more passengers commuting to college, will pay \$30 per semester and \$10 for summer session.

Students who receive financial assistance pursuant to any of the programs described in subsection (g) of Education Code Section #76355 shall be exempt from parking fees in excess of twenty dollars (\$20) per semester.

A parking permit is required at all times. Vehicles without permits must purchase a "One-Day Use Permit" for \$1.00. This permit must be displayed on the dash of the vehicle and parking is then permitted in all student lots. One-Day Permits can be obtained from any one of eight machines located in parking lots. CITATIONS WILL BE ISSUED TO ALL VEHICLES (INCLUDING HANDICAP) WITHOUT A VALID PERMIT.

**Nonresident Tuition for Non-California Residents – Summer 2006: \$155.00 per unit, Fall 2006: \$169.00 per unit**

If you are a nonresident student, you are required to pay the mandatory enrollment and health fees in addition to nonresident tuition.

Foreign Student Capital Outlay Surcharge: \$14.00 per unit. Students are required to pay the mandatory enrollment, nonresident tuition, and health fees in addition to the foreign student capital outlay surcharge unless they meet one of the exemptions listed below pursuant to Ed Code #76142. Application Fee (International Students): The Ventura County Community College District has adopted a non-refundable \$50.00 fee to apply for admission to Moorpark College. This fee covers the cost of federally-mandated documentation. Students are required to pay the fee unless they meet one of the exemptions listed below pursuant to Ed code #76142.

- Students must demonstrate economic hardship.
- Be a victim of persecution in the country in which the student is a resident.

**College Photo I.D./Associated Students (Optional):** \$10.00 per semester fee, \$15.00 per year. Card holders receive reduced cost attendance at college events, discounts for certain theater tickets and other commercial businesses.

**Student Center Fee:** \$1.00 per credit unit, Maximum \$10.00 per year – Students receiving benefits under CalWorks, SSI/SSP, or General Assistance may be exempt from this fee. Contact the Financial Aid Office for further information.

**Student Representation Fee:** \$1.00. The fee funds student representatives who state positions and viewpoints before city, county and district governments, and before offices and agencies of the state and federal government. Authorized by Education Code Section #76060.5. May be waived for religious, political, financial, or moral reasons. Contact the Associated Students Office at (805) 378-1400, ext. 1635.

**Refunds/Credits:** (Enrollment fees will be refunded minus a \$10 Administration Fee.) In order to qualify for a refund or credit, a student must officially drop a class or withdraw from school by the appropriate refund deadline using one of the 4 methods described on page 114. The refund deadline for semester-length courses for FALL 2006 semester is September 1, 2006. Summer and short-term classes have different refund deadlines that are specific to each class. These deadline dates are available on-line at [www.moorparkcollege.edu/schedule](http://www.moorparkcollege.edu/schedule).

Students who officially drop classes by the appropriate refund deadline will have their Moorpark College account credited and may then request a refund by the original payment method, or use the credited amount toward future registration fees. Students who are dropped for nonpayment or nonattendance after the Refund/Credit deadline, you will be responsible for all fees owed. Refund request forms are available in the Student Business Office and the Office of Admissions and Records.

**PLEASE NOTE: You must turn in your parking sticker in order to receive a parking refund.**

Nonresident tuition and the Foreign Student Capital Outlay Surcharge refund are based on the following: For classes lasting the full semester: Week 1 and 2 – 100% refund; Week 3 and 4 – 50% refund. For classes shorter than the full semester: 10% of class meetings – 100% refund; 20% of class meetings – 50% refund.

**Enrollment fees are set by the State and are subject to change without notice and may be retroactive; all other fees are set by Ventura County Community College District Board of Trustees and are subject to change by Board action.**

# Get Started Guide to Financial Aid

**FIRST STEP** -Think FAFSA...Before you can receive any financial aid, you must file the Free Application for Federal Student Aid (FAFSA) on-line at: [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov)

## TYPES OF FINANCIAL AID AVAILABLE THROUGH FAFSA

### • Pell Grants (from \$400 to \$4,050 per year)

The Federal Pell Grant is free money for college and does not have to be repaid. It is offered to undergraduate students who meet financial need criteria. When you file the FAFSA form, the government determines what you and your family can afford to pay for college. They call this your Family Contribution. If your family qualifies (has a family income under a set amount per year), the Pell grant provides a \*foundation\* for your financial aid. The maximum amount of a Federal Pell Grant is adjusted annually to correlate with funding, so it varies from year to year. Pell Grants awards range from \$400 to \$4,050 a year.

### • Community College Fee Waiver

The California Community College Board of Governors\* Enrollment Fee Waiver, or BOG Fee Waiver, waives the enrollment fees at the California Community Colleges for students who are eligible for need-based financial aid, receive CalWORKs/TANF, SSI or General Assistance payments or whose family income falls below the ceilings. Student must be a California resident.

### • SEOG Grants (from \$100 to \$4,000 per year)

Federal Supplemental Educational Opportunity Grants (FSEOG) are federal grants. Colleges award between \$100 and \$4,000 per year to undergraduate students with exceptional financial needs. Priority is given to Pell Grant recipients

### • Cal Grants (from \$576 to \$1551 per year)

California offers Cal Grants for undergraduate students who meet the financial, academic and eligibility requirements and apply on time. The award for most first-year Cal Grant B students is \$1,551 and for Cal Grant C students is \$576, and may be used for books, living expenses, and transportation, as well as tuition and fees. Students must complete the FAFSA and Cal Grant GPA verification form by September 2, 2006..

### • Student Loans

Federal Stafford Loans are for eligible students. There are two types: subsidized, for which the government pays the interest while students are in school; and unsubsidized, for which students are responsible for paying all the interest. Students can receive both types of loans at the same time.

### • Parent Loans

Federal Plus Loans help parents and stepparents pay their dependent's college costs. To apply, parents must complete a PLUS loan application and pass a credit check, and students must file the FAFSA.

### • Work Study

The Work Study Program lets eligible students earn money through a job on campus to help defray college costs.

**Remember the First Step...** Cal Grant deadline is September 2, 2006 (requires GPA verification form and FAFSA). Federal Student Aid (FAFSA) on-line at: [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov)

## HELPFUL HINTS

- Apply early in order to have the best chance for all available funds (Cal Grant deadline is September 2, 2006).
- Answer all questions on the application unless instructed to skip.
- Remember the student and/or parent signatures on the application.
- Keep a copy of your application for your records.
- When you file your tax return (1040, 1040EZ, etc.) remember to keep a copy.
- You must submit copies of all documents requested. (The Financial Aid Office will not duplicate or return original documents submitted.)
- Promptly respond to all requests from the Financial Aid Office. Incomplete files will delay your award processing.
- If you transfer within the VCCCD (Moorpark, Oxnard, Ventura) during the 2006-2007 school year, your aid may be revised and/or delayed.
- In order to receive financial aid, you must be enrolled and attending the college that offers you aid.

## MOORPARK COLLEGE FINANCIAL AID OFFICE

Open Monday through Thursday, from 8:30 am to 4:00 pm. •7075 Campus Road, Moorpark, CA 93021 (805) 378-1462  
[www.moorparkcollege.edu/finaid](http://www.moorparkcollege.edu/finaid)

# Need Help Paying Your Enrollment Fees or other Expenses?

## Here Are Two Options:

➔ **Fee Waiver:** The Board of Governors Enrollment Fee Waiver (BOGW) provides a waiver of enrollment fees to qualifying students who are California residents. For information regarding the methods for qualifying and verification required, please see “Criteria for Fee Waiver.” This Fee Waiver (BOGW) is valid for an entire academic year, starting Fall-Spring and ending Summer; whether it is 2005-2006 or 2006-2007.

### ➔ **Financial Aid:**

The Financial Aid Office has the Free Application for Federal Student Aid, “FAFSA,” for students who wish to apply for financial assistance for the 2005-2006 and the 2006-2007 academic year. This application covers both federal and state financial aid programs, including the following:

- Federal Pell Grant
- Federal Work-Study
- Federal Supplemental Educational Opportunity Grant
- Federal Family Education Loans (Stafford Loans)
- CAL Grants B, C
- EOPS GRANT

Interested students should “apply now.” A Financial Aid application is available online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) or you may pick up a copy at the Financial Aid Office. Don’t delay in applying. The process may take up to three months. Financial aid will be awarded to eligible students subject to availability of funds.

### **Criteria for Fee Waiver**

**You are eligible to receive a fee waiver if you are a California resident and you meet any ONE of the following criteria:**

1. Are currently receiving benefits from AFDC (CalWORKs), SSI/SSP or General Assistance.
2. Are a dependent student whose parent(s) are currently receiving AFDC (CalWORKs) or SSI/SSP.
3. Meet certain income standards (income standards available in the Financial Aid.

**If you do not meet any of the criteria, you may still qualify for a waiver if you:**

4. Have completed the FAFSA at Moorpark College and have demonstrated eligibility for a Board of Governor’s Fee Waiver.

***You must complete a BOGW application. Contact the Financial Aid Office or go online to apply at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Fee waivers are valid for the entire academic year starting Fall-Spring and ending Summer.***

# FINAL EXAM SCHEDULES

## Summer Semester 2006

Final examinations will be given during the last scheduled class meeting. Please verify with your instructor.

## Fall Semester 2006

Classes meeting at the the following times:

Time of Final Exam

### THURSDAY, DECEMBER 14

7-8:20am TTH; 7-9:50am TTH; 7:30-9:20 TTH; 7:30-9:50 TTH .....	7-9
10-11:20 TTH; 10-12:20 TTH.....	9:30-11:30
1-2:20 TTH; 1-2:50 TTH .....	1-3
3-4:50 TTH; 4-5:20 TTH; 4-6:50 TTH .....	4-6

### FRIDAY, DECEMBER 15

9-11:50 F; 9-12:50; 9-1:50 .....	10-12
1-3:50 F; 1-4:50 F; 1-5:50 F .....	1-3

### MONDAY, DECEMBER 18

7-8:20am MW; 7-9:50am MW; 7:30-9:20 MW; 7:30-9:50 MW .....	7-9
10-11:20 MW; 10-12:20 MW.....	10-12
1-2:20 MW; 1-2:50 MW .....	1-3
3-4:50 MW; 4-5:20 MW; 4-6:50 MW .....	4-6

### TUESDAY, DECEMBER 19

8:30-9:50 TTH; 9:30-11:20 TTH.....	8-10
10-12:50 TTH; 11-12:50 TTH; 11:30-12:50 TTH.....	11-1
1-3:20 TTH; 1-3:50 TTH; 2:30-3:50 TTH .....	2-4
4-6:50 TTH; 5-6:50 TTH; 5:30-6:50 TTH .....	5-7

### WEDNESDAY, DECEMBER 20

8:30-9:50 MW; 9:30-11:20 MW.....	8-10
10-12:50 MW; 11-12:50 MW; 11:30-12:50 MW; .....	11-1
1-3:20 MW; 1-3:50 MW; 2:30-3:50 MW .....	2-4
4-6:50 MW; 5-6:50 MW; 5:30-6:50 MW; .....	5-7

Final examinations for all laboratory sections will be given the last regularly scheduled session of the laboratory. Short classes which are scheduled to end before the last day of the semester will have final exams during the last scheduled class meeting. If your class does not fall into the above date/time grid, please go by the start time of your class.

## Evening Final Examination Schedule

Evening classes are scheduled to hold their finals on the first night of the week on which the class normally meets, starting Thursday, December 14, 2006. Final examinations for evening laboratory sections will be given at the last regularly scheduled session of the laboratory.

ANNOUNCING...

## The Year of Science and Religion at Moorpark College

A Dialogue in Understanding

Some believe that science and religion are in conflict. A year-long dialogue on the relationship between science and religion will take various forms during the entire 2006-2007 academic year at Moorpark College. Please join us for a dialogue that will take place in an open-minded and respectful atmosphere of academic freedom and the free exchange of ideas.

Faculty Lectures on Science and Religion will be free and open to the public Wednesdays at Noon in the Communications Building: September 13, October 18, November 15.

Look for an updated calendar of events through out the Year of Science and Religion @ [www.moorparkcollege.edu/yearof](http://www.moorparkcollege.edu/yearof)

This Schedule of Classes Science and Religion cover graphic was done by the Multimedia Class at Moorpark College: Professor Svetlana Kasalovic and students Stephanie Ferguson and Chrissie McCann
