

Welcome to (CLASS)

This sign signifies someone who pledges commitment to supporting lesbian, gay, bisexual, trans*, queer, questioning, and ally individuals.

SAFEZONE

This class is a safe space for all. We will always respect each other. Inappropriate comments will not be tolerated. Please let me know about any inappropriate comments or actions that occur during class or class activities.

Name and Pronouns

Your name and pronouns are important. If you would like to, you can change your pronouns in [Canvas](#) or add your pronouns to your Zoom name. You can also change your name as it appears on the roster through the [registrar's office](#). I understand that you may use a different name or pronouns in different spaces. If you would like to speak to me confidentially regarding your name or pronouns, please let me know.

Resources

The Moorpark College Student Health Center has links to many great resources. Also, when discussing LGBTQ+ content in course work, please refer to APA bias-free language recommendations. The MCWC has a handout to help!
